7. The Directors must not exercise any power conferred on them to allot shares in the Company without the prior approval of the Company by ordinary resolution if the approval is required by section 140 of the Ordinance. Without prejudice to any special rights previously conferred on the holders of the existing shares, any share may be issued with such preferential, deferred, qualified, or other special rights, privileges or conditions, whether in regard to dividend, voting, return of capital or otherwise, as the Company may from time to time by ordinary resolution determine. Any Preference Share may, with the sanction of a Special Resolution, be issued on the terms that it is, or at the option of the Company is liable, to be redeemed.*

7A. The Company may exercise any powers conferred or permitted by the Ordinance or any other ordinance from time to time to purchase or otherwise acquire its own shares (including any redeemable shares) at any price or to give, directly or indirectly, by means of a loan, guarantee, the provision of security or otherwise, financial assistance for the purpose of or in connection with a purchase or other acquisition made or to be made by any person of any shares in the Company and should the Company purchase or otherwise acquire its own shares neither the Company nor the Board shall be required to select the shares to be purchased or otherwise acquired ratably or in any other particular manner as between the holders of shares of the same class or as between them and the holders of shares of any other class or in accordance with the rights as to dividends or capital conferred by any class of shares.**

8. The Company (or the Board on behalf of the Company) may pay to any person a commission in consideration of his subscribing or agreeing to subscribe, whether absolutely or conditionally, or procuring or agreeing to procure subscriptions, whether absolute or conditional, for any shares in the Company: Provided that such commission shall not exceed 10 per cent of the price at which such shares are issued or an amount equivalent to such percentage; and the requirements of the Statutes shall be observed. Any such commission may be satisfied in fully paid shares of the Company. The Company (or the Board on behalf of the Company) may also on any issue of shares pay such brokerage as may be lawful.

9. If two or more persons are registered as joint holders of any share, any one of such persons may give effectual receipts for any dividends or other moneys payable in respect of such share, and the Company shall not be bound to register more than four persons as joint holders of any share but such power shall not apply to the legal personal representative of a deceased member.

10. No person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or required to recognise any equitable, contingent, future or partial interest in any share or any right whatsoever in respect of any share other than an absolute right to the entirety thereof in the registered holder, except as by these Articles otherwise expressly provided or as by the Statutes required or pursuant to any Order of Court.***

** As amended by Special Resolutions dated 24th April, 1999, 23rd April, 2005 and 8th June, 2010.

*** As amended by Special Resolution dated 28th April, 1990.

11. Every member shall be entitled, without payment, to receive within ten business days after allotment or lodgment of a transfer (unless the conditions of issue provide otherwise) one certificate or one series of certificates under the Official Seal for all the shares registered in his name, and the amount paid up thereon: Provided that in the case of joint holders the Company shall not be bound to issue more than one certificate or one series of certificates to all the joint holders, and delivery of such certificate or series of certificates to any one of them shall be sufficient delivery to all: Provided also that where a member has sold or otherwise transferred part only of the shares comprised in his certificate he shall be entitled without charge to a certificate for the balance of his shares: Provided also that a share certificate shall, if sent by post, be at the risk of the member(s) in whose name(s) the shares are registered and the Company shall be under no liability to such member(s) in the event of loss or non-delivery of a certificate if it is proved that the letter containing the certificate was properly addressed and posted as a prepaid letter. Every share certificate shall be issued under the Official Seal.**

12. If any share certificate shall be defaced, worn out, destroyed or lost, a new share certificate may be issued to replace it on such evidence being produced and such indemnity (if any) being given as the Board shall require, and on payment of the out-of-pocket expenses of the Company of investigating such evidence and (in case of defacement or wearing out) on delivery up of the old certificate, and on payment of a fee of HK\$5 or determined by the Directors from time to time.*

LIEN ON SHARES

13. The Company shall have a first and paramount lien upon every share (not being a fully paid up share) registered in the name of any member, either alone or jointly with any other person, for his debts, liabilities and engagements, whether solely or jointly with any other person, to or with the Company, whether the period for the payment, fulfilment or discharge thereof shall have actually arrived or not, and such lien shall extend to all dividends from time to time declared in respect of every such share. But the Board may at any time declare any share to be exempt, wholly or partially, from the provisions of this Article.

14. The Board may sell all or any of the shares subject to any such lien at such time or times and in such manner as it may think fit, but no sale shall be made until such time as the moneys in respect of which such lien exists or some part thereof are or is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, and until a demand and notice in writing stating the amount due or specifying the liability or engagement and demanding payment or fulfilment or discharge thereof and giving notice of intention to sell in default shall have been served on such member or the persons (if any) entitled by transmission to the shares, and default in payment, fulfilment or discharge shall have been made by him or them for fourteen days after such notice.

* As amended by Special Resolutions dated 5th March, 1980, 28th April, 1990, 24th April, 1999 and 8th June, 2010.

** As amended by Special Resolutions dated 28th April, 1990 and 23rd April, 2005 and 28th September, 2018.

15. To give effect to any such sale as aforesaid, the Board may authorise some person to transfer the shares sold to the purchaser and may enter the purchaser's name in the register as holder of the shares, and the purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

16. The net proceeds of any such sale shall be applied in or towards satisfaction of the amount due to the Company, or of the liability or engagement, as the case may be, and the balance (if any) shall be paid to the member or the person (if any) entitled by transmission to the shares so sold.

CALLS ON SHARES

17. The Board may, subject to the provisions of these Articles, from time to time make such calls upon the members in respect of all moneys unpaid on their shares as it may think fit, provided that fourteen days' notice at least is given of each call and each member shall be liable to pay the amount of every call so made upon him to the persons, by the instalments (if any) and at the times and places appointed by the Board.

18. A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed and may be required to be paid by instalments.

19. The joint holders of a share shall be jointly and severally liable to the payment of all calls and instalments in respect thereof.

20. If before or on the day appointed for payment thereof a call or an instalment payable in respect of a share is not paid, the person from whom the same is due shall pay interest on the amount of the call or instalment at such rate not exceeding 15 per cent per annum as the Board shall fix from the day appointed for payment thereof to the time of actual payment, but the Board may waive payment of such interest wholly or in part.*

21. No member shall be entitled to receive any dividend or to be present and vote at any General Meeting either personally or (save as proxy for another member) by proxy, or be reckoned in a quorum, or to exercise any other privilege as a member until he shall have paid all calls for the time being due and payable on every share held by him, whether alone or jointly with any other person, together with interest and expenses of the Company that may have accrued by reason of such non-payment (if any).

22. Any sum which by the terms of issue of a share is made payable upon allotment or at any fixed date, shall, for all purposes of these Articles be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these Articles as to payment of interest and expenses, forfeiture and the like, and all the other relevant provisions of these Articles shall apply as if such sum were a call duly made and notified as hereby provided.**

* As amended by Special Resolution dated 5th March, 1980.

** As amended by Special Resolution dated 28th September, 2018.

23. The Board may, from time to time, make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and in the time of payment of such calls.

24. The Board may, if it thinks fit, receive from any member willing to advance the same all or any part of the moneys due upon his shares beyond the sums actually called up thereon, and upon the moneys so paid in advance, or so much thereof as exceeds the amount for the time being called up on the shares in respect of which such advance has been made, the Board may pay or allow such interest as may be agreed between it and such member, but so that until such part of the share in respect of which such advance has been made is actually called up the dividends (if any) payable on such share shall be those which would have been payable had no such advance been made. The Board may at any time repay the amount so advanced upon giving to such member not less than 3 months' notice in writing of their intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the share in respect of which it was advanced.*

TRANSFER OF SHARES

25. Subject to such of the restrictions of these regulations as may be applicable any member may transfer all or any of his shares by instrument in writing in the usual common form, or in such other form as the Board shall from time to time approve, which must be left at the Office or such other place as the Board shall determine, accompanied by the certificate of the shares to be transferred and such other evidence (if any) as the Board may require to prove the title of the intending transferor. Every transfer must be in respect of only one class of shares.

26. The instrument of transfer of a share shall be signed by or on behalf of the transferor and the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register of members in respect thereof.**

27. The Board may, in its absolute discretion, and without assigning any reason, refuse to register a transfer of any share whether or not it is a fully paid share to a person of whom it does not approve, and it may also refuse to register any transfer of shares on which the Company has a lien. If the Board shall refuse to register a transfer of any share, it shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal as required by the Statutes.***

*** As amended by Special Resolutions dated 5th March, 1980, 23rd April, 2005 and 8th June, 2010.

28. A fee not exceeding HK\$5 may be charged for registration of a transfer.*

29. A fee shall be charged on the registration of any probate, letters of administration, certificate of death or marriage, power of attorney, notice in lieu of distringas, or other instrument relating to or affecting the title to any shares from time to time determined by the Board which shall not exceed HK\$5.**

30. The registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine, provided always that such registration shall not be suspended for more than thirty days in any year.

TRANSMISSION OF SHARES

31. In the case of the death of a member, the survivors or survivor, where the deceased was a joint holder, and the executors or administrators of the deceased, where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his shares, but nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share jointly held by him.

32. Subject to the provisions of these Articles, any person becoming entitled to a share in consequence of the death or bankruptcy of a member may, upon such evidence as to his title being produced as may from time to time be required by the Board, elect either to be registered himself as holder of the share or to have some person nominated by him registered as the transferee thereof.

33. If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered, he shall testify his election by executing a transfer of such share to such person. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice of transfer as aforesaid as if the death or bankruptcy of the member had not occurred and the notice of transfer were a transfer executed by such member.

34. A person entitled to a share by transmission shall be entitled to receive, and may give a discharge for, any dividends or other moneys, payable in respect of the share, but he shall not be entitled in respect of it to receive notices of, or to attend or vote at meetings of the Company, or save as aforesaid, to exercise any of the rights or privileges of a member, unless and until he shall become a member in respect of the share.

* As amended by Special Resolutions dated 5th March, 1980, 27th April, 1996, 24th April, 1999, 23rd April, 2005 and 8th June, 2010

** As amended by Special Resolutions dated 24th April, 1999 and 23rd April, 2005 and 8th June, 2010

FORFEITURE OF SHARES

35. If a member fails to pay the whole or any part of any call or instalment of a call on or before the day appointed for the payment thereof, the Board may at any time thereafter, during such time as the call or instalment or any part thereof remains unpaid, serve a notice on him or on the person entitled to the share by transmission requiring him to pay such call or instalment, or such part thereof as remains unpaid, together with interest at such rate not exceeding 10 per cent per annum as the Board shall determine, and any expenses that may have accrued by reason of such non-payment.

36. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which such call or instalment, or such part as aforesaid and all interest and expenses that have accrued by reason of such non-payment, are to be paid. It shall also name the place where the payment is to be made, and shall state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which such call was made will be liable to be forfeited.

37. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. A forfeiture of shares shall include all dividends in respect of the shares not actually paid before the forfeiture, notwithstanding that they shall have been declared.*

38. When any share has been forfeited in accordance with these Articles, notice of the forfeiture shall forthwith be given to the holder of the share or to the person entitled to the share by transmission, as the case may be, and an entry of such notice having been given, and of the forfeiture with the date thereof, shall forthwith be made in the register of members opposite to the share; but the provisions of this Article are discretionary only, and no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make such entry as aforesaid.*

39. Notwithstanding any such forfeiture as aforesaid, the Board may, at any time before the forfeited share has been otherwise disposed of, annul the forfeiture, upon the terms of payment of all calls and interest due thereon and all expenses incurred in respect of the share and upon such further terms (if any) as it shall see fit.

40. Every share which shall be forfeited may be sold, re-allotted, or otherwise disposed of, either to the person who was before forfeiture the holder thereof, or entitled thereto, or to any other person, upon such terms and in such manner as the Board shall think fit, and the Board may, if necessary, authorise some person to transfer the same to such other person as aforesaid.

41. A shareholder whose shares have been forfeited shall, notwithstanding, be liable to pay to the Company, all calls made and not paid on such shares at the time of forfeiture,
