Key Elements of Disclosure Policy

Public Bank (Hong Kong) Limited

The Disclosure Policy of Public Bank (Hong Kong) Limited (the “Bank”) sets out the approach used by the Bank to (i) determine the content, appropriateness and frequency of the information it discloses to the general public relating to its state of affairs including its profit and loss and its financial resources (including capital/ liquidity resources) and (ii) describe its own risk profile as required by the Banking (Disclosure) Rules (the “Rules”). The key elements of the Disclosure Policy are summarized as follows:

Key Policy Sections	Key Elements
1 Objectives	The objective of the Policy is to ensure that the Bank complies with the requirements under the Rules issued by the Hong Kong Monetary Authority (“HKMA”) on solo basis and consolidated basis.
2 Responsibilities	<p>To elaborate clearly the Board’s responsibilities including approval of the formulation or amendments of this Policy and approval of the internal review and internal control processes in compliance with the requirement of disclosure statements; Senior Management’s responsibilities including the approach to determine the content, appropriateness and frequency of public disclosures relating to the Bank’s financial resources, ensuring that the Bank’s disclosures to the general public are relevant and adequate to convey an accurate impression of the Bank’s actual risk profile, and the fulfilling of requirement to attest in writing that the disclosures made pursuant to the Rules have been prepared in accordance with the internal review and internal control processes approved by the Board.</p> <p>The roles and responsibilities of dedicated departments/ staff including Finance & Control Department, Company Secretarial Department, Financial Controller, Company Secretary and Internal Audit Department are also documented.</p>
3 Interaction with Other Statutory Requirements	Other than the disclosure requirements under the Rules (“Internal Requirement”), the Bank should ensure compliance with other disclosure requirements under the Banking Ordinance, the HKMA’s Supervisory Policy Manual (“SPM”) guidelines, Companies Ordinance, Hong Kong Financial Reporting Standards (“HKFRS”) and other relevant statutory/ regulatory requirements (“External Requirement”). The Bank should minimize the overlap between the Disclosures made pursuant to External Requirement and the Disclosures made pursuant to Internal Requirement.

4 Proprietary and Confidential Information	In exceptional cases, disclosure of certain information as required by the Rules may seriously prejudice the Bank's competitive position. In such cases, prior consent would be obtained from the HKMA for the Bank not to disclose the confidential and proprietary information. A statement on what information it has declined to disclose and the general information that will be disclosed relating to the relevant disclosure requirement would be made instead.
5 Materiality	"Material Information" of the Bank is defined pursuant to Hong Kong Accounting Standard ("HKAS") 1 (Revised) "Presentation of Financial Statements" Para 7, HKAS 8 "Accounting Policies, Changes in Accounting Estimates and Errors" and the Rules. Materiality depends on the size and nature of the omission or misstatement judged in the surrounding circumstances.
6 Consolidated Group Level Exposures	<p>Under accounting consolidation of subsidiaries of the Bank, the subsidiaries including Public Finance Limited ("Public Finance"), Public Financial Limited, Public Securities Limited, Public Securities (Nominees) Limited, Public Financial Securities Limited, Public Futures Limited and Public Bank (Nominees) Limited are in compliance with the HKFRS. Under accounting consolidation of subsidiaries of Public Finance, the subsidiaries including Public Financial Limited, Public Securities Limited and Public Securities (Nominees) Limited are in compliance with the HKFRS.</p> <p>Under regulatory consolidation of subsidiaries for computing capital adequacy related ratios, liquidity maintenance ratio and core funding ratio of the Bank, only Public Finance is consolidated. Under regulatory consolidation of subsidiaries for capital adequacy and liquidity maintenance ratio computation of Public Finance, no subsidiaries are required to be consolidated.</p>
7 Basis of Disclosures	<p><u>Approaches for Calculation of Capital Charge</u></p> <p>The risks that impact capital charge or regulatory capital are credit risk, operational risk and market risk. The different approaches for the computation of risk weighted amounts and corresponding capital charge or regulatory capital for each of risks are documented. Regarding credit risk, both the Bank and Public Finance adopt standardized approach. Regarding operational risk, the Bank adopts basic indicator approach and Public Finance adopts standardized approach respectively. Regarding market risk, the Bank adopts standardized approach whilst Public Finance is</p>
