PILLARS OF FUTURE GROWTH

State Bank of India is India's largest bank, serving consumers and businesses of all walks of life. In the wake of an extraordinary year, we placed foremost priority on the safety of our employees and customers, while enhancing the quality of our loan book. We struck a working balance between strengthening business resilience and acting as a compassionate banker to every Indian. At the same time continued to innovate to be able to serve our stakeholders in a world adapting to a new normal.

Resilience.

Over the years, we have been steadfast in our journey of enhancing business resilience. The central theme of this endeavour has been our continuous efforts in strengthening our financials and enhancing our Return On Investments. Even as challenging a year that FY2021 was, we have been able to enhance your Bank's performance, profitability, asset quality and the pace of capital generation. We have successfully navigated the last year and have come out stronger and better prepared for tomorrow.

Technology.

At SBI, we use technology extensively in every aspect of our value proposition: from business, designing products, streamlining processes, and improving delivery to credit monitoring. In response to the evolving business environment, we are continuously on course to always be technologically relevant and be a smart partner to bank with. During FY2021, our YONO platform proved to be the perfect medium to serve our customers in the digital space in which the boundaries of physical presence were pushed to phygital presence. Completely committed to digital transformation, SBI continues to invest in cutting edge technology in order to maintain its pole position as the most digital-enabled bank in India.

People.

As the business environment becomes complex, we understand the need of having a robust human capital that is well-trained to face a dynamic world. During FY2021, we implemented various measures to motivate, reskill and upgrade our employees, so that they can cater to our customers' growing needs, and thereby contribute to SBI's success. As we embark upon achieving new milestones in our growth story, we depend on the unflinching dedication and commitment of our employees.

As we recover from this global pandemic, SBI intends to be a key player in India's healing and revival. We remain committed in our journey towards strengthening our financial position, while building our future growth through the key pillars of **Resilience, People and Technology.**

Our role in times of adversity:

RESPONSIBLE

To safeguard the interests of stakeholders, we have intensified our efforts to make State Bank of India a reliable partner to bank with. To realise this, we are rigorously strengthening our digital presence, investing in our people, and enhancing our services to cater to the diverse needs of our customers.

OUR ROLE IN THE TIMES OF ADVERSITY:

RESPONSIBLE

intensifying our efforts in response to the
COVID-19 pandemic

The outbreak of the COVID-19 pandemic has challenged governments, industries, and businesses across the world. The sudden emergence of this health crisis has tested the strength of even the most evolved economies. This has compelled all of us to re-think and re-strategize our approach in this challenging environment.

In State Bank of India, we understand that the pandemic has affected the economy, industry and businesses at different levels besides testing human endurance most significantly. We have responded to this crisis by implementing various measures to ensure the safety and well-being of our employees and customers. Our strategies involved ensuring the protection of our human capital while focusing on providing uninterrupted service to our customers across India and abroad. Today, the role we play in society has become even more crucial. To this end, we enhanced our social initiatives to help our communities deal with the contagion.

All our employees rose valiantly to the challenge of keeping the banking operations running during this critical period and serving our customers uninterrupted.

Customers

Being the Banker to Every Indian household, it was of paramount importance to take care of the safety of our customers without compromising on service quality. During the pandemic, our wide network of 22,219 branches and 62,617 ATMs were kept functional to cater to our customers' needs. As a safety measure, we carried out regular sanitisation of our branch premises to contain the spread of the virus. In addition to this, we also embraced digital readiness to meet our customers online and organised 816 e-townhall meetings for our Micro, Small, and Medium enterprises (MSME) clientele. All our employees rose to the challenge of keeping banking operations functional during this critical period and serving our customers uninterrupted. We are extremely proud of the collective efforts of our employees in these trying times.

Employees

While we accorded high priority to providing uninterrupted services to our customers, we also took several measures to ensure that our employees work in a safe and protected environment. To this end, we undertook various initiatives for employee benefit such as reimbursement of expenses incurred on COVID-19 tests and treatment, special support to all the Covid-affected employees, and sanction of Special Leaves to employees on quarantine to contain the

spread of the virus. These measures helped in keeping the employees motivated and equipped to handle the crisis. The WFH arrangement provides flexibility to our employees to continue working from home thereby eliminating the risk of contracting infection during travel by public transport.

Society

In the wake of the pandemic, our role in coming to the aid of society has become more important than before. While the government and healthcare systems have made significant measures to combat the virus, our role as a responsible Corporate citizen has driven us to contribute towards our communities. We have contributed ₹43 crore, which constitutes around 0.30% of our net profit, to support the country in fighting this crisis. These funds were allocated for initiatives such as distribution of PPE kits; and strengthening healthcare infrastructure by procuring ventilators and other health equipment for government hospitals across India.

Leading the digital transformation journey:

TECHNOLOGY

Technology has always been a key strategic pillar of our business model particularly in the last decade. Long before the outbreak of the pandemic-led crisis, we have been continuously focussing on enhancing our digital platforms to cater to the increasing aspirations of our customers. Much before the COVID-19 crisis, almost 88.1% of our customer transactions were happening digitally. Now that the crisis has proved the operational resilience of our platform, we are not resting on our laurels and continue to invest in our digital capabilities, to run our business more efficiently and serve our customers better.

As the world transitions into the new normal, technology has become an essential factor in our productivity and efficiency. Over the years, we have closely engaged with our customers to cater to their broad range of banking needs. As technology took the front seat, customers started to seek services that did not require them to travel, particularly for their routine banking needs. This evolving landscape of customer preferences led us to build YONO, which is today driving much of our business. This path-breaking and industry leading digital platform has crossed 70.5 million downloads, with a registered user base of 37.09 million and averages daily logins of around 10 million.

Launched in 2019, YONO Krishi possesses features such as Agri gold loan, YONO Mandi and YONO Mitra. The application caters to the banking needs of farmers. To handle high volume and low ticket loans in the Agri business optimally through a digital strategy, we are exploring opportunities to enter into partnerships with selected Agri-techs who have differentiated business model that will help in facilitating the transformation of the Agri supply chain to improve farm production opportunities for the farmers with the use of digital tools such as Artificial Intelligence (AI), BlockChain, IoT (Internet of Things) and ML-powered capabilities.

Further, we have also launched YONO Business for corporate customers, which is designed to provide a world-class, user-friendly platform for transaction banking as well as for the trade finance business. Earlier, there were five customer interfaces viz. Corporate Internet Banking (CINB), Cash Management Product (CMP), e-Trade, e-Forex and Supply Chain Finance (SCF), which now have been merged into a single platform named "YONO Business". Through this, we aim to offer seamless services while catering to the varied needs of our corporate clientele.

We have also extended YONO to our overseas offices as well. YONO has been successfully launched in the UK, Mauritius, Maldives, Bangladesh, Sri Lanka and Canada. As of 31.03.2021, over 40,000 overseas customers have been onboarded on the YONO platform. We are on course to launch YONO in Singapore, Bahrain, South Africa, and the USA by the end of FY2022.

Apart from YONO, we are expanding our digital offerings in other areas through the online loan application and tracking facility for MSME borrowers; introduction of Customer Relationship Management (CRM) for customer engagement; contactless lending platform; Project Vivek; and Pre-Approved Business Loan, amongst others.

At State Bank of India, we are leveraging technology in every aspect of the value proposition: from business, designing products, streamlining processes, and improving delivery.

In response to the evolving business environment, we are continuously upgrading ourselves to always be technologically-ready for meeting the increasing aspirations of our customers and being seen as a smart partner to bank with.

LEADING THE DIGITAL TRANSFORMATION JOURNEY:

TECHNOLOGY

gearing up for a tech-driven world in the new normal

Building a team for tomorrow:

PEOPLE

We believe that in uncertain times like these, it is imperative to have a strong business foundation that helps the organisation in navigating through any crisis. For this, it is especially important to have a motivated human capital that can steer the business through testing times.

BUILDING A TEAM FOR TOMORROW:

PEOPLE

investing in our human capital to prepare them for a challenging world

At State Bank of India, we recognise that our employees are the cornerstone of our growth and success. As we move towards achieving new milestones in our growth story, we count on the unwavering dedication and commitment of our employees. To support this momentum, we continuously invest in them, thereby empowering them to reach new goals.

We have a strong human resource arm that is continuously engaged in designing and implementing various HR policies, procedures and programmes to develop and upgrade knowledge, skills, creativity, aptitude and talent of our workforce and for using them optimally. Additionally, it goes beyond the routine and encompasses all aspects of people management by building a positive work culture for realising our business goals. In a fast-changing business environment, the HR management continuously aligns its strategies with the increasing aspirations of the workforce to increase efficiency and promote a participative work culture in the organisation.

During the year, we implemented various measures to train and develop our employees so that they can cater to our customers' needs, thereby contributing

to the organisation's success. During the extraordinary circumstances of FY2021, we utilised the pandemic caused limitations as an opportunity to drive user ease through online learning; promote pull mode of learning; teach new skills and broaden the knowledge horizon of our workforce. In addition, our strong team of over 475 in-house educators and banking experts executed innovative measures at the 6 Apex Training Institutes (ATIs) and 51 Regional Institutes (SBILDs) to train and upskill our employees via online methods. Furthermore, to provide constant learning support despite restrictions on mobility, a robust virtual learning system, which is capable of connecting the manifold functionaries and providing a deep understanding of contemporary circumstances, was also put in place.

As the business environment becomes more complex, it is imperative to have robust human capital that is well-trained to face challenges while delivering quality service to customers. We believe that having a committed human capital is extremely important to ensure consistent and sustainable growth of the organisation. As we move ahead, we shall continue to invest in the well-being as well as the productivity enhancement of our employees to realise the true growth potential of our organisation.

We understand the need of having a robust human capital that is well-trained to face challenges, while delivering quality services to the customers.

CHAIRMAN'S MESSAGE

Dear Shareholders,

It gives me great pleasure to place before you the highlights of your Bank's performance during FY2021. Details of the achievements and initiatives taken by your Bank are provided in the enclosed Annual Report for FY2021.

Despite the ongoing pandemic, your Bank's business growth has remained robust in FY2021, with deposits growing at a double digit and advances rebounding compared to last year.

– Dinesh Kumar Khara

16.47%
Retail Personal Loan
growth in FY2021

Economic Overview

COVID-19 pandemic impaired economic activity last year across the board with global growth expected to contract at -3.3% in 2020 as against 2.8% growth in 2019. No major country except China showed positive growth during the year. Contraction of economic activity has been unprecedented but worse has been avoided thanks to the fiscal and the monetary support extended by the authorities across the world. Central banks provided liquidity support along with various credit extension policies to a wide range of borrowers. This was augmented with the government measures to support households and firms through a number of measures, including transfers, wage subsidies, liquidity support and other safety nets such as unemployment insurance and nutrition assistance. All these measures enabled increased momentum of economic activity in the second half of the year.

Global trade volumes also rebounded sharply in H2 2020 reflecting pent-up demand for consumer durables and resumption of supply chains. However, cross-border trade in services remained subdued. Overall, trade volume contracted -8.5% in 2020 following a mere 0.9% growth in 2019. Meanwhile, oil prices have been on a continuous gradual upswing since May 2020.

Against this backdrop, growth in India contracted to -7.3% in FY2021. With the country experiencing a second wave of infection since February, there have been localised lockdowns again which are likely to impair economic activity going forward. Vaccinating a large population soon is the only way to shorten the current second wave. With the Government now allowing all above 18 years to get themselves vaccinated, it will help in fighting this pandemic. Overall, notwithstanding the second wave of COVID-19, Indian economy, through its resilience, is poised for a recovery in FY2022.

Your Bank's Performance

Despite the ongoing pandemic, your Bank's business growth has remained robust in FY2021, with deposits growing at a double digit and advances rebounding compared to last year.

Deposits Growth

During FY2021, your Bank's deposits growth has remained in double digits and well above the ASCBs' growth rate. In FY2021, your Bank's total deposits grew at 13.56% (ASCBs growth: 11.40%) to ₹36,81,277 crore from the previous year's level of ₹32,41,621 crore. This high growth in deposits pushed your Bank's market share up by 45 bps to 23.29%. However, the foreign offices' deposits contracted by -5.04% to ₹1,11,112 crore, while domestic deposits grew by 14.26% to ₹35,70,165 crore. On a positive note, the CASA deposits grew at a faster pace of 16.73%, compared to term deposits growth of 12.23%. Within CASA, the current account deposit grew by 27.36%, while Saving Bank Deposits grew by 14.79%, which has resulted in the CASA ratio improving by 97 bps to 46.13% in FY2021.

Credit Growth

In FY2021, ASCBs credit off-take has continued its downward momentum and grew at 59-years low of 5.6%. However, your Bank's domestic advances growth has rebounded in the current year and grew by 5.67% to ₹21,82,516 crore, compared to 3.75% growth in FY2020. The foreign offices advances growth contracted by 0.14% to ₹3,56,877 crore. So, the gross advances of your Bank grew by 4.81% to the level of ₹25,39,393 crore in FY2021 from the previous year level of ₹24,22,845 crore.

The strong domestic loan growth is led by growth in retail personal loans, driven by home loans, Xpress credit and gold loans. The retail personal loans segment grew by 16.47% to ₹8,70,711 crore in FY2021, which is in line with the Bank's strategy towards this segment led by robust digital channels. Within retail, Home Loans, Xpress credit and Gold Loans grew substantially by 10.51% to ₹5,03,779 crore, 36.49% to ₹1,92,780 crore and 465.08% to ₹20,987 crore respectively. These segments constitute around 82.41% of the total Personal loans. With this robust growth, your Bank's market share in Home loans is at 34.53% and 31.74% in Auto loans. The growth in Xpress credit is mainly driven by our digital YONO and INB platforms.

However, growth in corporate segment remained subdued and declined by -3.02% to ₹8,18,705 crore in FY2021, which is in line with the banking industry's growth trend. If we include investments in commercial

paper(CP) & corporate bonds in corporate credit, it increased by 2.64% in FY2021, while there was negative growth in loans portfolio. This indicates that corporates have raised money from CP market due to the low interest rate environment. Major share of the credit went into sectors such as Infrastructure (Power, Roads & Ports) and Services. Agri & SME loans have increased by 3.92% to ₹2,14,151 crore and 4.24% to ₹2,78,949 crore respectively. With the decline in credit to Corporates Loan book, the share of Retail Personal loan segment in the domestic loan book has increased to 39.89% from 36.19% last year.

Investments

Your Bank's investment portfolio increased to ₹13,61,885 crore (domestic portfolio was ₹13,14,424 crore and foreign portfolio was ₹47,461 crore) in FY2021 compared to ₹10,58,048 crore in FY2020, with the rise in SLR investments. Your Bank's LCR was at 153.2% as on March 31, 2021. With sufficient liquidity in the market, your Bank's yield on investment has declined to 6.32% in 31 March 2021.

Customer Convenience

Your Bank's various activities are centred on improving customer experience by ensuring seamless delivery of products and services. For this your Bank has created the highest number of touchpoints in terms of branches and other digital modes. The Bank has 71,968 operating BCs, around 22,219 branches and 62,617 ATMs including 13,237 Automated Deposit & Withdrawal Machines (ADWMs). On an average, over 1.12 crore transactions per day are routed through your Bank's ATM Network.

In its endeavour to become a truly International Bank, the focus of your Bank has been realigned to enhance its penetration in overseas local markets along with India based business to support Indian Diaspora and global Indian Corporates spread across various geographies. With a presence across all time zones through 229 offices in 31 countries, your Bank has gradually spread its wings across the globe and has become a pioneer of International Banking among the Indian PSBs. During FY2021, your Bank continued to consolidate (closed four foreign offices) its overseas operations by rationalizing offices with sub-optimal performance enabling improvement of cost efficiencies. During

this period, your Bank has not ventured into opening of new branches/offices on account of its focus on consolidation and prevailing global scenario due to COVID-19 pandemic.

Even during these difficult times your Bank has conducted virtual customer meets for seeking customer feedback for improvement in customer experience. We have also conducted programmes to sensitize the branches for providing good customer service. With the launch of Doorstep Banking, the customers can avail ten doorstep services like account statement, cash withdrawal facility, life certificate submission (for pensioners) etc. Your Bank has introduced the concept of Floor Managers in over 2400 branches for enhanced customer experience.

Technology and Innovation

Various new IT initiatives have been rolled out by your Bank including LITMAS (Litigation Management System) for better monitoring of legal recourses undertaken in the stressed account for expediting recovery. Bank has also rolled out Property Portal to showcase the assets to prospective buyers with an intention to enhance marketing and better realization of value of available assets. It will further strengthen the transparency and efficiency in the process. Going forward, SARG is looking towards complete digitalization of the vertical, with end-to-end process automation, starting from Premigration of the account to Resolution of the account, through a menu driven dashboard solution encompassing all activities of SARG at one place, giving the desired output at the right time, resulting in enhanced productivity, efficient use of manpower and optimum results.

Your Bank is steadfastly using and enhancing its analytics capabilities by using AI/ML for improving efficiency, reducing risk and growing business. Fraud prone branches model has been developed to identify high risk branches. ATM suspicious chargeback model has been developed for identification of suspicious chargeback complaints. EWS models are in place for early signals of stress in borrowers. Intelligent Sampling of Vouchers (ISMOVVR) model is there for Identification of outlier vouchers for re-verification and to prevent frauds. A new AI based model has been developed for SME new to Bank (NTB) customers. Staff Optimization and

ATM network optimisation is being carried out through the Footfall Model and ATM win-back model respectively.

In case of home loans, RLMS, an end-to-end digitized platform has already seen the processing time for the loan journeys coming down drastically resulting in increased business. In RLMS, Pension Loan, Personal Gold Loan, Xpress Credit & Smart Home Top Up Loan products were rolled out PAN India. Development and CUG roll out of Home Loan journey was also done in RLMS during FY2021. RLMS is also being integrated with YONO & CRM for processing applications sourced through these channels. With the proposed rollout of remaining products during FY2022 in RLMS, we expect increased efficiency and user experience, improvement in TAT and hence growth in Bank's business.

Besides, for corporate loans Digital Interface on Pricing and Knowledge (DIPAK) a new pricing tool has also been made available to Operating functionaries and Sanctioning Committees to enable data - driven pricing of our Corporate Loans. This has been rolled out in all the branches in CCG.

While offering products on multiple platforms for portfolio growth with higher profit margins, your Bank has kept in mind the customer's convenience with Ease of Banking and has offered these variants through YONO - PAPL (Pre-Approved Personal Loan), PAXC (Pre-Approved Xpress Credit), PAPNL (Pre-Approved Pension Loan), INSTA Top-up for Xpress Credit and Insta Top-up for Pension Loan. For our corporate customers, a Unified Corporate Banking setup - YONO Business providing Single Sign-On for customers to access five applications viz CINB, CMP, SCFU, e-Trade and e-Forex was launched. Additionally, new to digital customers were provided online onboarding of CINB, e-Trade and e-Forex. Other end-to-end digital offerings were (a) Debit card authenticated onboarding for Saral customers and (b) Pre-Approved Merchant Loan - a digital loan product for Saral customers. An Online Account opening facility was also launched for non-individual accounts like Sole Proprietorship, Partnership and HUF entities.

Your Bank has also made available FX All and e-Forex trading platforms to customers looking at their requirements.

Your Bank is also working on providing a fully digital Trade Finance solution through its Yono Business platform. To increase income from Forex business, Forex rate booking including document upload facility for a digital journey has been introduced. Customer also has an option to negotiate with the dealer above a predefined threshold. Waiver of physical submission of original/hard copies for certain type of forex booking will be released. e-Forex on mobile is being planned to be released.

Furthermore, your Bank swiftly deployed Virtual Private Network (VPN) to empower the operational staff across India to Work From Anywhere (WFA) and ensure "Business-As-Usual". Despite the lockdown, annual closing exercise was conducted without any glitches. WFA is a new norm now in SBI. Many administrative and operational activities in domestic and foreign office/branches are being carried out remotely through WFA facilities. Pilot Project of "Work from Anywhere" has been implemented at Liability Centralised Processing Centres (LCPC) Mumbai, where Maker / Checker are processing Account Opening Forms (AOFs) digitally for 2nd scrutiny and debit activation. Going forward, "Work from Anywhere" project will be leveraged to full extent and will be extended to other LCPCs.

Your Bank has also introduced Open Banking (OB) in UK following instructions of European Banking Authority (EBA). The technological solution is hosted on Meghdoot infrastructure and was made live for our European branches and Bahrain to meet the critical Regulatory requirement. It is heartening to know that your Bank now has the capability to introduce OB in other geographies, as and when required by other Foreign Offices.

Profitability

The FY2021 has been an unprecedented challenging year for the whole world and your Bank was not an exception. However, with pragmatic view and timely decisions of the management and execution by the team coupled with support of the customers, your Bank has reported highest ever standalone net profit of ₹20,410 crore against net profit of ₹14,488 crore in the previous year. Your Bank has reported significant improvement on asset quality front, provision coverage, NIM and yield on advances. Decline in credit cost by 75

bps YoY to 1.12% at the end of FY2021 has been a significant improvement over the previous years.

The Net Interest Income of the Bank stood at ₹1,10,710 crore registering a healthy growth of 12.87% over previous year. The growth is owing to focused efforts in retail credit and quality corporate credit as well as control in slippages, thereby resulting in growth under interest income and a simultaneous control on interest expenses by CASA oriented deposit accretion, which increased by 16.73% (YoY domestic). The Operating Profit of the Bank stood at ₹71,554 crore in FY2021 as compared to ₹68,133 crore in previous year. The Bank made a consolidated profit of ₹22,405 crore.

Return on Assets increased by 10 bps YoY to 0.48% in FY2021 against 0.38% in FY2020. Cost to income ratio has marginally increased from 52.46% in FY2020 to 53.60% in FY2021. Further, recovery in Written-Off accounts also registered a growth of 11.32% over the previous year.

Asset Quality

The Bank over the last two financial years was dealing with steep rise in stressed assets. All-round effort in managing stressed accounts initiated in FY2019 was carried through in FY2020 as well.

However, the outbreak of the pandemic and subsequent lockdown in FY2021 altered the dynamics of stressed asset recovery. Bank had to grapple with disruption in normal proceeding at NCLT due to COVID-19 infections. Furthermore, the RBI mandated a standstill clause for some section of the portfolio.

Despite all this, Bank was able to achieve a reduction in level of Gross NPAs by ₹22,703 crore by March 2021. The corporate segment saw the largest reduction in NPA at ₹18,530 crore, while other segments remained more or less stable.

The gross NPAs ratio of the Bank accordingly declined to 4.98% from 6.15% in the last year. The PCR of the bank has also improved to 87.75%.

Capital Structure

The capital adequacy of the Bank improved during the last financial year on the back of better capital planning, internal resource

generation and containment of risk in banking books as reflected in 202 basis point reduction in credit risk weighted assets on advances to gross advances ratio.

The capital adequacy position of the Bank improved from 13.06% in March last year to 13.74% in March 2021. The CET 1 capital and AT1 capital ratios put together increased by 44 bps to 11.44%. Bank also increased its Tier II capital base to 2.30% in March 2021 from 2.06% the previous year.

Strategic Initiatives

During FY2021, your Bank has undertaken strategic initiatives to achieve the long term objectives set by your Bank. Some of the important initiatives are as under:

- To make the AtmaNirbhar Bharat Abhiyan a success your Bank has launched three new products viz. Agri Infrastructure Fund (AIF), Animal Husbandry Infrastructure Development Fund (AHIDF) and PM Formalization of Micro Food Processing Enterprises (PM FME) to boost investment credit portfolio in Agri segment. Your Bank has also launched "PM SVANidhi Loans" with effect from 02.07.2020 to support livelihoods of street vendors during COVID-19 pandemic. Bank has launched Guaranteed Emergency Credit Line (GECL) 1.0 & 2.0 to provide finance on liberal terms, to the units affected by the COVID-19 pandemic.
- To mitigate the adverse impact of COVID-19 on Bank's portfolio Bank identified corporates that may require additional assistance very early in Q1 of FY2021, which facilitated quick remedial measures. Various analysis was undertaken to proactively identify probable stressed portfolios and necessary remedial measures were taken in time. Similarly, impact of COVID-19 on various industries such as NBFC, Construction, Textiles, Ports, Shipping, Hotels etc. are watched continuously and analysis of new developments are shared with the business groups to enable them to take informed credit decisions.
- Customer service is a key area on which your Bank is focused. For improving the quality of resolution of customer grievances, we have established Circle Complaints Resolution Centres (CCRC) in all Circles.
- Your Bank has been active in the Alternative Investment space throughout the year and has been keeping an eye on emerging opportunities. Amid pandemic, your Bank part divested its stake in non-core assets and assessed a number of new investment opportunities. During the year, your Bank sanctioned investments of nearly ₹600 crore in Private Equity / Alternative Investment Funds.
- Marking a shift towards 'Originate to Distribute' business model, Structuring Team has been set up at PF&S SBU to provide customized structuring solutions for financing structure of projects while keeping the Return on Equity from the transaction a priority. Experienced officials have been recruited from different sector and industries to provide Structuring Solutions to our clients.
- To enable the branches become more goal-driven and competitive, a radical coaching intervention based on 'Action Research model' has been rolled out. It is a dynamic approach in which problem identification, planning, action and impact assessment are interlinked. Under "Samunnati", Faculty members of Regional L&D institutes adopted one Branch each pan-India, to extend guidance with harvesting of learnings for viable growth-models and case studies post completion.
- To ensure better tracking of education loan applications and faster sanctioning of loans, your Bank's Loan Origination System (LOS) was integrated with Vidya Lakshmi Portal (VLP) of the Government of India.
- In order to put in place a mechanism to monitor the progress of staff accountability examination in respect of large value frauds of ₹50 crore and above, a Committee namely "ABBFF Review Committee" under chairmanship of MD (CCG&IT) has been constituted. This Committee will review the progress of all cases being referred to ABBFF at bi-monthly intervals.

Subsidiaries

Through its subsidiaries, your Bank provides a wide gamut of financial services to its customers. The growth exhibited by the subsidiaries has been healthy year after year.

The Company has generated a net profit of ₹544 crore with a yoy growth of 32% as on FY2021.

SBI Global Factors Private Limited, a leading provider of factoring services for domestic and international trade, registered

a turnover of ₹4,352 crore for FY2021 as compared to turnover of ₹4,394 crore in FY2020.

SBI Pension Funds Private Limited, one of the Pension Fund Managers (PFMs) to manage the pension corpus, maintained lead position amongst PFMs in terms of Assets Under Management (AUM) in both Government and Private Sectors. The total AUM of the company as on 31 March 2021 was ₹2,22,615 crore (yoy growth of 39%) as against ₹1,60,491 crore on 31 March, 2020.

Recognition & Awards

Your Bank's efforts in various areas of banking were acknowledged, and we won various awards during the year. Your Bank was recognized as "Best Transaction Bank in India" by Asian Banker Magazine, Singapore for the fourth consecutive year in a row in 2020. Your Bank was also recognized as "Best Payment Bank in India" by Asian Banker Magazine, Singapore for the second consecutive year in 2020. Besides, SBI Foundation has also won awards during this year for its CSR initiatives, namely Grant Thornton SABERA 2020 Awards for agriculture and rural development, Corona Warriors Award by Hon'ble Governor of Maharashtra for healthcare and the ICC Social impact Awards 2021 for Empowering the Rural Population. Your Bank has facilitated Indian corporates in their growth strategy by arranging debt in Foreign Currency by way of External Commercial Borrowings through syndicated deals in conjunction with other Indian and Foreign Banks, and through bilateral arrangements. In recognition of its exemplary efforts, your Bank was chosen as the "Syndicated Loan House of the Year" - India by APLMA (Asia Pacific Loan Market Association). SBI has been awarded "The Best Trade Finance Provider (India) -2021" for ninth consecutive year by Global Finance Magazine. State Bank of India's home magazine 'Prayas' has been conferred with Kirti Puraskar by Department of Official Language, Ministry of Home Affairs, Government of India for the fourth time. Besides, Your Bank has won also five prestigious Brandon Hall Excellence awards 2020 for "Best Use of Blended Learning", "Best Learning Program supporting a change Transformation Business Strategy", "Best unique or innovative Learning & Development Program", "Best Advance in Technology for Crisis Management" for e-RBCs and "Best

Advance in Social Learning Technology" for e-Gyanshala.

Environmental, Social & Governance (ESG) Practices

The Corporate Social Responsibility (CSR) practices at SBI aims to integrate economic, environmental and social objectives to implement national priorities for social development. The focus areas of the Bank's CSR activities for FY2021 include Healthcare, Education, Livelihood, sports, Welfare of Armed Forces Veterans, Skill Development, Environment sustainability, Protection of National Heritage, Empowerment of Women, Youth and Senior citizens. In FY2020, the net profit of the Bank was ₹14,488 crore and 1% of the profit, i.e. ₹144.88 crore has been earmarked as CSR fund of Bank for FY2021.

Further, during the year, with the approval of RBI, Bank spent/ donated a total of ₹73.70 crore for various initiatives under CSR including donation and ₹71.18 crore to SBI Foundation (SBIF).

Your Bank has spent/committed a total of ₹43 crore, which constitutes around 0.30% of net profit, towards the Banks' support in fight against COVID-19, including donation of ₹11 crore to PMCARES fund, as support towards COVID-19 Vaccination drive, and committed ₹30 crore to implement various COVID-19 relief programmes.

Way Forward

FY2021 was an exceptional year in the Bank's recorded history. The banking operations were sustained against all odds with minimal disruption for the customers. The business continuity plans that were chalked out have worked well for the Bank and this is reflected in various parameters of the consolidated financial statements as on March 2021. Notably the Bank has achieved high level of digitization with share of Alternate Channels in total transactions increasing to 93% in FY2021, something which the pandemic has thrown as an opportunity.

The current financial year has begun with unexpected second wave of COVID-19 infections. Although the containment strategy this time included avoiding complete lockdown and managing the situation through micro-containment zones, the impact on the economy will

nevertheless be felt. The aggregate demand continues to be low and household income has been impaired. An effective roll out of immunisation is sure to turn the tide in the positive direction.

In the current financial year, Bank will continue to accelerate its digital agenda. The scope and reach of SBI YONO will be expanded further. In business operations your Bank will leverage advanced analytics for deeper insights on internal data. Efforts are already under process to equip operating units with quality data to support decisions.

It is too early to take a call of a possible deterioration of asset quality in banks due to second wave. However, with rollout of pre-package insolvency for resolution, resumption of courts and formation of National Asset Reconstruction Company, efforts will be in full force to keep the momentum in stressed asset recovered in the current financial year by making judicious use of all such options at our disposal.

The Bank is comfortably placed in terms of growth capital. Opportunities for lending in promising sectors will be explored to diversify the portfolio and contain risk.

Overall, despite the economic headwinds, the Bank has adjusted to the challenges posed by the COVID-19 pandemic and is better positioned to tackle any subsequent wave. I am more than hopeful that the performance achieved in FY2021 will continue in FY2022 as well.

Yours Sincerely,

Dinesh Kumar Khara

DIRECTORS' REPORT

I. Economic Backdrop and Banking Environment

Global Economic Scenario

The global economic growth has faced an arduous journey in 2020, with the COVID-19 pandemic leading to significant loss of both lives and livelihood. Global economy is expected to have contracted ~3.3% in 2020 against the growth of 2.8% in 2019. After the severe dent in the first half owing to lockdowns and restrictions, economic momentum picked up in the latter half of the year, owing to the removal of restrictions and unleashing of pent-up demand. The prompt measures taken by the governments and central banks have also prevented much deeper global recession. However, concerns about debt sustainability have started to surface as countries spend as much as they can to protect the vulnerable and to limit long-lasting damage to economies. Shifting market expectations can bring challenges to countries with higher levels of external debt.

Meanwhile, vigorous efforts of scientific community have helped in making multiple vaccines available globally. This has provided the necessary hope of coming out of this crisis. But the uneven distribution of vaccines globally is a matter of concern. Furthermore, the new virus mutations and increasing transmission are other factors that are dampening global growth prospects. Against this backdrop, IMF has projected a smart recovery of the world economy at 6% growth in 2021. The outlook for growth would improve if the production and distribution of Vaccines is accelerated, is better co-ordinated around the world and gets ahead of virus mutations. This in turn would allow various restrictions imposed to be relaxed quickly and speed up economic recovery. Furthermore, the outlook depends not only on the injection to infection ratio but also on the effectiveness of economic policies in limiting the damage caused by this crisis.

The pandemic has brought with it certain lessons for the world to learn. First is the necessity to improve health infrastructure. The countries, which were worst affected by the virus also faced acute health crisis. Equally important is the accelerated adoption of technology and increased focus on digitalisation and automation of various processes.

The quality and access to digital infrastructure has played a key role in the pace of economic recovery. This is another area that will have to be focused by all nations going forward.

India's Economic Scenario

FY2021 was the most tumultuous year in the history of last 75 years of independent India, as the COVID-19 pandemic wreaked havoc locally, as well as globally. Indian economy contracted by 7.3% (as against 4.0% growth in FY2020 and 6.5% growth in FY2019) owing to nation-wide lockdown imposed in Apr-May of 2020 and its after-effects in the subsequent months.

Industrial sector GVA, driven by the manufacturing sector emerged out of contraction in Q3 FY2021 and for the whole fiscal it declined by 7.0% as compared to the contraction of 1.2% in FY2020.

The services sector stepped out of contraction in Q4 FY2021 with the phased unlocking of the economy but declined by 8.4% in FY2021 as against 7.2% growth in FY2020. Despite gaining some traction, the contact-intensive services sector may take some time to reach pre-Covid levels.

Growth in agriculture and allied activities is the only silver-lining in such a gloomy year. Agri GVA expanded by 3.6% in FY2021 due to sufficient access to inputs, adequate and well-spread south-west and north-east monsoon rains, sufficient reservoir levels and improved soil moisture. As per the Third Advance Estimates for 2020-21, total foodgrain production in the country is estimated at record 305.44 million tonnes, an increase of 2.7% over the previous year. Foodgrains production has touched another record for the fifth consecutive year.

In FY2021, CPI inflation breached the upper tolerance band of 6% for eight consecutive months in the lockdown and post-lockdown period (Apr-Nov 2020) due to a series of cost-push shocks: supply chain disruptions, weather shocks, higher crude oil and other commodity prices and higher taxes. The increase in petrol and diesel prices is showing up in trade and transport costs, taxi and auto fares and its

second-round effects could push-up the prices of goods and services further in a broad-based manner. Owing to this, the annual average CPI inflation was 6.2% for FY2021 as against 4.8% in FY2020.

The contraction in merchandise exports and imports during FY2021 is an indication of fragile situation of world trade and global demand. India's merchandise exports (y-o-y) declined by 7.3% in FY2021 vis-à-vis a decline of 5.1% in FY2020 while imports shrank by a whopping 18.0% in FY2021 compared to 7.7% contraction in FY2020. The larger decline in imports as compared to exports led to a current account surplus of 1.7% of GDP in April-December of FY2021 as against a deficit of 1.2% in April-December of FY2020.

Reserve Bank of India (RBI) projects real GDP growth of 10.5% for FY2022 on the back of buoyant rural demand, strengthening of urban demand, strong investment demand and exports. The fiscal stimulus under AatmaNirbhar 2.0 and 3.0, coupled with increased allocation for capital expenditure under the Union Budget 2021-22, will definitely accelerate public investment and crowd in private investment. However, surge in infections, new mutants, partial lockdowns, high non-oil commodity prices and global financial market volatility impart downside risks to the growth.

The outlook for inflation will depend upon plethora of factors. While lingering supply chain disruptions, rising global crude oil prices and stronger pass-through of input costs could push up headline inflation, there is also a probability of softer international crude oil prices on the back of a weaker than anticipated global demand, bountiful food grains production and effective supply management. Preliminary estimates indicate that India will have normal monsoon this year (third time in a row).

With robust services exports and remittances, India is expected to see a current account surplus in FY2021. With strengthening US recovery leading to capital outflows, Rupee is expected to see depreciation pressures. However, the external sector metrics remain sustainable as RBI has ample forex reserves to defend the currency, which is not expected to

see a speculative attack as the weakness stems only from current account deficit and less capital flows.

Banking Environment

The banking sector saw tepid demand for credit in H1FY2021. However, credit offtake improved in H2, with the momentum picking up beginning October and registering a growth (financial year basis) since November. As per the provisional data released by RBI for FY2021, ASCBs credit has declined to a 59-year low of 5.6%, compared to 6.1% growth in FY2020. On the other hand, deposit growth remained robust and grew by 11.4% in FY2021, compared to 7.9% growth in FY2020, reflecting precautionary saving in the face of high uncertainty. Further, RBI's report on 'Quarterly statistics on Deposits and Credit of SCBs', indicates that credit by Public Sector Banks (PSBs) and private sector banks recorded 3.6% and 9.1% growth respectively, whereas lending by foreign banks declined during FY2021. The slowdown in SCBs' credit growth during FY2021 has been broad-based across all major sectors, except agriculture.

According to data on the sectoral deployment of bank credit for March 2021, credit growth to Agri & Allied activities has accelerated to 12.3% in March 2021 (4.2% a year ago), the highest since April 2017. Credit growth to industry decelerated marginally to 0.4% (0.7% a year ago) mainly due to credit to large industries, which contracted by 0.8% in March 2021 (as compared with a growth of 0.6% a year ago). This is primarily on account of large industries raising resources from non-bank sources. Credit growth to the services sector decelerated to 1.4% during FY2021 from 7.4% in the previous year, primarily driven down by sharp deceleration in credit growth to NBFCs after a spurt in the preceding year and contraction in credit to professional services. Further, personal loans accounted for one fourth of total bank credit and continued to record double-digit growth of 10.2%, compared to last year growth of 15.0%, led by housing and other personal loans.

To give support to the market and economy during pandemic, RBI announced several liquidity measures and also reduced the key policy repo rate by 115 bps to 4.0%

and CRR by 100 bps to 3.0%. Thus, the downward interest rate scenario has continued with decline in deposit and lending rates, aided by large surplus liquidity, the implementation of the external benchmark linked lending rates and subdued credit demand. If we look at SCBs, the lending rate (weighted average lending rates on fresh loans) has declined by 79 bps (PSBs: 120 bps, Pvt Banks: 22 bps) and weighted average domestic term deposit rate has reduced by 100 bps (PSBs: 89 bps, Pvt banks: 101 bps) during FY2021.

The current pandemic has highlighted the importance of maintaining business continuity in times of complete absence of physical interaction and building a robust digital banking infrastructure. The trend for mobile banking is encouraging. From ₹3.6 lakh crore in April 2020, the mobile banking payments have increased to ₹9.3 lakh crore in January 2021, fuelled by COVID panic led lockdown. Similarly, transactions in UPI have increased from ₹1.5 lakh crore in April 2020 to ₹5.0 lakh crore in March 2021, indicating an increase of 145%. The rapid rise of UPI has been due to features

like round the clock availability, single application for accessing different bank accounts, use of Virtual ID, which is more secure and requires no credential sharing. This shows that going forward, too, banks will have to focus on providing safe, secure, and easy to use digital applications for the expansion of their businesses and better customer service.

Outlook

The last financial year was exceptional by all standards in the recorded history of banking sector. The spread of the virus and subsequent lockdown in FY2021 was testing time for the Bank. The Bank's banking operations were sustained despite all odds.

FY2021 was practically under lockdown with progressive opening by February 2021. This naturally had taken a toll on the economy. The sudden loss in domestic demand had its impact on demand for credit. For most of the year the deposit growth outpaced the credit growth, reflecting the sudden drop in discretionary consumption. This has put sustained pressure on deposits rates, which have trended southwards.

The pandemic has also brought to light latent supply side inflationary trend, which

has now become visible in price indices. The recent minutes of the meeting of Monetary Policy Committee has therefore highlighted this as a risk that needs monitoring and warrants concrete actions.

Besides the COVID-19 pandemic, FY2021 also had to contend with other local disasters such a locust attack affecting northern states, outbreak of bird flu and floods in eastern part of the country.

The GDP growth for FY2022 has been projected at 10.5% (RBI) as compared to contraction of 7.3% in FY2021. However, the current financial year has begun with second COVID-19 wave and experts have informed that virus strain has mutated in India. Accordingly, quick immunisation of working population will be the most optimal scenario, which will impact the growth outlook. There is considerable uncertainty on how the demand will pick up in this financial year – notably it is difficult to predict if capital formation will see sustained recovery.

In this backdrop, the Bank's business needs careful assessment. The business continuity plans chalked out in FY2021 have worked well. Bank's support under AatmaNirbhar Abhiyan has been satisfactory. But with second wave, more detailed planning will be required. Banks

have created contingency buffers to cover losses over and above what was provided. The impact on asset quality of the banks due to second wave needs to be reassessed in respect of possible unexpected losses over and above what has been provided. Bank must resort to recently notified pre-package insolvency route to address stress in MSME segment.

However, as noted last year, the COVID-19 pandemic has also opened opportunities for the banks. Reordering of global supply chains presents unique opportunity to India to position itself as manufacturing hub to meet global demand, a proposition that continues to hold good. Rapid adoption of digital technology as seen in response to the COVID-19 has benefited the Bank considerably last year.

In a nutshell, the outlook on Bank's business and the economy will be conditional on time frame by which the virus is completely eliminated, and normalcy is restored. The headroom for another fiscal package has narrowed down and potential revenue generation has sharply dropped by 400 basis points as noted by Chairman of Finance Commission. Thus, for the Bank it is imperative that business procedures keep adapting to new operating environment.

A. Personal Banking

1. Home Loans

FY2021 saw a massive disruption in the real estate market, affecting the Home Loan business due to the COVID -19 pandemic and stringent lockdown measures. The pandemic had slowed down the pace for almost first half of the year and later due to various reviving economic measures announced by the Central and State Governments, the real estate market started regaining ground in the second half of FY2021.

Your Bank has crossed a historic landmark of ₹5 trillion (₹5 lakh crore) of home loan business, the first vertical in the Bank to touch the magic figure. The share of the home loan portfolio as a percentage of Domestic advances, now stands at 23.10% and 37% of whole Retail advances of your Bank.

We have sanctioned and disbursed over ₹1 trillion under home loans during FY2021 in midst of the COVID-19 pandemic.

Journey over the years (Home Loans):

Market Share: State Bank of India continues to be the market leader. Your Bank's market share in individual mortgages is at 34.53% (Mar'21) amongst all ASCB and at 21.79% (Sept'20) among all the players including HFCs (improved by

70 bps over Mar'20). Your bank has nearly 41 lakh home loan customer accounts and is determined to add more in the coming times.

Affordable and PSL: Your bank's Affordable Housing contributes 59.27% of its total home loan portfolio, while PSL stands at 33.19%.

CNA for PMAY subsidy: As the Central Nodal Agency (CNA) for PMAY-CLSS scheme, your bank has processed 2.20 lakh claims up to 31st March, 2021 aggregating to ₹4,816 crore of subsidy amount, leading to an income of ₹51 crore for your Bank. Additionally, your Bank has been nominated as CNA by MoHUA, the only commercial bank in the country (other CNAs are HUDCO and NHB).

Asset Quality: Maintaining a healthy asset quality was a challenge amid COVID-19 pandemic that has led to unprecedented economic fall-out in the country. Almost every sector was impacted due to the pandemic. Incessant follow up, soft reach out calls to customers and proactive measures initiated by your Bank resulted in Home Loan NPAs falling below March, 2021 level to 0.58%.

Based on RBI's COVID-19 relief measures of moratorium and restructuring of retail loans including home loans, your Bank has issued various guidelines to provide relief to its home loan customers. In the first phase, 28.26 lakh home loan borrowers were granted moratorium. In the second phase, the moratorium was extended to 34.04 lakh accounts. An online portal was launched for borrowers to apply for restructuring.

Initiatives: Your Bank has always been instrumental in customising and developing sustainable, creative solutions and continuously striving towards making SBI the 'No. 1 Choice of Millennial' for home loans. In this direction, a customised 'Special Top Up' scheme was launched for existing home loan customers to help them tide over financial crisis during COVID-19 pandemic.

End-to-end digitisation of entire home loan journey is under advanced stage of development and is likely to be rolled out shortly, which is aimed to ensure seamless pre- sanction and post-sanction services. It will not only ensure growth, but also bring

in more efficiencies in product delivery process of home loans and customer delight.

Your Bank has developed in-house contactless digital platforms such as CRM, YONO, OCAS which are being promoted extensively as resource tools to maximise home loan business and boost up our market share further.

Tie-ups with Builders: Amid burgeoning competition in the home loan market, onboarding maximum projects under Builder Tie-Up (BTU) provides much-needed leg-up to your Bank not only for accelerating home loan business but also for sourcing quality and less-risky proposals besides considerably improving the Turn Around Time (TAT). Your Bank has so far approved 7,329 projects (RERA approved) with aim to grow 20% YoY in the next two years in Builder Tie Up projects.

2. Auto Loans

In FY2021, your Bank's car loan market-share in total new car sales has jumped to 16.5% as against 14.4% in FY2020. While due to COVID-19 Pandemic, industry sales were affected; your Bank took various initiatives to maintain volumes and grew its portfolio YOY by 5% in the current fiscal. A vast product range covering all types of vehicles was made available to both existing and New to Bank (NTB) customers, through multiple channels, such as Branches, YONO, Dealers and CLPs. Your Bank's YONO car loan comes with benefits of 0.25% concession in rate of interest and NIL Processing Fee to customers, which is an additional feature provided by your Bank. Your Bank continued helping in upgrading the living standards of its customers by providing Auto Loans at competitive rates, thereby making "owning a car" an affordable proposition. These measures have helped your Bank to grow its loan portfolio to reach a level of 76,322 crores as of 31st March, 2021.

3. Education Loans

Education is the key prerequisite for creating human capital, as it helps in developing skills and productive human resources. Prior to 4th September 2020, education loans of up to ₹10 lakh outstanding was considered as Priority Sector Advance. With RBI's revised guidelines, w.e.f 4th September 2020, loans with limit up to

₹20 lakhs are now considered as Priority Sector Advances. Your Bank takes pride in being the largest education Loan provider in the country, with market share improving to 29.52%. Your bank has helped 47,959 meritorious students to realise their dreams by providing financial assistance to the tune of ₹5,980 crore during the year. Out of this, 39% of the loans were extended to girl students (increased from 35% in Mar'20). To broaden the scope of education loans, book quality business and enhance customer satisfaction, your Bank has taken following steps:

- Shortlisted a greater number of top-rated premier and reputed institutions taking total numbers to 217 for extending Education Loans under the Scholar Loan scheme with relaxed norms and concessional interest rates.
- Penetration through our Flagship product "Global Ed-vantage Education Loans" for studies abroad improved through extension of Door-step services through Education Loan Counsellors (ELCs) at select cities (We could sanction 1,397 cases amounting to ₹522 crore through this service).
- To ensure better tracking of the loan applications and faster sanctioning of loans, your Bank's Loan Origination System (LOS) was integrated with Vidya Lakshmi Portal (VLP) of the Government of India.

4. Personal Loans

Personal Loans, both secured and unsecured, are amongst the most popular products in your Bank and your Bank is a leader in this market segment. With over sixteen lakh customers, the SME portfolio of ₹2,43,191 crore, as on 31.03.2021 accounts for nearly 10.40% of your Bank's total advances. State Bank of India has always held SMEs as an important segment, considering the role being played by them in the Indian economy in terms of their contribution to manufacturing output, exports and employment generation. Being committed to providing Simple and Innovative Financial Solutions, your Bank's approach in driving SME growth rests on the following three pillars:

- a) Customer Convenience,
- b) Risk Mitigation,
- c) Technology based digital offerings and process improvements

1. Customer Convenience

With a view to build and sustain the momentum for transforming India, your Bank has created the highest no. of touch points in terms of branches and other modes. With a view to enhance ease of business for the Small and Medium Enterprises, State Bank of India modified its existing delivery model of Small and Medium Enterprises Centre (SMEC) and created Asset Management Teams (AMTs) to maintain end to end relationship with the customers for loans up to ₹50 lakh. The SMECs have also been strengthened in terms of manpower, which has resulted in improvement in the service levels. Loans above ₹50.00 lakhs are being handled by Relationship Manager, SME so as to have better connect with the Customers. As on 31.03.2021, 1791 RMs (SME) are functioning PAN India.

With a view to focus on improving the connect with the Customers and to strengthen SME Business, we have revisited the SME structure in the Bank, wherein 80 Assistant General Managers

(SME) have been posted across all Zonal offices. This has given a good direction to our efforts and has started yielding results with many customers expressing satisfaction on the improved connect. Your bank has 670 dedicated SME Intensive Branches PAN India.

2. Digital Offerings

Your Bank is leveraging technology in every aspect of the value proposition from business, designing products, streamlining process, improving delivery to monitoring. 2. Digital Step Collaborations

Under the digitisation of products and processes, Agri Gold loans are now processed and sanctioned through YONO Krishi digital platform. Similarly, the KCC reviews are also being processed through the YONO Krishi channel.

To address high volume and low ticket loans in the Agri Business with digital optimisation strategy, your Bank is exploring opportunities to enter into commercially viable partnerships with selected Agri-techs who have differentiated Business Models. This will help in facilitating the transformation of Agri supply chain/value chain to improve farm production/income opportunities to farmers with digital tools such as Artificial Intelligence (AI), Block Chain, IoT (Internet of Things)/ML powered capabilities. The continuous engagement and connectivity with farmers is expected to provide last mile relationship and strong association with your Bank. Your reviews are also being processed through the YONO Krishi channel. Bank sees Agri-Tech as a channel to bring in new segment of customers (which the bank could not access earlier) – a channel to improve decision making, grow top-line and improve efficiency. The partnership will also serve as an opportunity to cut operational costs, credit costs, improve profitability and user experience as digital transformation will no longer be optional but a necessity for structural change in the digital ecosystem.

Your Bank has executed agreements with 19 National Business Correspondents (BCs)

and 41 State Level BCs for the collection of repayments in Standard overdue accounts. As on 31st March, 2021, 57,145 Customer Service Points (CSPs) have been mapped with 14,657 branches for collections.

3. Other Activities

Your Bank has celebrated the World Soil Day on 5th December, 2020 and Kisan Diwas on 23rd December, 2020 with farmers by felicitating them for their trust in your Bank. In addition to this, your Bank has onboarded 44 Farmer Producer Companies (FPCs) on this day with a purpose to extend its support to the initiative of collectivisation of farmers to make farming a sustainable business.

4. Financial Inclusion (FI)

Your Bank has aligned its business performance with national priorities and focused attention is being provided towards financial inclusion activities. The Bank is working towards attaining the objectives set by GOI viz. inculcating habits of thrift, ensuring availability of credit facilities and promotion for digitisation of financial eco system in rural/semi-urban areas.

As on 31st March, 2021, your Bank has 71,968 Customer Service Points (CSPs) providing access to various banking products and services in unbanked areas while reducing footfalls in the branches. It has recorded ~58.78 crore transactions amounting to ₹2,52,470 crore, translating to more than 16 lakh transactions per day on an average. Furthermore, the Channel has opened 13.76 crore BSBD Accounts with ₹37,430 crore deposit so far and has brought the unbanked/under-privileged section of the society under the ambit of formal banking system.

To fulfil the needs of Social Security measures, low cost Micro insurance products (PMJJBY, PMSBY) and pension schemes (APY) are provided to the unorganised sector in a big way, covering around 8 crore customers.

Imparting Financial Literacy

With the objective of imparting free financial literacy, credit counselling and propagating use of electronic payment systems, your Bank has set up 341 FLCs across the country. Despite COVID-19, during the period between 1st April, 2020 and 31st March, 2021, FLCs have

conducted 11,943 camps where 3.64 lakh people have participated. Another 230 CFLs are being set up across the country to create financial awareness among the rural masses.

Rural Self Employment Training Institutes (RSETIs)

Your Bank has set up 152 RSETIs spread across 26 States and 3 Union Territories. RSETIs act as social change agents, empowering rural youth towards sustainable livelihood through skill development and training, helping them to establish their own micro enterprises, thereby creating rural employment and wealth creation. Despite the COVID-19 pandemic, the RSETIs have trained 66,260 candidates and achieved 107% of the Annual Training Target set by Ministry of Rural Development (MoRD).

During the pandemic, the Bank's Customer Service Points across the country served in difficult terrains/conditions to meet financial requirements of the people in need.

E. NBFC Alliances

Your Bank has created NBFC Alliances Department in October 2018 after the guidelines on Co-origination of Loans with NBFC-ND-SIs, were issued by the RBI. While under Co-origination, 8 NBFCs were

on-boarded, RBI has come up with fresh guidelines on co-lending of loans with NBFCs on 5th November, 2020 covering all NBFCs including HFCs providing a wider basket along with more convenience for operations, which supersedes its earlier Co-origination guidelines. Your Bank's policy on co-lending with NBFCs is available on the official website and co-lending is set to be a new focus area for your Bank to bolster its Priority Sector loans. Through the co-origination arrangement, your Bank has sanctioned 38,000 loans in the last one year in a complete digitisation mode for loans up to ₹1 lakh. Alongside co-lending, your Bank through the Business Associate policy with NBFCs, MFIs and BCs will be increasing its footprint in the under covered geographies in the country with focus on growth in its Priority Sector loan books

G. D&TB – Marketing

D&TB – Marketing, erstwhile Transaction Banking Unit (TBU) leverages technology to provide comprehensive solutions for bulk transaction requirement of clients, facilitating their efficient funds management along with value added services such as customised MIS and dedicated single point client support among other areas. The Digital & Transaction Banking services facilitate your Bank to maintain close relationship with clients and also to assess their other Banking requirements such as Credit, Fund Management and Cross Selling. During FY2021, the D&TB played a vital role in providing doorstep services and facilitating transactions during the COVID-induced lockdown.

Your Bank offers a wide range of D&TB products/services to Corporate, Government Departments, Financial Institutions and SME Clients. Corporate and Government clients along with SME continue to be the key focus segment for the Bank.

Keeping in line with market trends, your Bank is continuously updating/evolving the bouquet of D&TB products/services offered to meet client requirements as well as has the best of products in market, benchmarked to those offered by competitors. In order to bolster the businesses of the clients through the digital transaction mode during COVID-19, D&TB Marketing conducted several campaigns during the year.

Despite the lockdown of businesses due to the current year challenges posed by the pandemic, the D&TB Fee Income for the fiscal increased from ₹1,902.77 crore in FY2020 to ₹2,009.75 crore in FY2021.

The turnover for FY2021 registered a Y-o-Y increase of 10.92% with transactions amounting to ₹67,64,137 crore in FY2021 over ₹60,98,347 crore in FY2020.

Your Bank was recognised as “Best Transaction Bank in India” by Asian Banker Magazine, Singapore for the fourth consecutive year in a row in 2020. Your Bank was also recognised as “Best Payment Bank in India” by Asian Banker Magazine, Singapore for the second consecutive year in 2020.

2. Global Banking

A. Corporate Accounts Group (CAG)

Corporate Accounts Group (CAG) is a dedicated Strategic Business Unit (SBU) of your Bank handling the portfolio of ‘high value credit’ with a USP of specialised and efficient delivery platform. The CAG SBU has four specialised Branches headed by the General Managers located in India's top three commercial centres viz. Mumbai, Delhi, and Chennai.

In SBI, CAG is a one stop shop, which provides a wide range of financial products and services, exclusively to top rated corporates including their foreign associates and subsidiaries.

The business model of CAG is based on the Relationship Management concept and each client/business group is mapped to a Relationship Manager who spearheads a cross-functional Client Service Team consisting of highly skilled credit and operations functionaries.

The relationship strategy is anchored on delivering integrated, specified and comprehensive solutions to the clients, including structured products within a specified time frame. The principal objective of the strategy is to make your Bank the first choice of top corporates. A regular review of each corporate relationship by senior management sets the benchmark for relationship management in CAG.

Apart from a variety of core credit products, CAG offers an array of customer specific products like Cash Management Product, Treasury and Forex products and Merchant Banking products in association with other SBUs and subsidiaries of SBI such as SBI Capital Markets Limited and SBI Gilts Limited, amongst others.

Client Service Teams at CAG Branches also aid customers in selection and delivery of a wide variety of products/services offered by SBI's associates and subsidiaries listed below:

- For Capital Market Requirements – SBI Capital Markets Ltd. (SBICAPS)
- For Treasury and Investments – SBI GILTS and SBI SECURITIES
- For Investments – SBI Mutual Fund Ltd.
- For General and Life Insurance – SBI General Insurance Co. Ltd and SBI Life Insurance Co. Ltd.
- For Receivables factoring – SBI Global Factors Ltd.

To align with the changing banking landscape, your Bank has created two specialised business units within CAG Business Vertical:

- Corporate Solutions Group (CSG) - for looking at 360° banking requirements of customers, especially in credit light sectors viz - Pharma, FMCG, IT, and Auto, amongst others.
- Financial and Institutional Group (FIG) - to address credit and transactional banking requirements of Financial Institutions like Insurance Companies, Brokerage Firms, Banks (Private and Foreign) and Mutual Funds.

The total loan portfolio of CAG as on 31st March 2021 was ₹5.42 lakh crore (fund based - ₹3.61 lakh crore and non-fund based - ₹1.81 lakh crore) compared to total loan portfolio of ₹5.37 lakh crore (fund based

- ₹3.64 lakh crore and non-fund based - ₹1.73 lakh crore) as on 31st March 2020. Due to ample liquidity and benign interest rate, top-rated Corporates shifted their borrowing towards market related instruments such as CPs, NCDs. Hence, there was substantial growth in Investment book during the year.

Major top corporates of the country and Navratna PSUs are esteemed customers of CAG Business Unit.

B. Treasury Operations

The Global Markets performs Treasury Operations of your Bank. It is responsible for deployment of surplus funds to achieve desired risk-adjusted returns. Global Markets' portfolio comprises of investments in SLR and Non-SLR Securities, Publicly Traded Equities, Venture Capital Funds, Private Equity, and Strategic Investments. Additionally, it offers multiple products and services that cater to the foreign exchange requirements of the customers.

Last one year has been a challenging one for all due to COVID-19. However, through the use of robust technology solutions, your Bank has been successful in providing unhindered services to our Treasury customers throughout this testing period, while following all health-related safety precautions.

1. Interest Rates Movements and SLR and Non-SLR Portfolio of Your Bank

Global Markets manages the domestic Investment Portfolio of your Bank and also maintains regulatory requirements of CRR (Cash Reserve Ratio) and SLR. The COVID-19 pandemic continued to have a major impact on economies and financial markets across the world. The Indian economy had a robust V-shaped recovery from -23.9% YoY GDP growth in Q1 FY2021 to 0.4% in Q3 FY2021 as large parts of the economy were opened up after the initial lockdown. Though, towards the end of FY2021, threat of another lockdown due to a new virulent strain of COVID-19 is looming large.

To cope with the lower revenues due to COVID-19, government increased its gross borrowing from the budgeted ₹7.8 lakh crore to ₹13.7 lakh crore. At the same time uptick in global prices of base metals and disruption of supply chains in domestic

markets led to inflation picking up. The CPI remained above 6% till November 2020, touching a high of 7.61% in October 2020, easing thereafter due to a sharp fall in vegetable prices and favourable base effect.

During FY2021, RBI took various monetary measures to support the economy. RBI continued its "accommodative" stance through the year, cut policy repo rate from 4.40% to 4% and reverse repo rate from 4.00% to 3.35% and undertook unconventional measures viz. Targeted Long-Term Repo Operations (TLTROs), asymmetric Open Market Operations (OMOs), and Simultaneous Sale and Purchase of securities, amongst others. RBI also temporarily cut Banks' CRR requirement by 1% of NDTL (Net Demand and Time Liabilities) and provided relaxation in maintenance of Liquidity Coverage Ratio. To ease absorption of large G-Sec/SDL issuances, RBI also increased HTM limit from 19.5% of NDTL to 22%. RBI also added net liquidity of ₹3.17 lakh crore through purchase of securities under Open Market Operations (OMOs). On account of these measures, 10-year benchmark bond yield fell from a high of 6.50% (09th April 2020) to a low of 5.72% (22nd May 2020).

During the years, deposit growth was robust and advances growth muted leading to surplus liquidity with your Bank. This has resulted in our investments in debt securities going up sharply this year with the additional investments spread across Government securities and corporate bonds. On the other hand, low interest rates have impacted portfolio NIMs adversely. Your Bank actively participated in the TLTROs and Partial Credit Guarantee Scheme (PCGS), playing its part in supporting RBI and Government's efforts to improve access to funding for economic recovery.

2. Equity Markets

The year was marked by uncertainty in global equity markets since the month of February 2020 due to COVID-19's rapid spread across some countries. Large liquidity injections by major central banks caused significant FPI inflows into Indian equity markets. The pace of FPI investments increased sharply from November, 2020 as the emergence of at least three viable vaccines improved prospects of an end to the global pandemic and return to normalcy. FPIs had invested ₹2.74 lakh crore in the Indian equity markets in FY2021.

Your Bank actively participated in the equity markets, both during the March 2020 sell-off and the rally during FY2021. The year also saw many successful IPOs with strong listing gains. Your Bank's investment in the primary market proved very fruitful generating high returns. We continue to manage the equity portfolio by realigning the book according to market movements while keeping a tab on domestic and global macros and are continuously working towards achieving strong returns.

3. Private Equity/Venture Capital Fund

Your Bank has been active in the Alternative Investment space throughout the year. Amid pandemic, your Bank part divested its stake in non-core assets and assessed a number of new investment opportunities. During the year, your Bank sanctioned investments of nearly ₹600 crore in Private Equity/Alternative Investment Funds.

4. Forex Markets

The GMU handles the foreign exchange business of your Bank, providing solutions to the customers for managing their currency flows and hedging risks through options, swaps, and forwards, in addition to providing liquidity to markets. Your Bank is a leading player in USD-Rupee Spot and USD-Rupee Forward markets and has a high market share in merchant foreign exchange flows. Your Bank is the leader in providing liquidity in CCIL Fx Clear platform. The volume traded in Currency Futures puts your Bank in the bracket of leading client Banks of exchange houses. Your Bank is actively onboarding customers on FX-Retail platform rolled out by CCIL through which customers will benefit from transparent and competitive pricing. Your Bank has also made available FX All and e-Forex trading platforms to customers looking at their requirements. Your Bank is also working on providing a fully digital Trade Finance solution through our YONO Business platform.

This year RBI has allowed Indian banks to participate in the offshore USD-Rupee markets. Accordingly, your Bank has started participating in the offshore USD-Rupee market.

Impact of the COVID-19 crisis on trade flows was felt in the Indian foreign exchange markets this year, though significantly higher investment flows provided some cushion.

Using technology, your Bank managed to provide all foreign exchange services to its customers unhindered, including adjusting to Work From Home arrangements of corporate clients. We have also tested our ability to run all our operations successfully while working from home through secured VPN.

Your Bank currently deals in Over The Counter (OTC) interest rate and currency derivatives, along with exchange-traded currency derivatives and Interest Rate Futures. The interest rate derivatives traded by your Bank are Rupee interest rate swaps (OIS), Foreign Currency interest rate swaps (IRS), Foreign Currency to Rupee interest rate swap (MIFOR), Forward Rate Agreements (FRA), Caps, Floors and Collars. Currency derivatives dealt by your Bank are Cross Currency Swaps (CCS), USD/INR options and Cross-Currency options. The products are offered to your Bank's customers to hedge their exposures. The contra positions may be kept in Option or MIFOR book or covered back to back in the interbank. Derivatives are used by your Bank both for trading as well as for hedging balance sheet purposes.

Derivative transactions carry market risk, that is, the probable loss your Bank may incur as a result of adverse movements in interest rates/exchange rates. It also carries

credit risk, that is, the probable loss that your Bank may incur if the counterparties fail to meet their obligations. Your Bank's "Policy for Derivatives" approved by the Board prescribes market risk parameters (Greek limits, Loss limits, cut-loss triggers, open position limits, Duration, Modified Duration, PV01, amongst others) as well as customer eligibility criteria (credit rating, sanctioned limits, and CAS rating as per Customer Appropriateness and Suitability policy) for entering into derivatives transactions. Risk on interbank counterparties is monitored through limits set for the purpose. These counterparties are required to execute ISDA with us.

Your Bank has various committees and departments in place to monitor various types of risks. The Asset Liability Management Committee (ALCO) oversees the efficient management of liquidity risks. The Market Risk Management Department (MRMD) identifies, measures, and monitors market risk associated with derivative transactions. MRMD also assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.

In its endeavor to become a truly International Bank, the focus of your bank has been realigned to enhance its penetration in overseas local markets along with India based business to support Indian Diaspora and global Indian Corporates spread across various geographies. The Overseas operations of your bank are managed by a separate Business Unit – International Banking Group (IBG) headed by the Deputy Managing Director (IBG) and overseen by MD (IB,T&S).

Global Presence

The Bank's first global footprint was with the branch of Bank of Madras in Colombo, Sri Lanka in July 1864 (First amongst Indian Banks). With a presence across all time zones through 229 offices in 31 countries, Your Bank has gradually spread its wings across the globe and has become a pioneer of International Banking among the Indian PSBs. The overseas offices of SBI offices are being managed by IBG.

The details of offices opened/closed are furnished in the below table:

Overseas Offices	As on March 20	Opened during the year	Closed during the year	As on March 21
Branches /Sub-Offices / Other Offices	58	0	3	55
Subsidiaries	(9)	0	0	(9)
Offices of Subsidiaries	163	0	0	163
Representative Offices	7	0	1	6
JV/ Associates / Managed exchange Cos /Investments	5	0	0	5
Total	233	0	4	229

During FY21, your Bank continued to consolidate its overseas operations by rationalizing offices with sub-optimal performance enabling improvement of cost efficiencies. The Bank has closed four foreign offices- Lenasia Marketing Office (South Africa), Selatar Remittance Center (Singapore), Bab-al-Bahrain Limited Service Centre (Bahrain) and its Representative Office at Istanbul (Turkey). During this period, your Bank has not ventured into opening of new branches/offices on account of its focus on consolidation and prevailing global scenario due to Covid 19 Pandemic.

Covid 19 and IBG Response: Covid-19, the global pandemic, has disrupted the global economic system pushing countries into various degrees of recession. Apart from repercussions of the pandemic, countries have also been handling the economic contraction caused both by the pandemic and the health measures like lock down, movement restrictions etc. Slow-down in the economic activity and consequent impact on levels of global trade, investments etc. have been witnessed.

Your Bank has shown remarkable resilience in continuity of its core functionalities at our offices across the globe despite heterogeneous challenges on account of the pandemic.

IBG has adapted well to optimize its cost of resources in view of liquidity flush in the market by substituting its high cost resources with various low-cost alternatives by diversifying its liability base. It has raised sizeable long-term resources from developments banks in Asian countries like Japan and Korea apart from borrowings from multi-lateral agencies at finer rates. It has also leveraged its digital offerings like SBI YONO by launching in new geographies to improve penetration through contactless offerings for raising retail deposits.

Despite subdued business growth for the first half year, IBG has not only crawled back to reclaim its pre-Covid business levels but has also registered growth in its overseas portfolio while ensuring control over the quality of assets in the wake of stretched effect of Covid 19 on various sectors. Apart from meticulous credit monitoring, IBG has been agile in shedding

problem assets showing signs of stress to minimize the possibility of losses on account of further deterioration in asset quality. Despite consequent business loss challenges like scarcity of quality assets and low credit off-take due to limitations on capital expenditure by various regulators etc., IBG has been able to build on its asset levels. Your bank has also emerged as a Lead Arranger in loan syndication deals with banks in countries like South Africa. Further, it has maintained its connect with the clientele through various outreach initiatives with exporters, banks etc. to reinforce the existing relationships and also to forge new ones.

Apart from dealing with various business challenges, International Banking Group (IBG) has successfully met the expectations of the overseas regulators by taking necessary steps like providing relief to its clientele through restructuring packages including deferments and moratoriums, wherever prescribed by the local regulations. IBG has also adapted to the changes in the regulatory framework of various countries in the wake of Covid 19.

IBG has maintained decent profitability during the year despite the shrinking of spreads, subdued credit growth, decline in Non-Interest income due to impact on LC/BG, remittance business etc. It has embarked upon various new business initiatives like Merchant Banking, Factoring Services etc. to supplement its income streams.

The specialized departments of IBG have played a vital role in sustaining the momentum by contributing on various fronts:

1. Credit Contribution: Business Driver

Your Bank has facilitated Indian corporates in their growth strategy by arranging debt in Foreign Currency by way of External Commercial Borrowings through syndicated deals in conjunction with other Indian and Foreign Banks, and through bilateral arrangements. In recognition of its exemplary efforts, your Bank was chosen as the "Syndicated Loan House of the Year" - India by APLMA (Asia Pacific Loan Market Association).

Your Bank sanctioned Foreign Currency loans to the tune of USD 8.9 billion to Indian related corporates and USD 8.6 billion to overseas entities. In the field of Energy, your Bank has provided funding to oil companies, which have significant strategic importance for India, in terms of augmenting India's Energy Security amid unstable Crude and Forex prices. Presently, your Bank offers a wide range of products and services to exporters and importers through an extensive, well equipped branch network that operates domestically and internationally.

2. Trade Finance

Your Bank provides a slew of Trade Finance products and services to exporters and importers through an extensive, well equipped branch network that operates in all time zones in India and abroad. Global Trade Department (GTD) of IBG facilitates and supports our Foreign Offices (FOs) for an orderly growth of Trade Finance portfolio. GTD formulates policies and innovates new products for FOs as per changing regulatory norms and market demands. It takes a lead in introduction

3. Overseas Treasury Management

The Treasury Management Group (TMG) at International Banking Group undertakes following functions for Foreign Offices:

- Liquidity Management
- Dealing Room Operations
- Investments

TMG-IBG manages overall liquidity portfolio of IBG and also monitors ALM ratios. TMG is the nodal department for raising Long and Medium-Term Funds through Bond Issuance (MTN/ Standalone 144A), Syndicated Loans etc. In addition to this, TMG also utilizes various means of borrowings, to keep the cost of resources

Shri Dinesh Khara (Chairman), Shri Ashwani Bhatia MD (GB&S) and Shri Venkat C Nageswar, DMD (IBG)- at the launching Ceremony of USD 600 Million Notes under MTN Programme at BSE (IndiaINX) on 28th January 2021.

in check. During the FY, in order to optimize cost of resources, TMG has prepaid high-cost borrowings and deposits and replaced them with lower cost funds. TMG is actively engaged with Supranational entities in arranging foreign currency finance/ refinance at competitive pricing.

During the FY 21, your Bank has issued bonds to the tune of USD 600 Mio in January 2021, with overall fixed coupon of sub 2% (pricing of this bond) which was for the first time in India.

TMG also manages Investment book of Bank's foreign operations, which currently stands at ~ USD 5.8 Bn. These investments provide stable interest income for IBG and also help in maintenance of liquidity ratios. The department also monitors and provides guidance to dealing rooms at major centres, and facilitates Money Market, Forex and Derivative functions at FOs. Currently there are four major dealing rooms at London, New York, Hong Kong and Bahrain, that work on a hub and spoke model to help smaller Foreign Offices in their operations. During the year FY21, your bank has commenced trading in Rupee Non-Deliverable Forwards (NDF) through Hong Kong, Singapore and IFSC BU (Gandhinagar) and is looking forward to expand this activity to other centres as well.

4. Global Payments and Services

Global Payments & Services (GP&S), a unit under International Banking Group (IBG), comprises three branches/offices viz., Global Link Services (GLS), International Services Branch Mumbai (ISBM), and International Services Branch Ernakulam (ISBE). It facilitates online inward remittances from overseas locations to India, Foreign Currency Cheque collection, Opening & Maintenance of Vostro Accounts, Asian Clearing Union (ACU) transactions and transactions of Bank for Foreign Economic Affairs (BFEA), USSR . The highlights of the department are:

- Tie-up with 45 Exchange Companies and five Banks for channelizing inward rupee remittances from overseas to India.
- During FY21, GP&S on behalf of domestic branches, handled sizeable volumes of Export bills (in USD and Euro) and Foreign Currency Cheque collection.
- During the same period, GP&S handled online inward remittance transactions amounting to USD 9.04 billion, received from various global centers.
- 172 Vostro Accounts for different Correspondent Banks/ Exchange Companies/ SBI Foreign Offices are being currently maintained by the unit.

- GP&S is Pan India Nodal Office for handling ACU transactions for SBI.

5. Retail Strategy

Your Bank has been a “window to India” for NRIs residing in different parts of the world through its specialized retail and remittances products. The notable achievements for the year are:

- YONO SBI, one of the most ambitious and secure digital offering of the bank has now been extended to customers at our overseas offices. It has been successfully launched in UK, Mauritius, Maldives, Bangladesh, South Africa, Sri Lanka and Canada with non-face to face account opening facility operational in UK and Canada. We are planning to launch SBI YONO in Singapore, Bahrain, and USA by the end of FY22. More than 40,000 overseas customers have been onboarded through YONO.
- “Namaste UK” product of YONO SBI UK allows has been launched, that enables prospective Indian Expats to open an Account with SBI UK, even before landing in UK, from India itself. Similar product is also being launched in Canada, including Student GIC accounts for Indian students, who have enrolled in Canadian universities. We plan to launch a similar product at Singapore too in the coming months.

YONO Business

CCG, along with IT, has launched a digital offering, YONO Business for corporate customers which is designed to provide a best in class, user-friendly platform for transaction banking as well as Trade Finance business. Earlier, there were five customer interfaces viz. Corporate Internet Banking (CINB), Cash Management Product (CMP), e-Trade, e-Forex and Supply Chain Finance (SCF) which have been since re-imagined in a single platform named "YONO Business". Further, for onboarding of customers to digital platform, multiple documents and multi-visits to branches were required, which

was reduced to a single omnibus document with a single visit to the Branch. User Profile management was enhanced to do away with branch visits. To increase wallet share of Trade Finance business, complete digital request for Import LC issuance was launched. LC Amendment, request for closure and View and Manage Transactions, LC Bill Acceptance etc. are also part of the release. Export LC Advising and Unified Export Bill lodgment and Negotiation/ Discounting are being worked upon.

To increase income from Forex business, Forex rate booking including document upload facility for a digital journey

introduced. Customer also has an option to negotiate with the dealer above a predefined threshold. Waiver of physical submission of original/hard copies for certain type of forex booking will be released. e-Forex on mobile is being planned to be released. Digital journeys for Pre-approved Business Loans and request for services have also been rolled out.

API banking services will be released shortly to Corporates for a seamless payment journey. This will enable payments to be made directly from customer's ERP with adequate security including use of multi-factor authentication. We are also smoothening the funds transfer journeys for corporates to match global best in class experience.

The group continues to provide a robust platform to its customers for Trade Finance and Forex business. We are in the process of setting up two centralized processing cells (CPCs) to process all trade finance transactions of the Bank. These CPCs will increase efficiencies in a) Delivery – better TAT, information flow and customer satisfaction – b) Regulatory compliance and c) Housekeeping.

Digital Interface on Pricing and Knowledge (DIPAK) a new pricing tool has been made available to Operating functionaries and Sanctioning Committees to enable data - driven pricing of our Corporate Loans. This has been rolled out in all the branches in CCG.

B. Project Finance and Structuring SBU

Your Bank's Special Business Unit known as Project Finance and Structuring Strategic Business Unit (PF&S SBU) deals with the appraisal and arrangement of funds for large projects in infrastructure and other sectors such as Power, Roads, Ports, Railways, Airports, amongst others. It also covers other non-infrastructure projects in sectors viz. Metals, Fertilisers, Cements, Oil and Gas amongst others, with certain threshold on minimum Project

Cost. PF&S SBU also provides support to other verticals for vetting their large ticket term loan proposals. In order to strengthen the policy and regulatory framework for financing infrastructure, inputs are provided to various Ministries of Government of India and the RBI with respect to lenders views on new policies, Model Concession Agreements and broader issues being faced in infrastructure finance.

There has been step up in investment in Infrastructure sector by the government along with various sectoral reforms and incentives, which has resulted in inflow of new projects particularly in sectors such as City Gas Distribution, Road, Power Renewables among other sectors. Infrastructure sector is expected to experience a fillip with the enhanced Capex expenditure of ₹5.54 lakh crore along with Performance Linked Incentive (PLI) Scheme

for various sectors announced in the February 2021 budget, duly supplemented by introduction of National Infrastructure Pipeline (NIP) with an estimated investment of ₹140 lakh crore for supporting 7,700 infrastructure projects. Your Bank is closely monitoring all the projects under implementation and expect to tide over the impact of the COVID-19 pandemic in a short to medium term.

Marking a shift towards 'Originate to Distribute' business model, Structuring Team has been set up at PF&S SBU to provide customised structuring solutions for financing structure of projects while keeping the Return on Equity from the transaction a priority. Experienced officials have been recruited from different sector and industries to provide Structuring Solutions to our clients.

- In the backdrop of COVID-19, though it is anticipated to have a large spurt in NPA Level during FY 2020-2021, your Bank is taking all pre-emptive measures by extending assistance to its borrowers to face the new challenges and continue as performing assets. However, the current level of NPA has significantly come down due to the following:
 - RBI's 7th June 2019 circular on prudential framework for resolution of high value distressed assets has provided a new avenue for timebound resolution of these accounts (out of NCLT process). Your Bank is actively exploring resolution under this mode.
 - Insolvency and Bankruptcy Code (IBC) 2016 for resolution of Stressed assets has provided Bank with a time bound, transparent, and effective mechanism to tackle stressed assets. Resolution has been achieved in some of high value NPA accounts referred to NCLT under the Code. The cases referred to NCLT for resolution are monitored at a specialized NCLT cell at SARG. A total of 900 cases (whole bank) were referred to NCLT as on 31st March 2021, out of which 707 cases have been admitted. Furthermore, 112 cases have been resolved including some high value accounts from RBI's 1st & 2nd reference lists.
 - OTS/Compromise route is also explored for recovery of sticky loans from eligible cases. Bank's Board approved OTS Scheme for various products, non-discretionary and non-discriminatory, is also offered to all eligible borrowers for maximizing resolutions.
 - In non-NCLT cases, recovery is explored through action under SARFAESI Act, filing of suit in DRTs and Courts. The sale of mortgaged properties is explored through common e-Auction Platform <https://ibapi.in> ("e-Krya" - Indian Banks Auction Properties Information) under the aegis of IBA.
- Stressed Assets Resolution Group (SARG) for providing focus on resolution of NPAs with sector specific approach. At present, the vertical is headed by Managing Director, supported by Deputy Managing Director and three Chief General Managers overseeing the sector-wise portfolio and a CGM (Operations) monitoring the credit portfolio of accounts with an outstanding upto ₹50 Cr. and accounts under liquidation. The Account Management Teams functioning under the guidance of Six General Managers. As on March 2021, SARG has 17 Stressed Assets Management Branches (SAMBs) and 48 Stressed Assets Recovery Branches (SARBs) across the country, covering 49% and 88% of your Bank's NPAs and AUCA, respectively.

Industry wise distribution of the NPA portfolio (as on 31st March, 2021) is represented as under:

Industry wise NPA

4. Apart from normal recovery, a significant portion of the recovery at SARG comes from Compromise and NCLT. The vertical also introduces special OTS schemes (Non-discretionary and Non-discriminatory) from time to time. A team has been set up to look after the sale of Assets to Asset Reconstruction Companies (ARCs) on Cash and/or Security Receipts (SR) basis.

Mode Of Recovery - Whole Bank- FY21

5. Today, SARG stands as one of the most important verticals of your Bank and the GNPA of your Bank is on course of a downward journey. Resolution of stressed assets by SARG presents the following latent income generating avenues for your Bank:

- Cash recovery in NPAs and AUCA
- Reduction in loan loss provisions
- contribute to your Bank's bottom-line.
- Unlocking the capital for credit extension.

6. SARG introduced certain innovative methods and gave first mover advantage to your Bank in areas such as arranging Mega e-Auction of large number of properties on Pan-India basis. For this purpose, the Bank is also making extensive use of common landing platform for PSBs (<https://ibapi.in> "e-Krya" - Indian Banks Auction Properties Information).

7. Various new IT initiatives have been rolled out including LITMAS (Litigation Management System) for better monitoring of legal recourses undertaken in the stressed account for expediting recovery. Bank has also rolled out Property Portal to showcase the assets to prospective buyers with an intention to enhance marketing and better realization of value of available assets. It will further strengthen the transparency and efficiency in the process. Going forward, SARG is looking towards complete digitalization of the vertical, with end-to-end process automation, starting from Premigration of the account to Resolution of the account, through a menu driven dashboard solution encompassing all activities of SARG at one place, giving the desired output at the right time, resulting in enhanced productivity, efficient use of manpower and optimum results.

IV. Support and Control Operations

1. Human Resources and Training

A. Human Resources

Your Bank believes that its employees are at the core of its strategies to achieve all present and future organisational goals. The Human Resources Department of your Bank goes beyond the routine and encompasses all aspects of people management by building a positive work culture for realising your Bank's business goals. We believe that our Human Resources is our strength and will be pivotal in helping us face the new challenges on the fronts of knowledge, technology and changing trends in national and global economy.

Your Bank's Human Resource Department is making all efforts for effective designing and implementation of various HR policies, procedures, and programs for developing and managing knowledge, skills, creativity, aptitude, and talent and for using them optimally. The focus of HR has now moved to the strategic utilisation of employees and the measurable impact of employee's performance on business. The HR Management of your Bank continuously aligns its strategies with the ever-changing aspirations of the workforce to increase efficiency and promote participative work culture in the organisation.

The summarised HR Profile of the Bank as on 31st March, 2021 is as under:

Category	31.03.2020	31.03.2021
Officers	1,06,361	1,08,772
Associates	1,03,134	1,00,796
Subordinate staff & Others	39,953	36,084
Total	2,49,448	2,45,652

1. STEPS: Core Values of Bank

The core values of your Bank have been made into an integral part of our day-to-day professional life, by including 'STEPS' under annual performance appraisal system (CDS) to emphasise upon the importance of "Service, Transparency, Ethics, Politeness and Sustainability".

2. Productivity Enhancement Initiatives

- Your Bank adopts a Branch Manpower Model for Manpower Planning and to ensure optimal utilisation of Human Resources. The model is based on the productivity parameters at the branches such as 84 work-drivers of operations, transaction load factors, number of advance accounts, feedback from the operating units and organisational structure, amongst others.
- Bank has streamlined its promotion and transfer process, and these are now completed in the first Quarter of a Financial Year. This will give the required assurance and stability to the branches and other units to actively focus on business activities, during the major part of the year. This year majority of promotion interviews were conducted through video conferencing and despite the challenges posed by COVID-19 Pandemic, promotion exercise was concluded before 30th April, 2020, that is, within one month.
- Your Bank's Career Development System (CDS) under project "Saksham" has been highly successful in ensuring a credible data backed performance evaluation process. The system ensures strong accountability, performance visibility and greater alignment

between individual and organisational goals. CDS has brought in a fair and transparent system driven process for assessment of performance, which also helps in developing employees through a detailed annual competency mapping framework.

- For a Bank with a large footprint and diversified set of roles, specialised skills are very important to drive success. To

ensure deep domain knowledge and to foster expertise, your Bank has defined career paths for its officers in Scale-II to V as per 7 Job Families viz. Credit & Risk, Sales, Marketing and Operations, HR, Finance and Accounts, Treasury and Forex, IT and Analytics.

- "SBI GEMS" a mechanism to promote recognition and develop organization memory of such recognition is in place in your Bank.
- Your Bank has in place a policy on Succession Planning for the Senior Leadership positions to ensure smooth transition at all the critical executive level positions. Succession Planning exercise to all DMDs/CGMs/GMs critical profiles has been completed during FY2021. The key outcomes of Succession Planning are to follow up using the results in a consistent, open and transparent manner to prepare and update Development/Training Programmes and to take Staffing Decisions during posting, including the relative priority of the developmental assignments that benefit the officer and your Bank.
- Your Bank organised two webinars viz. 'Put Your Mind at Ease' during Oct-Nov'20, to help employees manage their stress and time in a better way. The two webinars were handled by a professionally qualified counsellor and were also addressed by the Chief Medical Officer (CMO) from Corporate Centre. Both the webinars had been taken positively by the employees and were actively participated by 1,183 and 764 employees, respectively.

3. Recruitment

- Your Bank is actively recruiting specialised talent on lateral/ contractual basis in the areas of Wealth Management, IT, Information Security, Risk, Credit, and Audit, among other fields in order to meet the demands of the fast-changing business landscape and also to meet the regulatory requirement.
- Your Bank is making extensive use of digital platforms in the recruitment process in order to reach out to a wider pool of candidates. Advertisements are published on LinkedIn, Naukari.com,

and iim.jobs, besides publishing our recruitment notification on Facebook and Instagram handles. Use of social and digital media in our recruitment process has enabled your Bank to reach out to larger pool of tech-savvy and aspiring candidates. Additionally, your Bank has also tied up with professional bodies such as ICAI in order to reach out to a good talent pool of candidates for specialist positions.

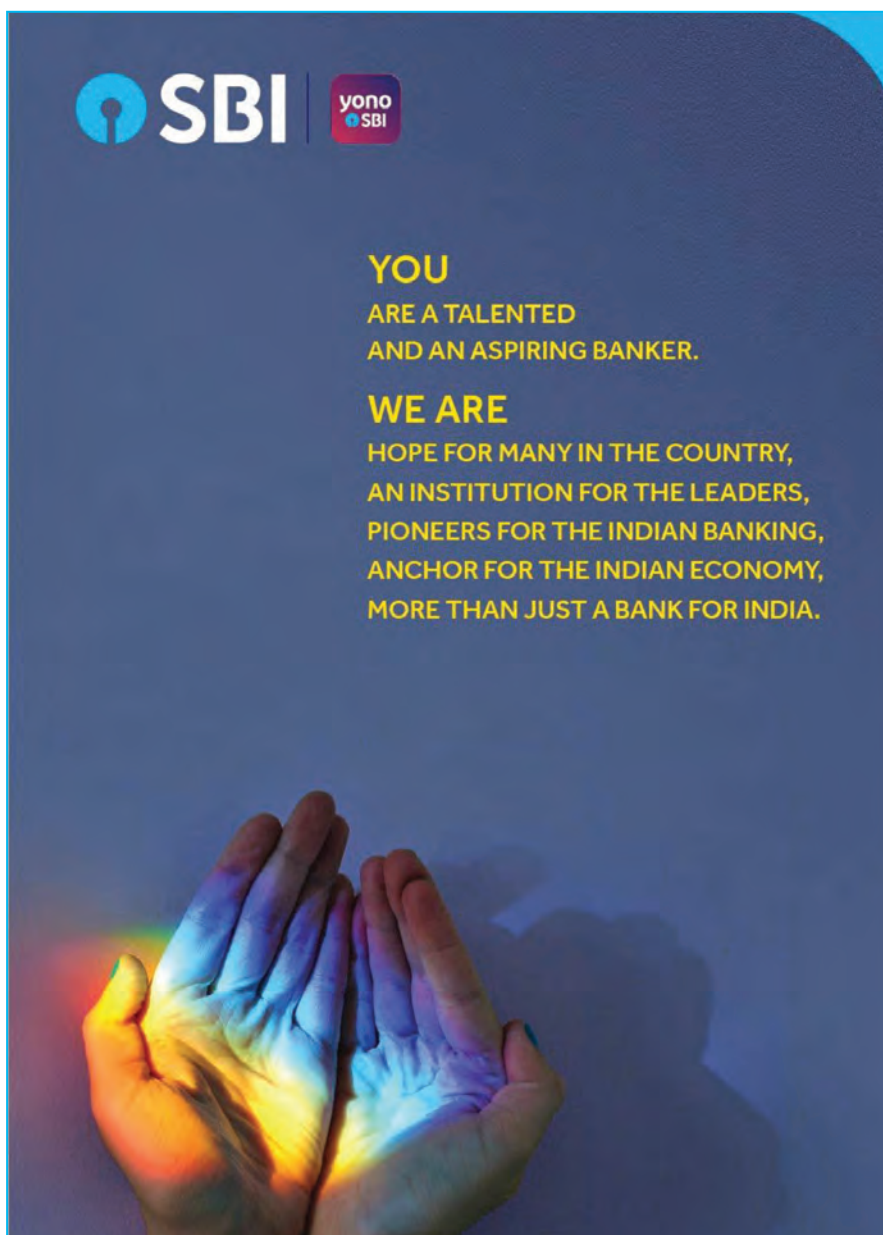

- As a measure to complete the recruitment process in a time bound manner your Bank utilised the IT platform and conducted the recruitment interviews through video conferencing following the social distancing protocols during the COVID-19 pandemic. This also reduced the long distance travelling through public transport for the interviews.

4. Gender Diversity

Gender Sensitivity and Inclusiveness have always been the cornerstones of your Bank's HR policy. Out of the total work force, the representation of women is over 25.92%. Furthermore, the women employees in your Bank are spread across all geographies and levels of hierarchy.

5. Reservations and Equal Opportunity

Your Bank meticulously follows the Government of India's directives on Reservation Policy for SC/ST/OBC/EWSs/PWD. Your Bank has representation of SC, ST, OBCs and differently abled persons among all the cadres of its workforce. Your Bank has implemented reservation applicable to "Economically Weaker Sections" in direct recruitment w.e.f. 1st February 2019 in terms of the GOI guidelines.

6. Industrial Relations and Staff Welfare

- Your Bank is having a harmonious relationship with the staff and officers' federations. Your Bank has been continuously emphasising on healthy work environment, mutual respect and empathy at work-place and a good work-life balance to foster a healthy and happy workforce.
- Your Bank took a number of transformative initiatives during the year in the area of Staff Welfare. These initiatives are crucial to ensure that your Bank remains in the forefront of banking in India and our employees are equipped to meet the challenges of tomorrow.
- Your Bank has introduced payment of fixed Ex-Gratia amount in lieu of compassionate appointment for ₹12-30 lakh in different grades, 12 months' salary and education financial support for the children in the age group of 3-21 years up to the graduation level for the bereaved family of the deceased employee w.e.f 1st April 2020.
- To provide more flexibility to the employees in acquiring assets or taking care of personal requirements, your Bank has enhanced the loan limits in line with market prices.

7. COVID-19 Pandemic

The entire world was impacted by the COVID-19 pandemic leading to unprecedented disruptions across all sections of life and your Bank was no exception. All the staff members rose valiantly to the challenge of keeping the banking operations running during this critical period. Your Bank took a number of proactive mitigating measures/initiatives for staff benefit, such as reimbursement of expenses incurred on COVID Tests and Treatment, special support of to all the employees found positive due to COVID-19, and sanction of Special Leave to employees on quarantine, to contain and reduce the spread of the virus among the staff members. In the initial phase, your Bank also provided monetary compensation to employees who were in the forefront of the operations. These measures ensured

that the employees remained motivated and equipped to handle the crisis well. Unfortunately, some of our members lost their lives while ensuring uninterrupted service to the customers. For support of the family members of such deceased employees, cash compensation was introduced.

The unprecedented challenge posed by the COVID-19 pandemic has also led us to reinforce the process of continuity of operations and seamless functioning in the Banking Industry. Towards this end, your Bank has tried to realign and rework the existing "Work from Home" Policy into a more comprehensive and robust "Work from Anywhere Policy". The Policy will provide more flexibility to our staff members to continue working from alternate locations including home in times of crisis or calamity, giving them freedom to attend to their domestic requirements in addition to performing official duties. This will ensure a stable work-life balance for our staff members and will also lead to less crowding at workplace, savings on overhead costs for the organisation without disruption in the banking activities.

8. Care for Retired Employees

- Your Bank has launched a new scheme named as "e-Pharmacy" for providing domiciliary facility under SBI Health Assist Group Mediclaim Policy for retirees. An arrangement has been made with Lifetime Wellness RX International Limited popularly known as M/S Apollo Life for providing pharmacy services to the members of annual payment plan through an App named "URWORLD".
- Your Bank has rolled out the facility for obtaining life certificates through "Video based identification" in MyHRMS app. It is a facility for contactless submission of life certificate without visiting the Branch by staff pensioners and can be submitted through MyHRMS app from any Android or iOS mobile at the convenience of pensioner. Auto Email/SMS is generated in all cases of approval/rejection. This facility is in addition to existing physical submission or digital submission through Jeevan Pramaan.

- Your Bank is introducing one-time nomination facility for pensioners. The nomination facility is in addition to existing nomination facility for account balances of pensioners. The facility shall facilitate settlement of pensionary dues due to stoppage of pension, non-submission of life certificate and subsequent demise, arrears on account of retrospective wage settlement under bipartite settlements, revisions on account court directives, and revision in dearness allowance, amongst others.

B. Strategic Training Unit

The extraordinary circumstances of FY2021 have been an ultimate test of leadership and forethought. Your Bank's response to these recent black swan events is an optimised and resilient training system that is strategically tuned into the long-term business goals.

During these times, we utilised pandemic engendered limitations to drive user ease through online learning, promote pull mode of learning, teach new skills, and broaden the knowledge horizons of our workforce. As a result, our initiatives garnered global recognition, significantly reduced training expense for your Bank and at the same time enabled consistent delivery of sophisticated and interesting learning experiences.

The innovative measures undertaken by our over 400+ strong team of in-house educators and banking experts at the 6 Apex Training Institutes (ATIs) and 51 Regional Institutes of L&D (SBILDs) are mentioned below:

Hitherto classroom training was the mainstay of training with judicious use of e-channels. However, to provide constant learning support despite impaired mobility, a robust virtual learning system, which is capable of connecting the manifold functionaries and providing a deep understanding of contemporary circumstances was the need of the hour.

1) Perfecting Agile Delivery Channels: For creating a resilient online training network your Bank undertook the following steps:

- To foster learner interest and ensure learning retention, a repertoire of “Blended Learning” strategies such as videos, pre-reads, case studies, quizzes, interactive and recorded webinars were brought into play.
- The Faculty was rigorously coached in delivering effective and engaging online interactions through external trainings and simulation courses.
- All stakeholders associated with imparting training were onboarded on a single virtual platform.
- An in-house, automated centralised training calendar management system was instituted.
- All this resulted in an enhanced interface between employees and faculty with nearly 51,000 webinars successfully conducted and 73% of staff having at least 1 live interaction with the Faculty and Subject Matter experts. On an average each employee attended around 11 webinars in FY2021.

2) Complete Remodelling of the content:

- For New Inductees: All induction programmes for Probationary Officers/ Trainee Officers and Award Staff (Junior Associates) have been executed virtually. Your Bank also spearheaded creation of a comprehensive common training program for newly recruited officers of all the Public Sector Banks. This was launched on 1st October, 2020 by the Hon'ble Finance Minister.
- For all employees up to the Senior Management level: As a part of mandatory learning, the following is being offered to the employees:
 - e-RBC:** In addition to RBI Mandated certifications in five domains, your Bank has created 45 niche Role-Based Certifications for around 2 lac employees (RBC acquired by 96% Officers and 98% Award Staff). During the year, all of these 45

Fundamental reset in training of Public Sector Bank officers
Finance Minister launches Uniform Training Programme for Induction and Mid-Level Training, including a module on Preventive Vigilance, for Officers of Public Sector Banks

certifications have been completely migrated to the e-platform by creating a digital repository of pre-reads, video tutorials, and interactive webinars followed by an online assessment.

- e-Lessons:** 5 for digital skill building and 5 for Compliance have been crafted for promoting compliant and sound business practices suited to the new paradigms. 95% eligible employees completed these 10 gamified e-lesson.

iii. For Top Executives:

a. Online Assessment Centre (OAC):

We have initiated assessment of leadership competencies based on an Online Assessment Centre. Individual Development Plans charting areas of strength and development will be provided to each participant. Additionally, several MOOC platform offerings have been shortlisted based on competency needs.

b. Immersive Credit Skilling: To make a positive difference in the economic scenario requires adroit handling of credit portfolio while resolving off-beat situations. Accordingly, all business leaders of DGM rank have been imparted intensive training in solution oriented credit decision making.

Accordingly, all business leaders of DGM rank have been imparted intensive training in solution oriented credit decision making.

3) Industry Connect: Awareness of contemporary issues is essential to effectively negotiate the prevalent changes and disruption. Accordingly, the following knowledge rich resources were harnessed:

i. Industry Associations: Collaborative programmes were rolled out with prestigious organisations such as ICAI, FEDAI and CARE to sensitise the workforce and keep them abreast of the current situation.

ii. **MOU:** Your Bank inked an MOU with a global front-runner for strategic collaboration in Executive Education.

Your Bank has also entered several MOUs under its "University Connect" for collaborative training of students.

4) Redefining the Scope of Training:

i. 'Samunnati' a Participative Coaching intervention for Branches: To enable the Branches to become more goal-driven and competitive, a radical coaching intervention based on 'Action Research model' has been rolled out. Action Research involves participation of the unit undergoing transformation. It is a dynamic approach, which interlinks elements such as problem identification, planning, action, and impact assessment. Under "Samunnati", faculty members of Regional L&D institutes adopted one branch each across pan-India to extend guidance

ii. 'SBI Wizards' Fostering Positivity: An online quiz event "SBI Wizards" was rolled out in FY2021. The Quiz was the first of its kind initiative hosted on a large scale and was structured as a hybrid event (part self-paced, part online, and part physical). In line with the positivity theme, the participant group was widened to include one family member of the employee.

SBI Wizard: Final Event and Information Mailers

iii. **Fostering Positivity and Emotional wellbeing:** To engender a positive approach, several initiatives such as podcasts "SBICB-On-Air", webinars on "staying fit" and "building mental resilience", contemplative exercises like "Samya - A time to ponder", virtual power talks by luminaries and programmes on inclusive workplaces like "Samya-leave no one behind" were undertaken by your Bank.

iv. **Building Inclusiveness:** 11 exclusively designed collaborative webinars for 596 PwD employees ensured that the employees remained engaged with your Bank even during exemption from attending office during the pandemic.

v. **Online Peer Learning tools:** Social Learning received a fillip with more than 60,000 employees participating in the online "Case Study Discussion Board" built around sharing of individual views and experiences on real-life case studies. The daily online quizzing portal "My Quest Today" was also accessed by more than 90,000 employees to test their knowledge levels. The urgent real-time operational knowledge need has been addressed by enhancing features and knowledge bank of search engine askSBI - 92% of Branches have utilised it.

vi. **Stepping Up as Strategic Influencers:**

a. Anweshan: Having a diverse and multi-generational workforce translates into innovative work practices emanating from every corner of the country. During FY2021, we launched "Anweshan", which is an e-publication for disseminating these best practices for improved business outcomes across your Bank.

b. **Partnered Research:** To rapidly translate the ongoing changes in the financial eco-space into competitive advantage, the Research Wings at ATIs partnered with Business Units for 51 relevant and practical studies.

c. **Post-Doctoral Research Fellows:** For establishing our pedigree in leadership training, our PDRFS were leveraged as academic emissaries to establish our unique credentials into applied leadership training. They also networked to connect to global clientele and International thought leaders.

5) **Expanding our Footprints:**

Leveraging our capability in conducting Virtual Trainings, we were keen to test the mettle of our in-house offerings and optimally utilise our training resources in the external arena. Accordingly, the following initiatives were undertaken:

i. **Launch of Webpage:** STU webpage was launched on the Bank website to facilitate exploration/nomination

for our online courses and contains comprehensive details of all the digital and other initiatives offered by us in the learning space as also the feasible modes of delivery.

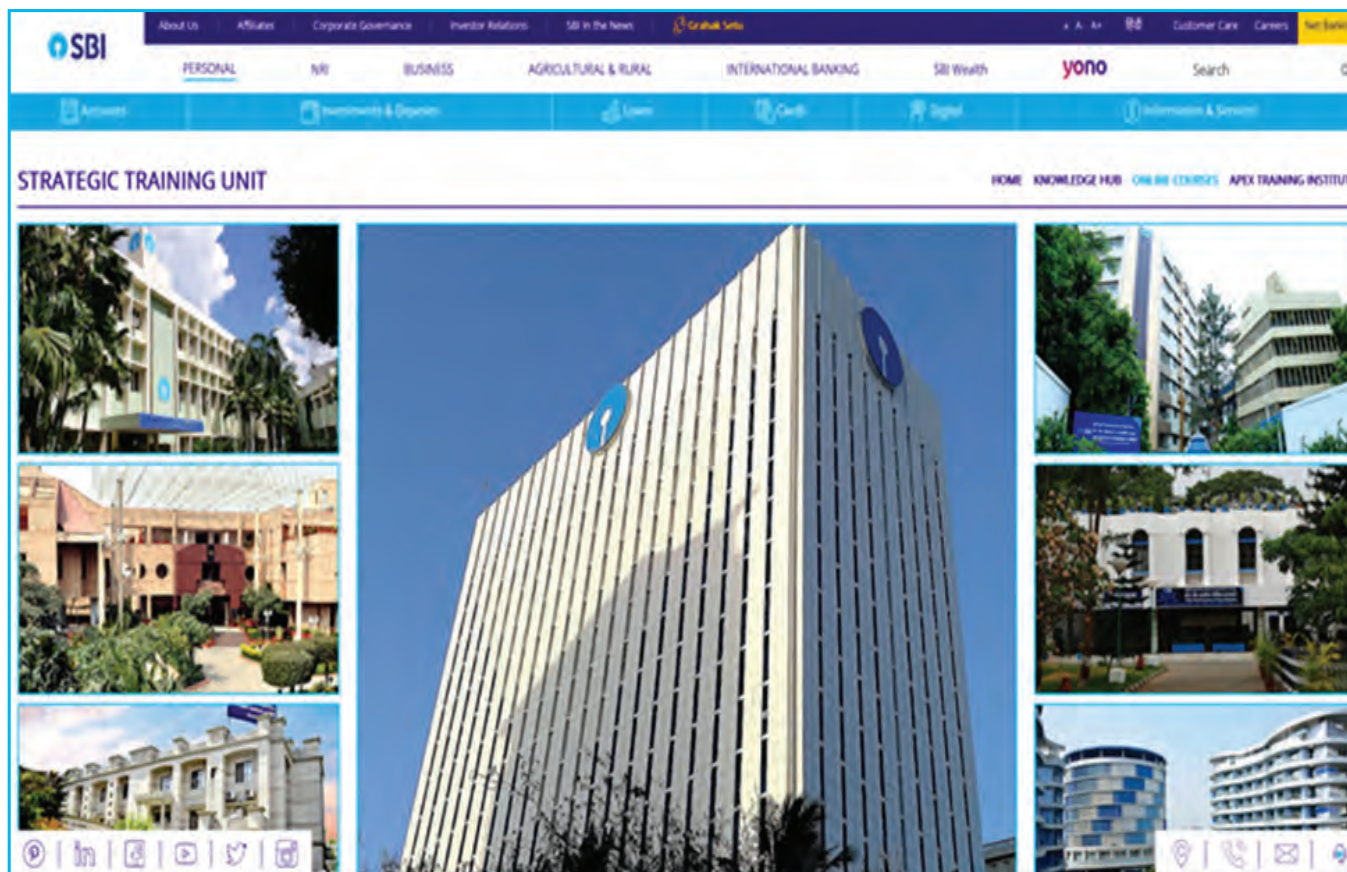

ii. **MOOCs on edX:** Your Bank is the first Corporate organisation in India and second financial institution in the world (after World Bank) to host in-house MOOCs on edX. So far, thirteen MOOCs have been launched and have received enthusiastic market response.

iii. **e-Panel Discussions:** During the year, more than 30 online discussions were organised in the presence of eminent academicians and industry experts to provide a platform for sharing best practices that are relevant to the current economic scenario.

6) **Sustainability at Core:** With the understanding that the greatest threat our planet faces is the belief that someone else will save it, all our ATIs & SBILDs have pro-actively

and intensively internalized eco-effective practices like- captive Sewage Treatment Plants (STPs) with recyclers, vermi-composting for recycling bio-degradable wastes, usage of solar panels/ Solar Plants to reduce conventional-source power consumption, rain water harvesting, and ensuring all our premises (ATI & SBILDS) are "Plastic Free Zones" with ban of single-use plastic. Most of our ATIs have been rated either Platinum or Gold by Indian Green Building Council and are also ISO 9001:2015 certified.

7) **Awards:** Your Bank has won five prestigious Brandon Hall Excellence awards 2020 for "Best Use of Blended Learning", "Best Learning Program supporting a change Transformation Business Strategy", "Best unique or innovative Learning & Development Program", "Best Advance in Technology for Crisis Management" for e-RBCs and "Best Advance in Social Learning Technology" for e-Gyanshala.

2. Information Technology

A. Network Infrastructure Improvement

To deal with the COVID-19 pandemic crisis, your Bank had taken several initiatives during the year to ensure smooth processes.

Your Bank arranged 600 connections of 4G connectivity for mobile van ATMs to ensure the ease of cash withdrawal during peak pandemic period.

Your Bank has ensured proper network connectivity during the two major cyclones viz. Amphan in Kolkata (in May 2020) and Nisarg in Mumbai and Maharashtra circles (in June 2020) and made sure that none of the digital channels suffer and our customers in the affected area may undertake their digital journeys, as effortlessly as before.

Your Bank is relentlessly working on improving the network experience and minimise branch isolations. Several unreliable and high-latency network links have been replaced with low-latency wired and terrestrial wireless links.

Your Bank, in its endeavour to better manage its network operations is in the process of establishing two advanced AI/ML and Analytics based Network Operating Centres (NOC-1 and NOC-2).

B. Work from Anywhere (WFA)

Your Bank swiftly deployed Virtual Private Network (VPN) to empower the operational staff across India to Work From Anywhere (WFA) and ensure "Business-As-Usual". Despite the lockdown, annual closing exercise was conducted without any glitches. WFA has been accepted as a new norm in your Bank. Many administrative and operational activities in domestic and foreign office/branches are being carried out remotely through WFA facilities.

C. YONO

YONO, the most ambitious, path-breaking, and secure digital offering of your Bank, launched in November 2017, has grown significantly in terms of volume, which shows its acceptance amongst users.

6. Yono Business

Your Bank's yonoBUSINESS offering for MSMEs, Corporate and Government customers is designed to focus on three pillars of the digital transformation:

- One Bank One Platform, building an omni-channel digital platform integrating CMP, Corporate INB, e-Trade, e-Forex and Supply Chain Finance under Single Sign On
- Digital bank offering seamless end-to-end digitised customer journeys
- New Age Banking to future proof the technology priorities such as API banking

The three pillars are built on strong foundational capabilities across ways of working (cross-functional garage construct), modern technology architecture and skills (Agile, product management) to sustain the transformation. It digitally serves multifarious Banking interface requirements of all types of non-individual entities; right from a small proprietorship/MSME to large multinational corporates to Central and State Governments.

Amongst other facilities and features for non-individual customers, it provides:

- Simplified and intuitive onboarding journey for new to Digital customers
- Existing legacy document process has been replaced with new omnibus document eliminating multiple visits to Branches. Digital onboarding for walk in customer through YONO Business Branch interface
- Additional Product offering for existing customers
- Corporate user management as end to end digital journey to Corporate Administrator for user management ensuring security and convenience
- Intuitive Dashboard made available to Corporates with features such as Consolidated real time account positions of A&L, Fund flow position, alerts and notifications like LC due date, and instalments due date, amongst others
- Re-imagined import LC journey and Forex rate booking in less than 15-20 minutes without the requirement to visit the branch

“You Only Need One” yonoBUSINESS is the umbrella under which your Bank’s corporate digital transformations take shape. It is different not only in terms of what it promises to deliver – in scale, scope and the use of technology such as API banking but also how it aims to deliver it – through adoption of an agile approach in cross-functional development squads to foster speed in innovation.

One of the largest digital transformation initiatives undertaken by any bank for their corporate customers, yonoBUSINESS spans across all corporate streams/ departments - from Account Opening, Payments to Trade and Advances. Working on the end-to-end digitisation yonoBUSINESS aims to redefine the way the bank and its customers approach to corporate banking.

E. Mobile Banking

- b) In RLMS, Pension Loan, Personal Gold Loan, Xpress Credit and Smart Home Top-Up Loan products were launched PAN India during the year.
- c) Development and CUG roll out of Home Loan journey was also done in RLMS during FY2021.
- d) RLMS is also being integrated with YONO and CRM for processing applications that are sourced through these channels. Besides, development and CUG roll out of DDE functionality for Xpress Credit loans has also been undertaken. Furthermore, your Bank has also focused on the development of RTXC loan journey including DDE functionality and launch of CUG.
- e) With the proposed rollout of remaining products during FY2022 in RLMS, your Bank expects increased efficiency and user experience, improvement in TAT and growth in your Bank's business.

4. Customer Service

Your Bank has put in place a robust online Complaint Management System (CMS), where customers can lodge their complaints / feedback / suggestions online through our website www.sbi.co.in. In addition to this, your Bank's Contact Centres operate 24*7*365 in different geographical areas, servicing its customers in Hindi, English and 10 major regional languages. For improving the quality of resolution of customer grievances, it has established Circle Complaints Resolution Centres (CCRC) in all Circles. The CCRC will free the Branches from complaint handling and ensure better utilisation of time for better customer service and business development. Your Bank has also established Circle Call Centres with its own staff for handling any issue beyond the purview of our regular Contact Centres, so as to ensure a better customer experience. The CCRCs have handled 7.91 lakh cases during the current financial year. Similarly, CCCs have handled a total cases of 1.72 lakh during FY2021. Your Bank has conducted a campaign 'Grahak Santrupthi' during the period Aug'20 - Oct'20 for reduction in complaints in three categories Transfer of Accounts, Deceased Account settlements and Staff Misbehavior Complaints, which resulted in reduction of 73%, 64% and 44% respectively. Proper and timely resolution of customer grievances

is our high focus area. We are conducting Root Cause Analysis of major areas of complaints and are utilising the findings for product and process improvement. Country wide E-Town hall meetings were conducted in 464 centres to collect feedback from the customers regarding your Bank's products and processes. A total of 12,201 customers participated in the meetings.

With structural transformation to digital banking, your Bank is in the process of leveraging the CRM Tool to use analytics and artificial intelligence. Your Bank believes that these digital tools and technology can completely transform the customer experience in the days to come. Furthermore, it has introduced 5 Registered Mobile Number based services from Contact Centre, which have helped the clientele in these testing times. Additionally, your Bank is in the process of revamping the Contact Centre operations with state-of-the-art technology and to harness untapped potential.

Even during these difficult times of the COVID-19 pandemic, Your Bank has conducted virtual customer meets for seeking customer feedback for improvement in customer experience. It has also conducted programmes to sensitise the Branches for providing good Customer Service. With the launch of the Doorstep Banking, the customers can avail ten doorstep services such as Account statement, Cash withdrawal facility, Life Certificate submission etc. Pensioners can avail this facility for submitting the Life Certificate without visiting the Branches. Virtual Pensioners meets were also conducted to inform the Senior Citizens on the benefits and the ways in which they can avail of the Doorstep Banking Services. Your Bank has introduced the concept of Floor Managers in over 2,400 branches for enhanced customer experience.

H. Financial Inclusion and Government Schemes (FI&GS)

To enhance customer convenience and customer delight, following new facilities were introduced during the FY2020-21:

- Multi Device Login: Implementation of KO (Kiosk Operator) family concept with KO family consisting of a KO and maximum of 5 sub-KOs. Through this service, the Customer Service Point (CSP) is able to offer

the services through multiple nodes simultaneously, within. This will enable the CSP to provide service through more than one device (maximum Six) using a single CSP code, replicating a branch set up.

- EMV enablement on MATM: Micro ATMs (MATMs) in the BC channel have been made ready for acceptance of EMV chip cards, which helps in reducing the risk associated with magnetic stripe cards.
- Passbook Printing for FI & non-FI customers: Passbook of all the customers can be updated at the CSP outlet through bar code validation. Passbook printing at CSP location has helped in decluttering of the branches.
- Voice prompt: Voice Prompt while performing transactions at CSP outlets rolled out in Hindi, English, Tamil and Telugu. It acts as a risk mitigant for illiterate/semi-literate customers as they can hear the details of the transactions being performed in their account.

I. Trade Finance

Your Bank caters to e2e Trade Finance requirements of our customers – both Inland & Cross Border.

Eximbills Enterprise (EE): EE is the centralised technology platform facilitating Trade Finance transactions. The Web based application uses latest technology and has STP capabilities with various systems enabling bank to meet market requirements. It has a seamless real-time

3. Risk Management

A. Risk Management Overview

Risk Management at your Bank includes risk identification, risk assessment, risk measurement and risk mitigation with its main objective being to minimise negative impact on profitability and capital.

Your Bank is exposed to various risks that are an inherent part of any banking business. The major risks are credit risk, market risk, liquidity risk, and operational risk, which also includes IT risk.

Your Bank is committed towards creating an environment of increased risk awareness at all levels. It also aims at constantly upgrading controls and security measures, including cyber security measures, to ensure avoidance or mitigation of various risks. Your Bank has policies and procedures in place to measure, assess, monitor, and manage risks systematically across all its portfolios.

An independent Risk Governance Structure, in line with international best practices, was put in place, in the context of separation of duties and ensuring independence of Risk Measurement, Monitoring and Control functions. This framework visualises empowerment of Business Units at the operating level, with technology being the key driver, enabling identification and management of risk at the place of origination. The various risks across your Bank and the SBI Group are monitored and reviewed through the Executive Level Committees and the Risk Management Committee of the Board (RMCB), which meets regularly. The Risk Management Committees at operational unit and business unit level are also in place.

1. Credit Risk Mitigation Measures

Your Bank has put in place strong credit appraisal and risk management frameworks for identification, measurement, monitoring and control of the risks in credit exposures. The industrial environment is scanned, researched, and analysed in a structured manner by a dedicated team for deciding its Outlook and growth appetite for 39 identified industries/sectors, which constitute close to 70% of your Bank's total advances (excluding Retail and Agri). Risks

in these sectors are monitored continuously and wherever warranted, the industries concerned are reviewed immediately. Impact of the COVID-19 pandemic on your Bank's portfolio is tracked very closely. Your Bank identified corporates that may require additional assistance very early in Q1 of FY2021, which facilitated quick remedial measures. In addition to this, various analyses were undertaken to proactively identify probable stressed portfolios and necessary remedial measures were taken in time. Similarly, impact of the pandemic on multiple industries such as NBFC, Construction, Textiles, Ports, Shipping, and Hotel was carried out. Exposure to sensitive/stressed sectors such as Real Estate/Telecom are reviewed at half-yearly intervals. Sectors such as NBFC, Power, Telecom, Textiles, which are going through a challenging phase, are watched continuously and analysis of new developments are shared with the business groups to enable them to take informed credit decisions. Furthermore, knowledge sharing sessions are conducted for the benefit of the operating staff at various levels. Additionally, monthly dashboard covering top 15 industries is provided to business units detailing the developments in this important Industries / Sectors in these sectors to keep them updated on the latest information/developments.

As of FY2020, credit rating thresholds were based on the outlook of the industry/sector. As the Probability of Default (PD) for industries may not be same, your Bank has decided to shift to a framework for arriving credit rating threshold, based on both the PD and Outlook of the respective industry/sector w.e.f. 1st April, 2020.

Your Bank uses various internal Credit Risk Assessment Models and scorecards for assessing borrower-wise credit risk. Models for internal credit ratings of the borrowers were developed in-house. They are reviewed through cycles of comprehensive validation and back testing frameworks including external validation and review. Your Bank also has in place 'Dynamic Review of Internal Rating' framework, which facilitates early identification of stress and triggers the appropriate mitigation mechanisms.

Your Bank has adopted an IT platform for credit appraisal processes through a Loan Origination Software/Loan Lifecycle

Management system (LOS/LLMS). Models developed by your Bank are hosted on these platforms, which are interfaced with CIBIL and RBI defaulters' lists.

Your Bank has a framework for Risk Adjusted Return on Capital (RAROC) and the Customer level RAROC calculation has also been digitised. Furthermore, behavioural models for monitoring and scoring retail borrower performance have been developed and hosted on Credit Risk Data Mart.

Your Bank conducts Stress Tests every half-year on its Credit portfolio. Stress Scenarios are regularly updated in line with RBI guidelines, industry best practices and changes in macro-economic variables.

Your Bank undertakes specific analytical studies to identify trends in movement of NPAs, quarterly review of loan sanction in order to keep track of quality of asset portfolio on regular basis.

Your bank has been tracking the credit portfolio in view of the current Pandemic. Bank performed customised stress testing of all portfolios including Corporate, Retail – Personal segment, SME & Ag portfolios, at periodic intervals during 2020-21 to identify stress built up. Bank has also identified borrowers well in advance to take appropriate mitigation measures. These measures facilitated smooth implementation of various support measures for the stressed sectors.

RBI has allowed your Bank to participate in the parallel run process for Foundation Internal Ratings Based (FIRB) under the Advanced Approaches for Credit Risk. The data under parallel run of FIRB is being submitted to RBI. Models for estimation of Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD) are hosted in Credit Risk Data mart for computation of IRB capital.

2. Market Risk Mitigation Measures

Your Bank's market risk management consists of identification and measurement of risks, control measures, monitoring, and reporting systems. Market risk is managed through a well-defined Board approved Investment Policy, Trading Policy and Market Risk Management Policy and Market Risk Limit Policy that caps risk in different

trading desks or various securities through trading risk limits/triggers for effective and judicious management of investment funds. These risk measures include position limits, gap limits, tenor restrictions, sensitivity limits, namely, PV01, Modified Duration, Value-at-Risk (VaR) Limit, Stop Loss Trigger Level, NOOP, Forex Daylight Limit, LMAT, UMAT and Options Greeks are monitored on end-of-day basis.

Value at Risk (VaR) is a tool used for monitoring risk in the Bank's trading portfolio. Enterprise level VaR of your Bank is calculated daily and back tested daily. The Stressed VAR for market risk is also computed daily. This is supplemented by a Board approved stress testing policy and framework that simulates various market risk scenarios to measure stress losses and initiate remedial measures.

The market risk capital charge of your Bank is computed using the Standardised Measurement Method (SMM) applying the regulatory factors.

Bank undertakes Risk adjusted performance analysis of its domestic and overseas portfolios. It also analyses the credit rating migration of non SLR bonds as a tool for decision making.

3. Operational Risk Mitigation Measures

Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people, and systems or from external events. Key elements of your Bank's Operational Risk Management, among others, include timely Incident reporting, ongoing review of Systems and Controls, enhancing risk awareness through Risk & Control Self-Assessment (RCSA), Theme based RCSA, monitoring of Key Risk Indicators (KRIs) and aligning Risk Management activities with Business Strategy.

Your Bank has a detailed Business Continuity Plan (BCP) in place for ensuring continuity of operations at the Branches and Offices during disruptions. BCP enabled us to ensure minimum business disruption during the natural disasters which occurred during the year such as the cyclones in the eastern coast and the disruption caused by the COVID-19 pandemic.

For FY2021, your Bank has allocated capital for Operational Risk as per the RBI

requirements under the Basic Indicator Approach (BIA).

Your Bank observes Risk Awareness Day on 1st September annually to improve its risk culture. As part of sensitisation, Risk Awareness Day pledge was administered, and an online Quiz contest was conducted for the Bank employees. Furthermore, risk awareness is also being embedded through the training system at all levels. In addition to this, training sessions for CFOs of the Circle and DGM (Risk) of Business Units for mitigation of Operational Risk at all Branches/ CPCs/Business Units are being organised regularly.

4. Enterprise Risk Mitigation Measures

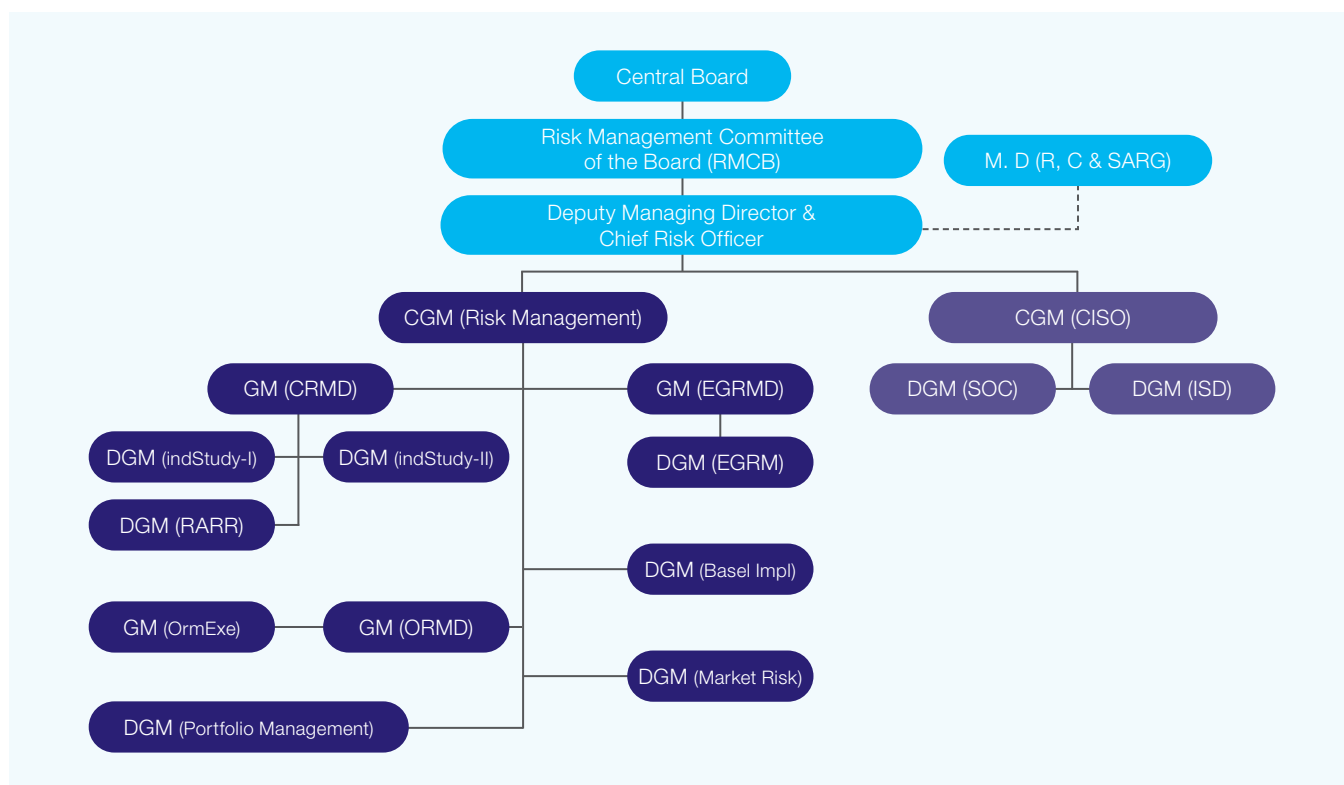

Enterprise Risk Management aims to put in place a comprehensive framework to manage and align risk with strategy at the whole Bank level. It encompasses global best practices such as establishing a Risk Appetite Framework, Risk Culture Assessment framework, Material Risk Assessment, amongst others.

As part of your Bank's vision to transform the role of Risk into a Strategic function, a Board approved Enterprise Risk Management (ERM) Policy is in place.

The Risk Appetite Framework incorporates limits for major risks with monitoring parameters. In order to promote a strong risk culture in your Bank, a Risk Culture Assessment Framework is being operationalised in a phased manner. As part of Material Risk Assessment Framework, a quarterly analysis of risk-based parameters for Credit Risk, Market Risk, Operational Risk and Liquidity Risk, amongst others, is presented to the Enterprise and Group Risk Management Committee (EGRMC)/ Risk Management Committee of the Board (RMCB).

Your Bank conducts a comprehensive Internal Capital Adequacy Assessment Process (ICAAP) exercise on a yearly basis with respect to adequacy of Capital under normal and stressed conditions at Solo and Group level. The document includes an assessment of identified risks at Bank level and at Group level, internal controls and mitigation measures, and capital assessment.

In the ICAAP, besides the Pillar 1 risks, such as Credit Risk, Market Risk and Operational Risk, Pillar 2 Risks, such as Liquidity Risk, Interest Rate Risk in Banking Book (IRRBB), Concentration Risk and others are also assessed, and capital is provided where required. New and emerging risks are identified and discussed in the ICAAP.

5. Group Risk Mitigation Measures

Group Risk Management aims to put in place standardised risk management processes in Group entities. Policies relating to Group Risk Management, Group Liquidity and Contingency Funding Plan (CFP), maintaining Arm's Length and requirements for Intra Group Transactions and Exposures are in place. Additionally, monitoring of the consolidated Prudential Exposures and Group Risk components is being done regularly.

All Group entities where SBI has 20% or more stake and management control, including non-banking entities, carry out the ICAAP exercise and a Group ICAAP Policy is in place to ensure uniformity.

6. Basel Implementation

The RBI Guidelines on Basel III Capital Regulations have been implemented, and your Bank is adequately capitalised as per current requirements, including maintaining the required level of Capital Conservation Buffer (CCB). Your Bank is identified as D-SIB by the Regulator and

is accordingly required to keep additional Common Equity Tier 1 (CET1) of 0.60% of RWAs from 1st April, 2019.

B. Internal Control

Internal Audit (IA) in Your Bank is an independent activity and has sufficient standing and authority within your Bank. The IA Department, headed by a Deputy Managing Director, works under the guidance and supervision of the Audit Committee of the Board. Your Bank's IA function works in close co-ordination with the Risk Management and Compliance Departments to evaluate effectiveness of controls, assess compliance with controls and adherence to internal processes and procedures. The IA function undertakes a comprehensive risk-based audit of the operating units of your Bank, in line with regulatory guidelines relating to Risk Based Supervision.

Keeping pace with rapid digitalisation in your Bank, the IA function has initiated technological interventions for providing enhanced efficiency and effectiveness through system driven and analytics-based audits.

Some key initiatives include the following:

- Web-based, online Risk Focused Internal Audit (RFIA) for assessing compliance with controls at a granular level
- Analytics-based, continuous assessment of compliable controls through remote evaluation of huge data
- System-driven, analytics based off-site monitoring of transactions
- Concurrent Audit of business units to ensure contemporaneous scrutiny of compliances
- Early review of sanctions to assess quality of loans of ₹1 crore and above
- Online self-audit by branches for self-assessment by branches and vetting by controllers

As part of RFIA, IA Department conducts various audits, viz. Credit Audit, Information Systems Audit, Cyber Security Audit, Home Office Audit (audit of foreign offices), Concurrent Audit, FEMA Audit, Audit of Outsourced Activities of your Bank, Expenditure Audit and Compliance Audit.

Your Bank has created a new wing at IAD to strengthen the overview of the audit of its aggregate risk assessment processes.

In addition to this, it undertakes Management Audit of business verticals to assess their strategic effectiveness and Thematic audits as per the directions of the Audit Committee or the regulators.

Branch Audit

IA Department undertakes critical review of the operations of auditee units through RFIA, an adjunct to Risk Based Supervision, as per RBI directives. The domestic branches are broadly segregated into four groups (Group I, Special I, II and III) based on business profile and advances exposures. Your Bank has initiated a system driven process for identification of branches for audit, whereby, analytical algorithms are deployed to identify units displaying significantly different behavioural patterns. This enables your Bank to step in with a prioritised audit to identify the causative factors at these outlier branches and flag the underlying problem areas for early intervention.

During FY2021, the IA Department has completed RFIA of 12,359 units of Domestic Branches & Central Processing Centres (CPCs). Further, Evidence Based Compliance Testing (EBCT) was completed in 3,388 branches identified under Trigger Based Audit (TBA).

Credit Audit

Credit Audit is an integral part of Risk Based Internal Audit system, aimed at identification of inherent business risk (credit risk), evaluation of effectiveness of control systems for monitoring the inherent risks (control risk) and may also suggest the remedial measures for controlling the credit risk underlying the high value loan portfolios.

Bank has put in place Risk Focused Credit Audit (RFCA), an effective tool for periodic evaluation of quality of the credit portfolio and to bring about qualitative improvement in credit administration, maintaining the integrity of credit rating process, portfolio quality, through critically examining individual large commercial loans with exposures of above ₹20 crore annually.

Early Review of Sanction

A review of all eligible sanction proposals with total credit exposure of above ₹1 crore is carried out under 'Early Review of Sanctions'(ERS). ERS captures the critical risks in sanctioned proposals at an early stage and appraises the Business Units of such risks for mitigation thereof. ERS facilitates in improving the quality of sourcing, pre-sanction and sanction processes. ERS activity has been recently Centralised and under this initiative the services of in-house officers/Chartered Accountants are being taken in place of retired officials for Review of Loan Proposals. This is for the purpose of better control and monitoring and also to build a professional team for Loan Review under ERS. The entire ERS process is system driven and done through the Loan Lifecycle Management Solution.

FEMA Audit

The branches that are authorised to deal (Authorised Dealers) in Foreign currency transaction, including Trade Finance Centralised Processing Cells-TFCPC are subjected to FEMA audit. All branches in CAG/CCG/TFCPCs and "A" & "B" category branches not linked to TFCPCs are audited once in a year. Around 20% of branches linked to TFCPC are also audited along with the linked TFCPC depending on the risk perception/volume of Forex operations of the linked branches. During FY2021, 479 such branches/units are subject to FEMA audit.

Information System and Cyber Security Audit

Your Bank's branches are subjected to Information System audits ("IS Audits") to assess the IT-related risks as part of RFIA of the branch(es). IS Audit of centralised IT establishments is also carried out by a team of qualified officials, which includes IS auditors appointed through lateral recruitment. During FY2021, IS Audits of 84 centralised IT establishments were completed. In addition to this, a cyber-security audit of your Bank is also executed annually, as per the Cybersecurity Policy of your Bank. Also, ISA takes care of audit of IT-outsourced activities.

Foreign Offices Audit

Foreign Offices are subjected to Home Office Audit in addition to Internal Audit conducted locally at the respective centres under the oversight of Internal Audit Department. Home Office Audit due at 17 Foreign Offices and Management Audit due at 1 Representative Office and 1 Subsidiary during FY2021, is deferred to FY2022 due to restrictions imposed on account of COVID-19 pandemic. However, these offices were subjected to internal audit as per approved periodicity.

Concurrent Audit System (CAS)

Concurrent Audit System in your Bank covers advances and other risk exposures as prescribed by the regulatory authority. In order to further strengthen the CAS, all Extremely High Risk/Very High Risk/High Risk Branches, categorised as per the risk matrix prescribed by RBI are covered under CAS. Additionally, Concurrent Auditors are placed at all Credit Central Processing Cells to identify shortcomings in underwriting at a very early stage of the client relationship. Your Bank has engaged Chartered Accountant Firms in addition to the retired experienced bank officers and regular officers for audits.

Off-site Transaction Monitoring System (OTMS)

For the purpose of monitoring the transactions offsite, scenario-based alerts are generated and flagged to the business units for corrective actions. Presently, there are 54 types of scenarios embedded in the system against which the transactions are scrubbed at regular periods, wherein inconsistent transactions are flagged by the system for affirmation of the related compliances. The scenarios are periodically reviewed and enlarged, depending upon the need and certain triggers.

Legal Audit

Legal Audit in your Bank covers scrutiny of the loan and security related documents of loans amounting to ₹5 crore and above. The legal audit is a control function, carried out through a panel of advocates in addition to the scrutiny by the in-house team of internal auditors, to ensure that there are no shortcomings in the documents or creation of security in favour of your Bank. During FY2020-21, legal audit was carried out for 13,535 accounts.

Audit of Outsourced Activities (Non-IT)

Your Bank recognises the need of service providers engaged by your Bank to be as compliant with the legal and regulatory requirements as your Bank itself. Therefore, the Audit of Outsourced activities is conducted at regular intervals to gain a reasonable assurance that adequate systems and procedures are in place to mitigate legal, financial and reputational risks that may arise on account of the outsourced activities.

Audit of outsourced activities in your Bank covers audits of vendors (Non – IT) engaged in providing ATM services, Corporate Business Correspondents (BC), Individual BCs and CSPs, Recovery and Resolution agents, Cash Management Services, Cheque Book Printing, Collateral Management, Marketing of Loan proposals, Registrar and Transfer Agents, Document Archival Centre, and Cash Efficiency Project amongst others.

During FY2020-21, your Bank has completed audit of 30,384 CSPs out of 60,776 CSPs engaged under financial inclusion plan. In respect of other outsourced activities audit of 738 vendors as planned was completed.

RFIA of Corporate Centre departments

This Department was created to audit and assess the aggregate risk and maintain oversight of risk residing at the macro level. The risk assessment covers inherent risks, control risks, residual risks and gaps in Governance and oversight. It also assesses the degree of compliance to regulatory and statutory requirements". Thus, providing a fair and reasonable assurance to the Senior Management and Board, on the direction and trend of aggregate risk in your Bank.

Management Audit

Management Audit covers identified Corporate Centre establishments/Circle's Local Head Office/Regional Rural Banks sponsored by your Bank. The Strategy, Processes and Risk Management at auditee units are covered under the audit.

C. Compliance Risk Management

Your Bank gives utmost priority to meeting Regulatory and Statutory compliances. Towards this, we have completely revamped our compliance architecture to ensure a sharper focus for tracking areas

giving rise to compliance risks and for taking quick remedial steps.

A deep-rooted compliance culture is crucial for the Bank to manage its compliance risk effectively and this is being strengthened through various forms of communication and interactions across the organization.

To forestall any compliance risk, all products, process, policies are vetted from the Regulatory perspective before they are operationalized. A Compliance Risk Management Committee, comprising of Senior Executives from business verticals and support functions, maintains oversight on all compliance related issues. The committee meets regularly and extends necessary guidance to all the internal stakeholders for ensuring Regulatory compliance.

Compliance testing of RBI's regulations and remediation of gaps, if any, is regularly carried out. The testing universe is being expanded to ensure that the control mechanisms are in place to comply with all the regulatory requirements.

D. KYC / AML-CFT MEASURES:

Bank has a Board approved KYC Policy, in line with the extant RBI Master Direction. The Policy incorporates Bank's approach to KYC, AML and CFT issues. Bank has taken steps to implement provisions of Prevention of Money-Laundering Act, 2002 and the Prevention of Money-Laundering (Maintenance of Records) Rules, 2005, as amended from time to time.

The policy contains Banks framework for Customer Acceptance, Risk Management, Customer Identification and Monitoring of Transactions. Bank has put in place a robust system containing a combination of manual and system enabled methodology to ensure KYC compliance. No account is opened, in anonymous or fictitious/benami name or where the Branch/Business unit is unable to apply appropriate CDD measures. Bank does not open accounts for transacting in or settling transactions of virtual currencies. However, while implementing the policy, Bank takes care that it does not result in denial of banking services to those who are financially or socially disadvantaged.

To facilitate contactless customer onboarding, Video Customer Identification Procedure (V- CIP) has been rolled

out nationally. Using this process, new customers can open fully functional accounts without visiting any Branch.

AML CFT Deptt of the Bank takes care of ongoing due diligence through transaction monitoring. Bank follows a risk-based approach wherein Customers are categorized as low, medium and high risk, based on the assessment and risk perception. Bank takes care of filing of obligatory reports to Financial Intelligence Unit-India (FIU-IND). Suitable reports are also filed on priority in cases of accounts, suspected of having terrorist links.

Several initiatives are put in place to bring greater awareness amongst the staff. Ongoing employee training programmes are conducted by the Bank so that the members of staff are adequately trained in AML/CFT policy. AML-CFT Day is being observed on 2nd November every year wherein pledge is taken on that day at all branches/processing centers and Administrative Offices. Similarly, 1st August is observed as KYC Compliance and Fraud Prevention Day.

E. Insurance

Your Bank is procuring insurance policies, covering your Bank's assets and other risks. Insurance coverage includes cash and valuables, Properties of the Bank, Fraudulent transactions under Debit Card/Electronic banking, and Cyber Risk, amongst others.

5. Marketing and Communications

The Marketing and Communications (M&C) Department is responsible for your Bank's initiatives towards branding, product marketing and corporate communications. With the objective of optimizing its efforts in promoting the products and services by adopting contemporary marketing approach and to give impetus to the digital

initiatives and connect with the youth, the M&C Department endeavors to develop and implement integrated marketing strategies to address business challenges of different divisions of your Bank including Indian and overseas operations. This department comprises of domain skilled professionals and specialists drawn from various relevant fields - media, marketing communications, digital marketing, advertising, and public relations.

During the year of Pandemic, even though the branches and ATM's were functioning uninterrupted, the focus of your Bank's M&C team was to promote SBI's digital initiatives and the efforts of employees during the times of COVID-19. For this, your Bank undertook initiatives to increase the download of SBI's digital banking channels like YONO, SBI BHIM Pay, INB, etc. and get customers to use them more and more. We also undertook digital initiatives like #GharseBanking, #Khushiyonkaswagat, etc. along with several other campaigns for customer awareness about our digital products and services which could be availed sitting at home during the time of Lock Down.

The Department has further strengthened its process on integrating marketing efforts across all Business Units and has set up a suitable process for initiating any marketing campaign. The M&C team launched

major marketing campaigns for products such as Home Loans, Personal Loans, Current Account, NRI Services, and Digital Products. The Department also initiated an integrated approach to drive consideration for the range of retail loan products. Different media channels such as print, social media, ATMs, etc. were used for all these campaigns. The Department also promoted several of its sustainability initiatives and CSR through various forms of media.

Going forward, along with the other marketing initiatives, your Bank plans to further promote its various digital initiatives along with its flagship product YONO. The thrust of the department is to constantly redefine and reinvent all its marketing initiatives to stay relevant and act as a change catalyst for State Bank of India to position itself as one of the most vibrant and trusted brands.

6. Vigilance Mechanism

1. There are three aspects to the vigilance function- Preventive, Punitive and Participative. Based on past experiences/incidences, system/process improvements are being under taken continuously by leveraging technology and guidelines of the Bank are being streamlined as a preventive vigilance measure.

Wealth Hub Mysuru Inauguration by the Chairman

2. During this year Vigilance Awareness Week was observed from 27th October 2020 to 2nd November 2020, with the theme "Satark Bharat, Samriddh Bharat (Vigilant India, Prosperous India). As a part of observance of Vigilance Awareness Week, "Integrity Pledge" has been administered to all staff members. All channels of Bank such as SBI Times, ATMs, CDMs, Internet Banking, Facebook, Twitter, Instagram, LinkedIn are used to create awareness among employees and public on the theme of Vigilance Awareness Week (VAW). During the VAW, we held a conference of CVC with the Top Management of the Bank. The Commission was presented with the elaborate Preventive Vigilance measures taken by the Bank. Commission appreciated various measures taken by the Bank. During this period, while strictly adhering to extant Covid-19 guidelines, actions relating to internal house keeping were taken up in campaign mode. A "Vigilance Bulletin" was published incorporating case studies and other important guidelines to provide awareness amongst employees.
3. During the financial year under review, the following measures were initiated in order to improve the effectiveness of vigilance administration and timely disposal of disciplinary cases.
 - i. DFS has appointed 6 Additional Chief Vigilance Officers (ACVOs) on deputation basis, in the Bank, to strengthen Vigilance Administration and to support CVO. Out of 6 ACVOs, 4 are posted at 4 Zones (North, South, East and West) and 2 at Corporate Centre to handle cases of Corporate banking (CAG, CCG, IBG & SARG) and Subsidiaries and RRBs. The roles and responsibilities of these ACVO are finalised and required infrastructure is created for them. With appointment of ACVOs for Subsidiaries & RRBs, the vigilance administration of RRBs & Subsidiaries is brought under direct supervision of CVO.
 - ii. In order to put in place a mechanism to monitor the progress of staff accountability examination in respect of large value frauds of ₹50 crores and above, a Committee namely "ABBFF Review Committee" under

chairmanship of MD (CB & GM) has been constituted. This Committee will review the progress of all cases being referred to ABBFF at bi-monthly intervals. The reviewed status report is being shared with all stakeholders to initiate prompt action, as desired at their end, so that the timelines prescribed by ABBFF can be met.

- iii. To take holistic view in the disciplinary cases and to ensure uniform decisions and speedy disposal, centralized DAs have been created and 5 DAs (4 Hubs, 1 at CCG) have been posted / designated.
4. Vigilance Department has conducted 193 preventive vigilance programmes and trained 3735 officers. Suo-motu investigations have been conducted in 768 branches to ensure preventive measures are made effective.
5. During the financial year 2020-2021, a total of 1,716 cases (including 908 new cases) were taken up for examination, out of which 1045 cases have since been closed.

7. Asset and Liability Management

Efficient Management of Assets and Liabilities (ALM) is vital for sustainable and qualitative growth of Banks. ALM aims to strengthen Balance Sheet by pro-actively reviewing the market dynamics, capturing the signals emanating therefrom and assessing the regulatory requirements to ensure value creation.

As part of sound Risk Management practices, your Bank has been constantly reviewing its Internal Policies on 'Deposits', 'Asset and Liability Management', 'Stress Test on Liquidity and Interest Rate Risks', 'Contingency Funding Plan' and adapting changes in the market conditions. Bank has been carrying out Reverse Stress Test to take care of the eventual risk that may crop up as a worst-case scenario.

Studies are conducted at regular intervals to assess the behavioral pattern of customers (embedded options available to customers) in order to give proper treatment to the non-contractual items of assets and liabilities while assessing liquidity position. Behavioral analysis is being carried out at half-yearly intervals to ensure accurate

positioning of outflows/inflows, in liquidity and interest rate sensitivity statements, that arise due to off-balance sheet exposures, impact of probable loan losses etc. The prevailing assumptions relating to non-contractual items of assets and liabilities are periodically reviewed and updated based on the outcomes of the latest studies.

The stock of High-Quality Liquid Assets (HQLA) and cash outflows are effectively monitored on a daily basis under dynamic market environment to ensure maintenance of LCR as prescribed by the Regulator as well as Bank's ALM Policy benchmarks.

Your Bank has proactively implemented the NSFR guidelines of RBI measuring the long-term resilience of the Bank in terms of liquidity, which is coming into force effective from 1st October 2021.

Your Bank identifies the inherent risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures from both a short-term and long-term perspective. For this purpose, impact on Earnings at Risk (EaR) and Market Value of Equity (MVE) is assessed with pre-defined tolerance limits which enables the Management to initiate appropriate preventive steps in a likely scenario of erosion in NII / Net Worth.

In order to encourage branches to garner stable funds and assess their profitability based on cost of funds, a matched maturity-based Funds Transfer Pricing was implemented by your Bank.

The Asset Liability Management Committee (ALCO) of your Bank monitors and manages Liquidity and Interest Rate Risks by constantly modulating the asset-liability mix in the Balance Sheet. ALCO, inter alia, reviews the Interest Rate scenarios, pattern of growth of liability products, credit growth, competitive advantages, liquidity management, adherence to the regulatory prescriptions and pricing of liabilities and assets from time to time.

Your Bank has been in the forefront of monetary policy transmission, having achieved adequate level of transmission through its lending rates and has taken additional steps to expedite the transmission process by reducing its MCLR reset frequency from 1 year to 6 months for eligible floating rate advances. The Bank

had also transmitted the Repo rate cuts during the year in entirety through its EBLR.

With automation of Regulatory Reports/Returns pertaining to ALM, your Bank is better positioned in monitoring and compliance in respect of Liquidity and Interest Rate Risk Management.

8. Ethics and Business Conduct

Your Bank established the Ethics & Business Conduct Vertical in the year 2017. The moot idea behind the decision was to further strengthen and integrate ethics in the operational fabric of the Bank in a more overt and structured manner. A flagship initiative in the entire Indian Banking and Public Sector landscape, it was yet another reiteration of your Bank's strong commitment to uphold the highest standards of integrity and conduct. What started from a scratch, has over the period of time shaped into a robust, comprehensive and an effective organisational ethics framework. Ever since inception, the Ethics and Business Conduct vertical of your Bank has been carrying out a host of initiatives and programs. A quick glance of the major ethical initiatives so far, the formulation of the Vision, Mission & Values Statements of your Bank, in sync with the employee expectations and the changing times, articulated the basic guiding principles, both at an individual and institutional level. The core Values of the Bank were the foundations on which the Bank's Code of Ethics was ideated and designed. Today, pivoted around its Values and the Code, the entire ethical program of your Bank is optimally primed to permeate and percolate exalted behavioural norms across all levels.

While the ethics program is mostly tech driven, to further leverage the digital, major initiatives like development and operationalisation of Ethics Website, Business Conduct and Discipline Management Online Processing Portal & Dashboard and GARIMA, an online portal for lodging sexual harassment related complaints, were taken and concluded in the recent times. Various policies that can have an influence on the employee ethical behaviour like Gift & Entertainment, Social Media etc have also been constantly reviewed, updated and circulated in the Bank.

Release of Policy Guidelines by the Chairman

Your Bank's commitment towards nurturing an inclusive, secure and a high trust workplace for its women employees is driven by the Garima (POSH) framework. Towards this end, many activities that cover the entire process cycle- education, escalation and empowerment- on matters relating to gender-sensitivity and sexual harassment have been undertaken. In the area of consequence management, workflows have been reviewed, streamlined and where required, redesigned to ensure a fairer, faster and a more efficient Discipline Management structure. This has ensured that the ethical transgressions are adequately dealt with promptly and in a transparent manner, which is one of the key requirements of fostering an ethical culture in an organisation.

The FY 2020-21, for the major part, was marked by disruptions caused by the Pandemic. However, the operational resilience built in the preceding years, by constant integration of the digital platforms in all work spheres, ensured that the entire gamut of activities of the Ethics & Business Conduct vertical continued unaffected and uninterrupted, just like the pre-covid times. On the contrary, the scope and span of it further expanded. In addition to the one existing, three new daily email broadcast series were started. These were based upon developing leadership traits, employee well-being and practising ethics beyond the workplace. Similarly, in addition to the one existing, a new weekly blog series was ideated. Viewing the major corporate

failures from the moral lens, it was a brief commentary as to what went wrong from an ethical perspective. The abridged version of the Bank's Code, The Code of Ethics in Brief, was prepared for circulation amongst the new entrants during onboarding. A comprehensive online certification module on the Code, the successful completion of which is digitally certified, was also designed and hosted on the intranet.

In the area of Discipline Management, your Bank has completed the operationalization of centralized Disciplinary Authority (DA) structure for Officers up to SMGS-V. The framework is serving well its intended purpose of bringing in uniformity of approach in handling the disciplinary matters across the spectrum. Last but not the least, even amidst the disruptions, your Bank reached out to the newly selected Probationary Officers, newly promoted JMGS-I and the officials working in the consequence management setup through a series of webinars on Ethics, GARIMA-POSH and Discipline Management touch basing close to 3000 officials. In addition, customised workshops on ethics for the various internal verticals were also conducted.

The journey to perfection is lengthy and a patient trudge. Your Bank, that has already come a long way, looks forward to continuing with the same zeal and enthusiasm on its goal to attain ethical excellence, a perquisite to enhanced brand equity and continued success.

SBI FOUNDATION

SBI Foundation was established by State Bank of India in 2015 as a Section VIII company under Companies Act (2013) to undertake the CSR activities of SBI and its subsidiaries in a planned and focused manner.

Your Bank through the SBI Foundation is presently working on various projects & initiatives to build momentum for transforming India by creating an inclusive development paradigm that serves all Indians without any discrimination based on region, language, caste, creed, religion amongst others. For FY2021, the total CSR spend on initiatives through SBI Foundation was ₹47.92 crore.

1. FLAGSHIP PROGRAMS

Your Bank supports four flagship programs, which are implemented by SBI Foundation and are mentioned hereunder:

A. SBI Youth for India Fellowship (YFI):

SBI Youth for India fellowship is a 12-month fellowship program to provide a framework for India's bright young minds to join hands with rural communities, empathise with their struggles and connect with their aspirations. The selected fellows, from some of the top institutes/corporates, work with 12 partner NGOs on challenging development projects. The initiative provides avenues for the youth to become aware of the ground realities and presents them with an opportunity to contribute through their efforts towards building strong cohesive communities. YFI has an alumni base of 352 passionate change makers, approximately 70% of Alumni are associated with the development sector after the fellowship. At present, the 8th Cohort with 100 fellows are deployed in rural geographies to undertake impactful projects.

B. SBI Gram Seva Program

"SBI Gram Seva" is a flagship program of SBI Foundation, which aims for holistic and sustainable rural development. Launched

in August 2017, SBI Gram Seva has been quietly transforming adopted villages through integrated development approach, strategically including all major areas of rural development. The objectives of the program are:

- Digitalisation of villages
- Promotion of quality education for rural students
- Improvement of primary health services
- Improvement in accessibility to safe drinking water and sanitation
- Promote sustainable livelihood practices and improving farmers' income
- Empowerment of rural Women and Youth Engagement
- Environment protection
- Improvement of rural infrastructure for improved access to basic services
- Improvement in coverage of benefits and schemes of the Government
- Capacity building for participatory rural development

In the first phase, SBI Gram Seva was implemented in 50 villages in partnership with Grassroots NGO partners from Assam, Bihar, Jharkhand, Maharashtra, Uttar Pradesh and Uttarakhand. Over the last three years, the program has been able to make a commendable impact in the villages, besides bringing community participation into the fore.

On 2nd October 2020, the second phase of the program was launched by adopting 25 new villages in 5 States-Meghalaya, Mizoram, Nagaland, Telangana and Karnataka. The program has so far impacted 16,396 families and 74,785 beneficiaries across 11 states.

C. Centre of Excellence for Persons with Disabilities (CoE)

The Centre of Excellence (CoE) primarily works on empowering PwDs through skill enhancement to make significant and measurable improvement that enables individuals to enjoy a more productive and satisfying life by optimising their cognitive, physical, social and vocational functioning. The CoE has conducted 77 online training programmes for 3,678 employees with disabilities from 9 public sector banks during FY 2020-21. The CoE also conducted 11 online sensitisation and awareness programs on disability for Human Resources (HR) Heads and middle level HR managers of 7 public sector banks, NGO partners and SBI YFI Fellows.

Other programs funded by the Bank through SBI Foundation for promoting inclusion and empowerment of PwDs are:

- SBI and Microsoft Employment Initiative for Persons with Disabilities (S.A.M.E.I.P.) – An initiative undertaken in collaboration with Microsoft India to enable career pathways for 500 underserved youth with disabilities in the digitally transformed BFSI sector in

India by setting up five centres in five cities viz. Mumbai, Delhi, Bangalore, Chennai & Kolkata. The programme is being driven in collaboration with various government and industry skilling bodies and partner non-profit organisations to build a sustainable and scalable programme for the inclusion of people with disabilities in the BFSI space.

- **Inclusive Education Program** – An initiative to support 200 CwSN (children with special needs) in Vijayapura District of Karnataka to access comprehensive interventions of education and rehabilitation in model and community schools.
- **Education Program for Children with Disabilities** – An initiative to provide education, therapy and vocational skill development to 50 children with disabilities and to set up a vocational centre to provide a means of earning a livelihood and thereby empowering young adults with intellectual disabilities.
- **Shravan Shakti**: An initiative to integrate children between age group of 0-5 years with a congenital hearing loss into the mainstream by supporting the cochlear implant surgeries of 50 children in Kolkata and 17 children in Delhi NCR, which is helping them to lead a productive life. All 67 children have been operated upon so far.
- **Braille Smart Class**: An initiative to provide inclusive education by use of an independent, inclusive and accessible teaching mechanism in the form of Braille self-learning devices for Children with Visual Impairment on a pilot basis in Mumbai.

D. Healthcare Flagship Program

As a response to the COVID-19 pandemic in India and with a view to supplement the efforts of Government, your Bank through the SBI Foundation launched a new flagship programme on healthcare and undertook both short-term and mid/long-term relief initiatives to combat the COVID-19 pandemic in India.

I. COVID-19 Relief Initiatives

Amidst the COVID-19 pandemic, the country encountered an acute shortage of ventilators, other health equipment and personal protective equipment (PPE) kits

for use by healthcare professionals and the police force. SBI Foundation procured 335 ventilators, which were distributed with help from SBI Circles across the country to government hospitals that are on the frontline in the war against COVID-19. Apart from ventilators, 3,650 other health equipment were procured, which included thermal scanners, self-check kiosks, IR thermometers, pulse oximeters, ECG machines, NST machine, 2D echo machine, fumigator, fogging machines, multipara monitors, nebulisers, radiometer, oxygen concentrator, HFMC machines, IV stands, cardio monitors, BiPap machines, stretcher cabins, recovery trolley and air conditioners for distribution to government hospitals. 74,767 PPE kits were also distributed to healthcare professionals and the police force across the country.

Due to the state enforced lockdown to prevent the spread of COVID-19 in India, migrants, domestic help workers and daily wage earners were significantly impacted. 6,85,665 freshly cooked meals and dry ration kits were distributed amongst the vulnerable communities to help them sustain during the lockdown.

As part of our intervention to combat COVID-19, your Bank through the SBI Foundation funded two research and development projects through Indian Institute of Science (IISc) to design a mobile molecular diagnostic and testing lab, which was handed over to the Government of Karnataka to shorten turnaround time and scale-up COVID-19 testing and to design an electro-mechanical ventilator design with locally available components.

Your Bank through the SBI Foundation also supported an initiative to train and mentor 327,954 healthcare providers across various states in India who are serving communities and populations most at risk from COVID-19 through dissemination of best practices for prevention and treatment of the coronavirus by adopting the ECHO model. 10 hubs were established with State National Health Missions of Assam, Gujarat, Maharashtra (with PHI Nagpur), Punjab, Rajasthan, Tamil Nadu, Uttar Pradesh (with SGPGIMS), Karnataka, Chhattisgarh, and Kerala. Furthermore, 10 STOs from 10 key states were identified under the project.

II. India Health Alliance, an initiative by SBI Foundation

Your Bank through SBI Foundation launched the India Health Alliance (IHA), a collaborative healthcare programme to support the Government of India in its efforts to combat current and future healthcare challenges in the country. The prime focus of IHA is on combating the COVID-19 healthcare pandemic in India, providing comprehensive primary healthcare and optimum nutrition to the vulnerable population, promoting innovative finance, as well as promoting innovations and cutting-edge technologies that can overall strengthen health systems of the country. Your Bank through the SBI Foundation undertook mid/long-term COVID-19 Relief Initiatives in partnership with varied implementation partners:

- **Community Based Testing** – An initiative to reach out to vulnerable populations by rolling out a community-based testing initiative for COVID-19 in an urban slum locality in Mumbai, India. The purpose of this initiative is early identification of COVID-19 through intensive community surveillance, quick testing (between 9,000 - 14,000 COVID-19 tests) through a diagnostic centre established for easy access and immediate treatment.
- **Tele-Care for the Vulnerable** – An initiative to reach out to vulnerable communities in urban slums of Indore, Madhya Pradesh for providing person-centred primary care, counselling and emotional support & support in accessing the social entitlements; schemes. The project will be implemented in two hyper-localised vulnerable clusters in Indore covering a population of 50,000 in each cluster and having 1,00,000 direct beneficiaries.
- **Comprehensive COVID-19 Care to Strengthen Existing Efforts in Public Health System** – deployed 2 indigenously developed innovative technologies/solutions – COEO Labs (AI and sensor-based secretion management product) and Turtle Shell Technologies Dozee (India's first contactless vital monitoring device) at public health care organisations including PHCs, hospitals, and quarantine centres in worst affected cities viz. Mumbai, Delhi, Chennai, Lucknow, Guntur, Vizag, and Rajamundry. The technologies were supported through

our partnership with Centre for Cellular and Molecular Platforms (C-CAMP), an initiative supported by Department of Biotechnology, Ministry of Science, Technology and Earth Sciences, Government of India.

III. Projects in partnership with Implementing Agencies

To contribute towards improving the health scenario in India, your Bank has also extended its support to various CSR projects through SBI Foundation to provide access to quality healthcare to all. Some of the key projects are mentioned hereunder:

- **Swasth Mahila, Swasth Goa** – An initiative to provide a technology intervention in the form of iBreast devices, training and capacity building support to the Government of Goa to screen 1,00,000 women for breast cancer in the State over a period of 2 years.
- **The School Initiative for Mental Health Advocacy** – An initiative to support schools in Mumbai, India through the pandemic by conducting capacity building webinars for teachers, counsellors and leaders and providing online consultation to schools; and to develop systems and pathways for whole-school mental health services for schools in India.
- **Project Jagruti** – An initiative to reach out to remote villages and tribal hamlets in Murbad Tehsil, Thane district for providing basic healthcare services and creating awareness on healthcare with the populations who have limited or no access to any healthcare facilities.
- **Sanjeevani: Clinic on Wheels (Sikkim & Telangana)** – An initiative to operate two mobile medical units to reach 20 rural villages each in Namchi block, Sikkim and in Gadwal district, Telangana.

Apart from the flagship programs and the COVID-19 Relief Response, your Bank through SBI Foundation has supported the following CSR initiatives in varied thematic areas:

2. EDUCATION

Education is one of the most important tools to bring about a socio-economic transformation within society. However, not all sections of the society have equal

REGIONAL RURAL BANKS (RRBs)

With two-third of our country's population living in rural areas, it presents a huge yet under tapped opportunity for the Indian Banking Sector. Our large network of sponsored Regional Rural Banks (RRBs) is well placed, to play a larger role and have a great potential to address this scenario. Regional Rural Banks have a distinct competitive advantage, due to their large account base and decades of trust-earning service tradition, resulting in close proximity to the rural customers.

- The State Bank has sponsored 14 Regional Rural Banks operating at

regional levels in 14 different States. These RRBs have a combined branch strength of 4,726 spread across 216 Districts as on 31st March 2021.

- State Bank of India holds 35% stake in each of them as on 31.03.2021 with Government of India holding 50% and the respective State Governments holding the remaining 15% stake.
- The Sponsored RRBs of SBI are on CBS platform and offer banking services on par with any other commercial Banks operating in the country. The Banks have adopted the best practices and are well placed to handle the ever-evolving demands of customers, particularly in Rural and Semi-urban space, through their customer centric approach.

streams and maintaining control on operating costs.

- The combined Gross Non- Performing Assets ratio of the RRBs has declined to 5.44% in current Financial year as against 5.96% as on 31st March 2020 due to focused approach for reduction of NPA. The Net NPA stands at 2.16% as against 2.56% as on 31st March 2020.
- Business per employee during the FY improved to ₹10.09 cr as on 31st March 2021 as against ₹8.43 cr in the previous FY.

Major Developments in FY 2020-21:

The year under review witnessed several significant events, some of which are listed below:

- In November 2019, in line with a Government of India decision to amalgamate 3 RRBs operating in the state of Uttar Pradesh, "Purvanchal Bank" sponsored by SBI was amalgamated with Baroda U.P. Bank under the sponsorship of Bank of Baroda w.e.f. 01.04.2020.
- The 14 RRBs with 4,726 Branch network, are expected to work more efficiently in the upcoming years, thanks to the introduction of Asset Management Hubs (AMHs) - a Centralised Credit Processing system.
- In order to counter the competition from new age Banks in the geography and to have a digital presence, our 2 large RRBs i.e. Andhra Pradesh Grameena Vikas Bank and Telangana Grameena Bank have launched Mobile App for Digital account opening with Video KYC facility. This facility is being implemented in all 14 RRBs sponsored by SBI.

The Bank exited from its RRBs as per details given below: -

CORPORATE GOVERNANCE

THE BANK'S PHILOSOPHY ON CODE OF GOVERNANCE

State Bank of India is committed to the best practices in the area of Corporate Governance, in letter and spirit. The Bank believes that good Corporate Governance is much more than complying with legal and regulatory requirements. Good governance facilitates effective management and control of business, enables the Bank to maintain a high level of business ethics and to optimise the value for all its stakeholders. The objectives can be summarised as:

- To protect and enhance shareholder value.
- To protect the interest of all other stakeholders such as customers, employees and society at large.
- To ensure transparency and integrity in communication and to make available full, accurate and clear information to all concerned.
- To ensure accountability for performance and customer service and to achieve excellence at all levels.
- To provide corporate leadership of highest standard for others to emulate.

The Bank is Committed to:

- Ensuring that the Bank's Board of Directors meets regularly, provides effective leadership and insights in business and functional matters and monitors Bank's performance.
- Establishing a framework of strategic control and continuously reviewing its efficacy.
- Establishing clearly documented and transparent management processes for policy development, implementation and review, decision-making, monitoring, control and reporting.
- Providing free access to the Board to all relevant information, advices and resources as are necessary to enable it to carry out its role effectively.

- Ensuring that the Chairman has the responsibility for all aspects of executive management and is accountable to the Board for the ultimate performance of the Bank and implementation of the policies laid down by the Board. The role of the Chairman and the Board of Directors are also guided by the SBI Act, 1955 with all relevant amendments.
- Ensuring that a senior executive is made responsible in respect of compliance issues with all applicable statutes, regulations and other procedures, policies as laid down by the GOI/RBI and other regulators and the Board, and reports deviations, if any.

The Bank has complied with the provisions of Corporate Governance as per SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and LODR Amendments Regulations, 2018 with the Stock Exchanges except where the provisions of these regulations are not in conformity with SBI Act and SBI General Regulations, 1955 and the directives issued by RBI/GOI. A report on the implementation of these provisions of Corporate Governance in the Bank is furnished below:

Central Board: Role and Composition

State Bank of India was formed in 1955 by an Act of the Parliament, i.e., The State Bank of India Act, 1955 (Act). A Central Board of Directors was constituted according to the Act.

The Bank's Central Board draws its powers from and carries out its functions in compliance with the provisions of SBI Act & Regulations 1955. Its major roles include, among others,

- Overseeing the risk profile of the Bank;
- Monitoring the integrity of its business and control mechanisms;
- Ensuring expert management, and

- Maximizing the interests of its stakeholders.

The Central Board is headed by the Chairman, appointed under section 19(a) of SBI Act; four Managing Directors are also appointed members of the Board under section 19(b) of SBI Act. The Chairman and Managing Directors are Whole Time Directors. As on 31st March 2021, there were eight other Directors on the Board who are eminent professionals representing Technology, Accountancy, Finance, Economics and Academics. The composition of the Central Board, as on 31st March 2021, is as under:

- Chairman appointed by the Central Government in consultation with the RBI u/s 19(a)
- four Managing Directors, appointed by the Central Government in consultation with the RBI u/s 19(b)
- four directors, elected by the Shareholders under Section 19(c),
- two directors, nominated by the Central Government under Section 19(d),
- one director, nominated by the Central Government under Section 19(e), and
- one director, nominated by the Central Government on the recommendations of the RBI under Section 19(f).

The composition of the Board complies with provisions laid down in Regulation 17(1) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 to the extent that they don't violate the provisions provided u/s 19 of SBI Act, 1955. There is no inter-se relationship between Directors.

A brief resume of each of the Non- Executive Directors is given in Annexure I. Particulars of the directorships/ memberships held by all the Directors in various Boards/ Committees are given in Annexure II and the details of their Shareholding in the Bank are mentioned in Annexure III.

Other Board Level Committees:

In terms of the provisions of SBI Act and General Regulations, 1955 and Govt./ RBI/SEBI guidelines, the Central Board has constituted other ten Board Level Committees viz. Audit Committee of the Board, Risk Management Committee of the Board, Stakeholders Relationship Committee cum Customer Service Committee of the Board, Special Committee of the Board for Monitoring of Large Value Frauds, IT Strategy Committee, Corporate Social Responsibility Committee, Nomination & Remuneration Committee of the Board, Board Committee to Monitor Recovery and Committee to Review the Identification of Wilful Defaulters/Non- Co-operative Borrowers. These Committees provide effective professional support in Board oversight in key areas like Audit &

Accounts, Risk Management, resolution of Shareholders'/Investors' grievances, Fraud Review and Control, Review of customer service and redressal of customer grievances, Technology Management, Corporate Social Responsibilities, Payment of Incentives to Executive Directors, Oversight on Recovery of Loans and Advances, Review of identification of Wilful Defaulters/Non Co-operative Borrowers and arrive at the 'fit and proper' status of candidates filing nominations for election as Directors. While the Nomination & Remuneration Committee meets at least once a year, the other Committees meet periodically, once in a quarter generally, to deliberate on policy issues and/or review domain performance, as per the calendar of reviews approved by the Central Board. The Committees also call external specialists, besides drawing upon the services of top executives from the Bank, as and when needed. The

Nomination & Remuneration Committee is constituted, to carry out necessary due diligence and arrive at the 'fit and proper' status of candidates filing nominations for election as Directors by shareholders. The Nomination Committee & Remuneration Committee also approves payment of incentives to Whole Time Directors, based on Govt. of India guidelines. The minutes and proceedings containing brief reports on the discussions held at the meetings of the Committees are placed before the Central Board.

Audit Committee of the Board

The Audit Committee of the Board (ACB) was constituted on 27th July 1994 and last re-constituted on the 04th February 2021. The ACB functions as per RBI guidelines and complies with the provisions of

SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and LODR Amendment Regulation 2018 to the extent that they do not violate the directives/guidelines issued by RBI.

Functions of ACB

- ACB provides direction as also oversees the operation of the total audit function in the Bank. Total audit function implies the organisation, operationalisation and quality control of internal audit and inspection within the Bank and follow-up on the statutory/external audit, compliance of RBI inspection. It also appoints Statutory Auditors of the Bank and reviews their performance from time to time.
- ACB reviews the Bank's financial, Risk Management, IS Audit Policies and Accounting Policies/Systems of the Bank to ensure greater transparency.
- ACB reviews the internal inspection/ audit plan and functions in the Bank – the system, its quality and effectiveness in terms of follow-up. It also, especially, focuses on the follow up of :

- KYC-AML guidelines;
- Major areas of housekeeping;
- Compliance of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. The terms of reference and role of the Audit Committee was reviewed by the Central Board at its meeting held on 06.03.2019 in line with the SEBI (LODR) Amendments Regulations, 2018.
- It obtains and reviews reports from the Compliance Department in the Bank.
- ACB follows up on all the issues raised in RBI's Risk Based Supervision under Section 35 of Banking Regulation Act, 1949 and Long Form Audit Reports of the Statutory Auditors and other Internal Audit Reports. It interacts with the external auditors before the finalisation of the annual/ quarterly financial accounts and reports. A formal 'Audit Charter' or 'Terms of Reference' of the Audit Committee has been approved by the Central Board and a calendar of Reviews to be submitted to the Audit Committee is also in place, which is updated periodically, the last revision effected from 18th December 2014.

Composition & Attendance During 2020-21

The ACB has eight members of the Board of Directors as on 31.03.2021, including two whole time Directors, two official Directors (nominees of GOI and RBI) and four non-official, non-executive Directors. Meetings of the ACB are chaired by a Non-Official, Non-Executive Director (Chartered Accountant). The constitution and quorum requirements, as per RBI guidelines, are complied with meticulously. During the year, twelve meetings of ACB were held to review the various matters connected with the internal control, systems and procedures and other aspects as required in terms of RBI guidelines.

Stakeholders Relationship Committee (SRC) Cum Customer Service Committee of the Board (CSCB)

In pursuance of Regulation 20 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, Stakeholders Relationship Committee (SRC) [earlier known as Shareholders'/ Investors' Grievance Committee of the Board (SIGCB)], formed on the 30th January 2001] was formed to look into the redressal of Shareholders' and Investors' complaints regarding transfer

of shares, non-receipt of annual report, non-receipt of interest on bonds/declared dividends, etc. The Customer Service Committee of the Board (CSCB) was constituted on the 26th August 2004, to bring about ongoing improvements on a continuous basis in the quality of customer service provided by the Bank. In line with the view expressed in the RBI's Discussion Paper on "Governance in Commercial Banks in India" published on its website on June 11, 2020 and with a view to rationalize the number of Board Level Committees, the merger of Stakeholders Relationship Committee (SRC) and Customer Service Committee of the Board (CSCB) was approved by the Central Board in its meeting dated 25.06.2020 and the merged

Committee was named as Stakeholders Relationship Committee cum Customer Service Committee of the Board and became effective from 26.06.2020. The Committee was last reconstituted on 04th February 2021 and has eight members. It is chaired by a Non- Executive Director. The composition of the Committee and its role complies with the SEBI Regulations. The Customer Service Committee of the Board (CSCB) met once on 14.05.2020 (before merger), whereas Stakeholders Relationship Committee (SRC) did not meet upto the date of merger. The merged Committee i.e. Stakeholders Relationship Committee cum Customer Service Committee of the Board met three times during 2020-21.

Developments During the Year

1. On-Boarding programmes for newly elected Directors were arranged during the year. It included, inter alia, the organization structures, Overview of various business groups and Associates & Subsidiaries of the Bank, IT Developments, IT Security, HR and Training etc.

2. Performance Evaluation of the Board: With an objective to continuously improve Board's governance, your Bank had engaged a reputed external consulting organization, which assisted in laying down parameters for performance evaluation of Directors, Chairman, Board Level Committees and Central Board as a whole and also assisted in facilitating the overall evaluation process. The parameters of evaluation and the overall process was aligned to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and new SEBI Guidance Note on Board Evaluation, 2017. The Performance Evaluation Exercise for FY 2020-21 was completed during the year.

The evaluation process has validated the Board of Directors' confidence in the governance values of the Bank, the synergy that exists amongst the Board of Directors and the collaboration between the Chairman, the Board and the Management.

3. In order to apprise the Board Members on matters of strategic and financial importance, considering the varied demands being increasingly placed on the Boards of Banks in terms of governance and key role played by our Bank in the economy, several presentations were made before the Board Members during

the year, especially on impact of Covid-19 pandemic on Global and Indian economy, Financial sector, Banking Industry and in particular on SBI, by various Industry Experts and Bank's own Departments. The details of some of major presentations made are as under:

Qualitative Disclosure on Derivative Transactions Financial Year 2020-21

The Bank, at present, deals in over the counter (OTC) derivatives to hedge against interest rate and currency risks. It also deals in exchange traded Interest Rate Futures, Currency Futures and Currency Options.

Interest rate derivatives dealt by the Bank are Rupee interest rate swaps (OIS), Foreign Currency interest rate swaps (IRS), Forward Rate Agreements (FRA), Caps, Floors and Collars. Currency derivatives dealt by the Bank are Currency Swaps (CIRS / CCS), USD/INR Options and Cross-Currency Options. The Bank also does NDF trades as permitted by RBI.

The products are offered to Bank's customers for hedging their exposures. These are also used for reducing Bank's Balance Sheet Risk. Trading / Arbitrage activities on Derivatives are done selectively within prescribed risk limits whenever opportunities are sighted.

The Bank runs USD/INR Option Book and manages Greek limits efficiently. The Bank also runs MIFOR book for making USD / INR swap prices.

Derivative transactions carry market risk i.e., the probable loss the Bank may incur caused by adverse movements in interest rates and / or exchange rates. A derivative position also carries credit risk i.e., the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes measures to be taken to contain the risks. The market risk parameters (Greek limits, Loss limits, Cut-loss triggers, Open position limits, VaR, Modified Duration, PV01, etc.) have been clearly defined in the policy which are strictly adhered to. For containing Credit risk, the policy stipulates customer / counterparty eligibility criteria [credit rating, tenure of relationship, availability of CEL limit, Customer Appropriateness & Suitability (CAS) testing etc.] which are strictly complied with. Appropriate limits are set for the corporate counterparties by respective Business Units considering their ability to honour obligations. The Bank executes ISDA agreement with each derivatives counterparty – both corporate as well as interbank.

For each of the Interbank counterparty, a counterparty exposure limit is put in place by the Risk vertical. The Bank has executed CSA (Credit Support Annex) – a part of ISDA Master Agreement with a few counterparties. As per the terms of CSA, collateral is posted or transferred with swap counterparties to mitigate the credit risk arising from 'in the money' derivative positions.

The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures and monitors market risk associated with derivative transactions. MRMD assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.

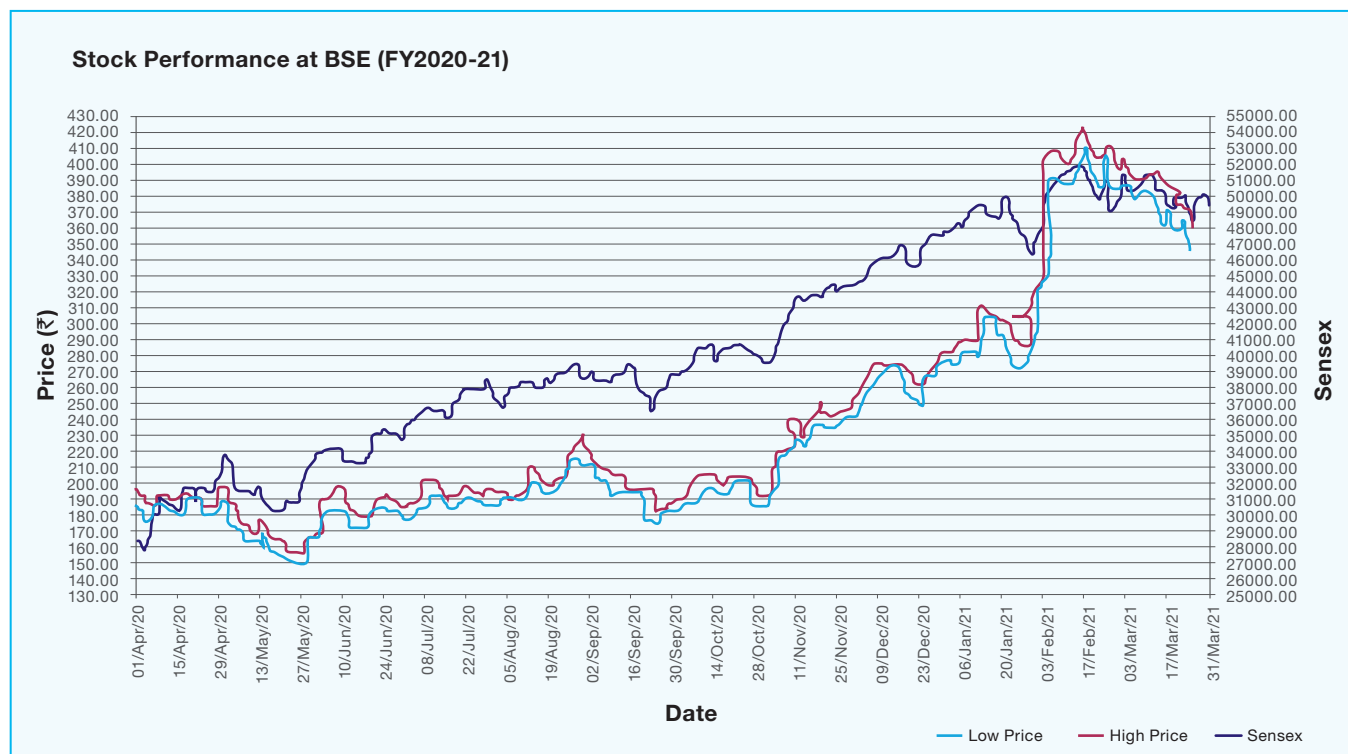

The accounting policy for derivatives has been drawn up in accordance with the RBI guidelines, the details of which are presented under Schedule 17: Principal Accounting Policies (PAP).

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2021

[Pursuant to Regulation 24A of the SEBI (LODR) Regulations, 2015 read with SEBI Circular CIR/CFD/CMD1/27/2019 dated February 08, 2019]

To
**The Members,
State Bank of India**

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by State Bank of India (hereinafter called "the Bank"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Bank's books, papers, minute books, forms and returns filed and other records maintained by the Bank and also the information provided by the Bank, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Bank has, during the audit period covering the financial year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Bank has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Bank for the financial year ended on March 31, 2021 according to the provisions of:

- i. The State Bank of India Act, 1955 ('the Act') and the State Bank of India General Regulations, 1955 ('the Regulations') made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the

Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014#;
- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client#;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009#;
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018#;
- i. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- j. The Securities and Exchange Board of India (Investment Advisers) Regulations, 2013;
- k. The Securities and Exchange Board of India (Stock Brokers) Regulations, 1992;
- l. The Securities and Exchange Board of India (Underwriters) Regulations, 1993;
- m. The Securities and Exchange Board of India (Portfolio Managers) Regulations, 2020;
- n. The Securities and Exchange Board of India (Bankers to an Issue) Regulations, 1994;
- o. The Securities and Exchange Board of India (Debenture Trustee) Regulations, 1993;

- p. The Securities and Exchange Board of India (Custodian) Regulations, 1996; and

- q. The Insurance Regulatory and Development Authority of India (Registration of Corporate Agents) Regulations, 2015.

The Regulations or Guidelines, as the case may be were not applicable for the period under review.

The list of Acts, Laws and Regulations specifically applicable to the Bank are given below:

- vi. The Banking Regulation Act, 1949, as amended.
- vii. Master Directions, Notifications and Guidelines issued by RBI from time to time.

We have also examined compliance with the applicable clauses of 'the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ["Listing Regulations"]'.

During the period under review, the Bank has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above, to the extent applicable except to the following:

- a) The Central Board of the Bank comprises of thirteen (13) Directors, constituting of five (05) Executive Directors (including the Chairman and four (04) Managing Directors); five (05) Independent Directors and three (03) Non-Executive & Non-Independent Directors as on March 31, 2021. Pursuant to regulation 17(1) of the Listing Regulations, the Chairman being an Executive Director, at least half of the Board of Directors should be comprised of Independent Directors whereas the Central Board of Bank comprises of only five (05) Independent Directors. Thus, the Bank did not have the requisite number of Independent Directors in its Central Board including Independent Woman Director. However, regulation 15 of the Listing Regulations provides that, the provisions of regulation 17 of the Listing Regulations, with respect to the constitution of the Central

Board in terms of section 19 of the State Bank of India Act, 1955 and General Rules & Regulations made thereunder, shall be applicable to the Bank to the extent that it does not violate their respective statutes and guidelines or directives issued by the relevant authorities.

- b) The Audit Committee of the Bank comprises of eight (08) Directors, of which six (06) are Non-Executive Directors including three (03) Independent Directors and two (02) are Executive Directors as on March 31, 2021. The Bank did not have requisite number of Independent Directors in its Audit Committee as required under regulation 18(1) of the Listing Regulations.

We further report that -

Subject to foregoing, the Central Board of Directors of the Bank is duly constituted with proper balance of Executive Directors, Non-Executive and Independent Directors. The changes in the composition of the Central Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all Directors to schedule the Central Board Meetings, agenda and detailed notes on agenda were sent in advance for meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period under review, decisions were carried through unanimously and no dissenting views were observed, while reviewing the minutes.

We further report that there are adequate systems and processes in the Bank commensurate with the size and

operations of the Bank to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Bank has undertaken following events/actions:

- i) During the audit period, the Central Board of the Bank had approved raising of capital by way of issuance of Basel III compliant debt instrument under Additional Tier 1 (AT 1) capital up to an amount of ₹9,000 Crore and Tier 2 capital up to an amount of ₹21,015 Crore by way of Private Placement Issue.

BUSINESS RESPONSIBILITY REPORT

About the Business Responsibility Report:

Business Responsibility Report (BRR) of the Bank, is published on an annual basis since FY2012-13. Regulation 34(2)(f) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI circular No. CIR/CFD/CMD/10/2015 dated 04th November, 2015 mandates the inclusion of Business Responsibility Report (BRR) as part of the Annual Report for Top 500 listed entities based on market capitalization (calculated as on March 31 of every financial year) at BSE and NSE. Additionally, as per SEBI guidelines, those listed entities which have been submitting Sustainability Reports based on internationally accepted frameworks need not prepare a separate BRR but only furnish to their stakeholders the details of the framework under which their BRR has been prepared and a mapping of the principles made in their Sustainability Reports. The Bank's Sustainability Report with the requisite mapping for the financial year ended 31st March 2021 has been hosted on the Bank's website <https://www.sbi.co.in> under the link Investor Relations. Any shareholder interested in obtaining a copy of the same may write to the Bank (email Id: dgm.csr@sbi.co.in) and postal address: Deputy General Manager(CSR & Sustainability), State Bank of India, 9th floor, Corporate Centre, State Bank Bhavan, Madame Cama Road, Mumbai - 400 021).

SCHEDULE 17-

SIGNIFICANT ACCOUNTING POLICIES

A. Background

State Bank of India (SBI or the Bank) is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

Following are the Significant Accounting Policies i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of financial statements of the Bank.

B. Basis of Preparation

The accounting and reporting policies of the Bank conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955 and the Banking Regulations Act, 1949, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in the banking industry in India.

In case of foreign offices, the statutory provisions and practices of the local laws of the respective foreign country are followed if they are more prudent.

Bank's financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency and accrual unless otherwise stated.

The financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

C. Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

D. Significant Accounting Policies

1. Revenue recognition:

1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.

1.2 Interest/ Discount income is recognised in the Profit and Loss Account on realisation basis for following:

- (i) Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by RBI/ respective country regulators in the case of foreign offices (hereafter collectively referred to as Regulatory Authorities),
- (ii) Income on Rupee Derivatives designated as "Trading"

1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments in the Held to Maturity (HTM) category and on sale of Fixed Assets is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.

The discount if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as follows:

- a. on interest bearing securities, it is accounted for at the time of sale/ redemption.
- b. on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.

1.4 Dividend income is recognised when the right to receive the dividend is established.

1.5 Commission on Letters of Credit (LC)/ Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognised on accrual basis proportionately over the period. All other commission and fee income are accounted on a realisation basis.

1.6 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over the average loan period of 15 years.

1.7 Brokerage, Commission etc. paid/ incurred in connection with the issue of Bonds/ Deposits are amortized over the tenure of related Bonds/ Deposits and the expenses incurred in connection with the issue are charged upfront.

1.8 The Bank derecognises its financial assets when it sells to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for as under:

- i. If the sale is at a price below the Net Book Value (NBV) (i.e. book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
- ii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received.

2. Investments

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

- Under each category, the investments in India are further classified as (a) Government Securities, (b) Other Approved Securities, (c) Shares, (d) Bonds and Debentures, (e) Subsidiaries and Joint Ventures and (f) Others. The investments outside India are further classified under 3 categories (i) Government Securities (ii) Subsidiaries and Joint Ventures (iii) Other Investments

2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as "Held to Maturity (HTM)".
- ii. Investments that are held principally for resale within 90 days from the date of purchase are categorised as "Held for Trading (HFT)".
- iii. Investments, which are not classified in above two categories, are classified as "Available for Sale (AFS)".
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in subsidiaries and joint ventures are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

2.3 Valuation:

- i. The transactions in all securities are recorded on a Settlement Date and cost is determined on the weighted average cost method except for investments under HTM category which are accounted on FIFO basis (First In First Out).
 - a) Brokerage/ commission received on subscriptions is reduced from the cost. Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
 - b) Broken period interest paid/ received on debt instruments is treated as interest

expense/ income and is excluded from cost/ sale consideration.

ii. Valuation of investments classified as Held to Maturity:

- a) Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition if any, is amortised over the term to maturity on a constant yield basis. Such amortisation of premium is accounted as income on investments.
- b) Investments (in India and abroad) in subsidiaries, joint ventures and associates are valued at historical cost. A provision is made for diminution, other than temporary, for each investment individually.
- c) Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).

iii. Valuation of investments classified as Available for Sale and Held for Trading :

Investments classified as Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation if any, of each group for each category (viz. (i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored.

iv. Valuation policy in event of inter category transfer of investments:

- a) Transfer of securities from HFT/ AFS category to HTM category is carried out at the lower of acquisition cost/ book value/ market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b) Transfer of securities from HTM category to AFS category is carried out on acquisition price/ book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, is provided, in the Profit and Loss Account.

v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:

- a) The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.

- b) SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
- c) In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR. SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

2.4 Investments (NPI)

- i. In respect of domestic offices, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows :
 - a) Interest/ instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
 - b) In the case of equity shares, in the event the investment in shares of any company is valued at Re. 1 per company on account of non-availability of the latest balance sheet, those equity shares would be reckoned as NPI.
 - c) The Bank also classifies an Investment as a non-performing investment, in case any credit facility availed by the same borrower/ entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.
 - d) The investments in debentures/ bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.

- ii. In respect of foreign offices, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

2.5 Accounting for Repo/ Reverse Repo transactions

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and also with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand represent lending funds by purchasing the securities.

- a) Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralized Lending and Borrowing transactions.
- b) In Market Repo and Reverse Repo transaction, securities sold(purchased) and repurchased(resell) are accounted as normal outright sale(purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at call & short notice).
- c) Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

3. Loans/ Advances and Provisions thereon:

3.1 Based on the guidelines/ directives issued by the RBI, Loans and Advances are classified as performing and non-performing, as follows:

- i. The term loan, is classified as a non-performing asset, if interest and/ or instalment of principal remains overdue for a period of more than 90 days;
- ii. An Overdraft or Cash Credit, is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance sheet, or if the credits are not adequate to cover the interest debited during the same period;
- iii. The bills purchased/ discounted are classified as Non-performing Asset, if the bill remains overdue for a period of more than 90 days;

- iv. The agricultural advances are classified as a non-performing if, (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:	i.	A general provision of 15% on the total outstanding;
	ii.	Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio);
	iii.	Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.
Doubtful Assets:		
- Secured portion:	i.	Upto one year – 25%
	ii.	One to three years – 40%
	iii.	More than three years – 100%
- Unsecured portion		100%
Loss Assets:		100%.

3.4 In respect of foreign offices, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.

3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision

for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.

3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.

3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.

3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head “Other Liabilities & Provisions – Others” and are not considered for arriving at the Net NPAs.

3.10 The Bank also makes additional provisions on specific non-performing assets.

3.11 Appropriation of recoveries in NPAs are made in order of priority as under :

- a. Charges, Costs, Commission etc.
- b. Unrealized Interest / Interest
- c. Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for floating provisions separately for advances, investments, and general purposes. The quantum of floating provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

5. Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head “Other Liabilities & Provisions – Others”.

6. Derivatives:

- 6.1 The Bank enters into derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements in order to hedge on-balance sheet/off-balance sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-balance sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-balance sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/ liabilities are also marked to market.
- 6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".
- 6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark-to-Market value for forex Over-the-Counter (OTC) options.
- 6.5 Exchange Traded Derivatives entered into for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

7. Fixed Assets, Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases

the future benefits from such assets or their functioning capability. The fixed assets in domestic offices are depreciated at straight line method based on useful life of the assets states as under:

Sl. No.	Description of Fixed Assets	Useful life for Depreciation
1	Computers	3 years
2	Computer Software forming an integral part of the Computer hardware	3 years
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	3 years
4	Automated Teller Machine/ Cash Deposit Machine/ Coin Dispenser/ Coin Vending Machine	5 years
5	Server	4 years
6	Network Equipment	5 years
7	Other major fixed assets:	
	Premises	60 Years
	Vehicles	5 Years
	Safe Deposit Lockers	20 Years
	Furniture & Fixtures	10 Years

- 7.3 In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put to use during the year.
- 7.4 Assets costing less than ₹ 1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6 In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations / norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

8. Leases:

The asset classification and provisioning norms

applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

10. Effect of changes in the foreign exchange rate:

10.1 Foreign Currency Transactions:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/ forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the balance sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/ losses are recognised in the Profit and Loss Account.

10.2 Foreign Operations:

Foreign Branches of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices in foreign currency (other than local currency of the foreign offices) are translated into local currency using spot rates applicable to that country on the balance sheet date.

b. Integral Operations:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/ Forward) exchange rates notified by FEDAI at the balance sheet date and the resulting Profit/ Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

11. Employee Benefits:

11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

11.2 Long Term Employee Benefits:

i. Defined Benefit Plans:

- a. The Bank operates a Provident Fund scheme. All eligible employees are entitled to

receive benefits under the Bank's Provident Fund scheme. The Bank contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognizes such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for on the basis of actuarial valuation.

b. The Bank operates Gratuity and Pension schemes which are defined benefit plans.

i) The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

ii) The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The Bank makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Pension Fund Rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.

c. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/ losses are immediately recognised in the Profit and Loss Account and are not deferred.

ii. **Defined Contribution Plan:**

The Bank operates a New Pension Scheme (NPS) for all officers/ employees joining the Bank on or after 1st August, 2010, which is a defined

contribution plan, such new joiners not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with a matching contribution from the Bank. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in the Bank and earn interest at the same rate as that of the current account of Provident Fund balance. The Bank recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

iii. **Other Long Term Employee Benefits:**

a. All eligible employees of the Bank are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long term employee benefits are internally funded by the Bank.

b. The cost of providing other long term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is immediately recognised in the Profit and Loss Account and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices are valued and accounted for as per the respective local laws/ regulations.

12. Segment Reporting

The Bank recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

13. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income" respectively after taking into account taxes paid at the foreign offices, which are based on the tax laws of respective jurisdictions. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year, and carry forward losses. Deferred tax assets and

liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgment as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

14. Earnings per Share:

14.1. The Bank reports basic and diluted earnings per share in accordance with AS 20 – "Earnings per Share" issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

15. Provisions, Contingent Liabilities and Contingent Assets:

15.1 In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation as a result of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

15.2 No provision is recognised for:

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- ii. any present obligation that arises from past events but is not recognised because:
 - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the debit card holders of the Bank is being provided for on actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

16. Bullion Transactions:

The Bank imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. The Bank earns a fee on such bullion transactions. The fee is classified under commission income. The Bank also accepts deposits and lends gold, which is treated as deposits/ advances as the case may be with the interest paid/ received classified as interest expense/ income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

19. Cash and cash equivalents

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

C. Risk Exposure in Derivatives

(A) Qualitative Risk Exposure

- i. The Bank currently deals in over the counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives. Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps and forward rate agreements, cap, floor and collars. Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options. The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items. The Bank also runs option position in USD/ INR, which is managed through various types of loss limits and Greek limits.
- ii. Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness and suitability of policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering into derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honour obligations and the Bank enters into ISDA agreement with each counterparty.
- iii. The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- iv. The accounting policy for derivatives has been drawn-up in accordance with RBI guidelines, the details of which are presented under Schedule 17: Significant Accounting Policies (SAP) for the financial year 2020-21.
- v. Interest Rate Swaps are mainly used for hedging of the assets and liabilities.
- vi. Majority of the swaps were done with First class counterparty banks.
- vii. Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorised as trading or hedging.
- viii. Derivative deals are entered with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanctions terms on a case by case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

The expected contribution to the Pension and Gratuity Fund for the next year is ₹ 3,190.72 crore and ₹ 1,610.61 crore respectively.

As the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

With a view to further strengthen the Pension Fund, it was decided to upwardly revise some of the assumptions.

2. Employees' Provident Fund

Actuarial valuation carried out in respect of interest shortfall in the Provident Fund Trust of the Bank, as per Deterministic Approach shows "Nil" liability, hence no provision is made in F.Y. 2020-21.

c) Accounting Standard – 17 “Segment Reporting”**1. Segment Identification****I. Primary (Business Segment)**

The following are the primary segments of the Bank:-

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Other Banking Business.

The present accounting and information system of the Bank does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the primary segments have been computed as under:

i. Treasury –

The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

ii. Corporate / Wholesale Banking –

The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices.

iii. Retail Banking –

The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs.

iv. Other Banking business –

Segments not classified under (i) to (iii) above are classified under this primary segment.

II. Secondary (Geographical Segment)

- i) Domestic Operations - Branches/Offices having operations in India
- ii) Foreign Operations - Branches/Offices having operations outside India and offshore Banking units having operations in India

III. Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

IV. Allocation of Expenses, Assets and Liabilities

Expenses incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Bank has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

i) **Accounting Standards – 28 “Impairment of Assets”**

In the opinion of the Bank's Management, there is no indication of impairment to the assets during the year to which Accounting Standard 28 – “Impairment of Assets” applies.

j) **Accounting Standard – 29 “Provisions, Contingent Liabilities and Contingent Assets”**

Description of Contingent liabilities:

Sr. No.	Particulars	Brief Description
1	Claims against the Bank not acknowledged as debts	The Bank is a party to various proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows. The Bank is also a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Bank enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as Contingent Liabilities. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial Banking activities, the Bank issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Bank is contingently liable	The Bank enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by the Bank on behalf of Associates & Subsidiaries, Bank's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The Contingent Liabilities mentioned above are dependent upon the outcome of Court/ arbitration/out of Court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

19. Liquidity Coverage Ratio (LCR):**a) Standalone LCR**

Liquidity Coverage Ratio (LCR) standard has been introduced with the objective that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario.

LCR has been defined as :

$$\frac{\text{Stock of high quality liquid assets (HQLAs)}}{\text{Total net cash outflow over the next 30 calendar days}}$$

Liquid assets comprise of high quality assets that can be readily encashed or used as collateral to obtain cash in a range of stress scenarios. There are two categories of assets included in the stock of HQLAs, viz. Level 1 and Level 2 assets. While Level 1 assets are with 0% haircut, Level 2A and Level 2 B assets are with 15% and 50% haircuts respectively. The total net cash outflow is the total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days. Total expected cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by the rates at which they are expected to run off or be drawn down. Total expected cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in up to an aggregate cap of 75% of total expected cash outflows.

Bank's LCR comes to 158.60% based on daily average of three months (Q4 FY20-21) and is above the minimum regulatory requirement of 90% (RBI reduced the minimum benchmark temporarily from 100% to 90% to contain effect of covid threat in Banking). Average HQLA held during the quarter was ₹ 11,65,122 crore, of which, Level 1 assets constituted 95.29% of total HQLA. Government securities constituted 96.63% of Total Level 1 Assets. Level 2A Assets constitutes 4.24% of total HQLA and Level 2B assets constitutes 0.47% of total HQLA. During the quarter, the HQLA level has remained flat from previous quarter. The weighted net cash outflow position has gone up by ₹ 51,617 crore on account of increase in deposits from customers classified under retail as well as wholesale segment. Derivative exposures are considered insignificant due to almost matching inflows and outflows position. During the quarter, LCR for USD (significant Foreign Currency constituting more than 5% of the Balance Sheet of the Bank) was 326.52% on average.

Liquidity Management in the Bank is driven by the ALM Policy of the Bank and regulatory prescriptions. The Domestic and International Treasuries are reporting to the Asset Liability Management Committee (ALCO). The ALCO has been empowered by the Bank's Board to formulate the Bank's funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All the major decisions of ALCO are being reported to the Bank's Board periodically. In addition to daily/monthly LCR reporting, Bank prepares daily Structural Liquidity statements to assess the liquidity needs of the Bank on an ongoing basis.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future short term requirements.

b. Consolidated LCR

- 28.** The spread of COVID-19 pandemic across the globe has resulted in decline in economic activities and increase in movement in financial markets. In this situation, Bank is gearing up itself on all fronts to meet the challenges. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis. Major challenges for the Bank could be from extended working capital cycles, fluctuating cash flow trends and probable inability of the borrowers to meet their obligations against the loans timely. The bank is proactively providing against the challenges of likely stress on the bank's assets. A definitive assessment of the impact of COVID-19 is dependent upon circumstances as they evolve in the subsequent period.

RBI vide Notification No. RBI/2019-20/186 DOR.No.BP. BC.47/21.04.048/2019-20 dated March 27, 2020, subsequent notifications dated April 17, 2020 and May 23, 2020 has announced measures to mitigate the burden of debt servicing brought about by disruptions on account of COVID-19 pandemic and to ensure the continuity of viable businesses. The measures, inter alia, includes Rescheduling of Payments –Term Loans and Working capital Facilities, Easing of Working Capital Financing, Classification as Special Mention Account (SMA) and Non-performing Asset (NPA) etc.

The bank has proactively made an additional provision towards the possible impact of COVID-19 pandemic, on the basis of the evaluation and assessment done with reference to the information now available and analysis made thereon. The said provision is in addition to the provisions held as per RBI guidelines as regards loan loss provisions. On the basis of above-mentioned assessment, Bank's management is not expecting any significant impact on Bank's liquidity or profitability.

- 29.** To ease the financial stress caused by COVID-19 disruptions on borrowers and relax the repayment pressures, Hon'ble Supreme Court, vide order dated March 23, 2021, directed that there shall not be any charge of interest on interest / compound interest / penal interest for the period during the moratorium from March 1, 2020 to August 31, 2020 and such interest shall be refunded to the concerned borrowers to be given credit / adjusted in the next instalment of the loan amount. Accordingly, Bank has reversed interest income by ₹ 830 crore during the year ended March 31, 2021.
- 30.** In terms of RBI Circular RBI/2015-16/376 DBR. No. BP/BC.92/21.04.048/2015-16 dated April 18, 2016 during quarter ended March 31, 2020, in respect of advance account declared as fraud, the Bank had chosen to provide for the fraud over four quarters as permitted by RBI. However, the Bank has provided the entire balance amount of ₹ 5,230.37 Crore as on March 31, 2020 in the first quarter of year ended March 31, 2021.
- 31.** The Bank has revalued immovable properties on June 30, 2019 based on reports obtained from the external independent valuers and the closing balance of Revaluation Reserve as on March 31, 2021, (net of amount transferred to General Reserve) is ₹ 23,577.35 crore (Previous year ₹ 23,762.67 crore).
- 32.** During the year, the Bank has accounted for ₹ 5,353.50 crore arising out of 11th Bi-Partite Wage Settlement effective from November 1, 2017.
- 33.** The Central Board has declared a dividend of ₹4 per share @ 400% for the year ended March 31, 2021.
- 34.** Previous year figures have been regrouped/ reclassified, wherever necessary, to confirm to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines / Accounting Standards, previous year's figures have not been mentioned.

INDEPENDENT AUDITORS' REPORT

To

The President of India

REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS OF STATE BANK OF INDIA

Opinion

1. We have audited the accompanying Standalone Financial Statements of State Bank of India ("the Bank") which comprise the Balance Sheet as at March 31, 2021, the Profit and Loss Account and the Cash Flow Statement for the year then ended, and Notes to Standalone Financial Statements including Significant Accounting Policies and other explanatory information in which are included returns for the year ended on that date of:

- i. The Central offices, 17 Local Head offices, Global Market Unit, International Business Group, Corporate Accounts Group (Central), Commercial Client Group (Central), Stressed Asset Resolution Group (Central), Central Accounts Offices and 42 branches audited by us;
- ii. 10766 Indian branches audited by respective Statutory Branch Auditors;
- iii. 34 Foreign branches audited by respective Local Auditors;

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the Reserve Bank of India (RBI). Also incorporated in the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement are the returns from 13965 Indian branches (including other accounting units) which have not been subjected to audit. These unaudited branches account for 9.63% of advances, 23.89% of deposits, 11.55% of interest income and 22.72% of interest expenses.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Banking Regulation Act, 1949 and State Bank of India Act, 1955 in the manner so required for the Bank and are in conformity with accounting principles generally accepted in

India and give a –

- a) true and fair view in case of the Balance Sheet, of the State of Affairs of the Bank as at March 31, 2021;
- b) true balance of profit in case of the Profit and Loss Account for the year ended on that date; and
- c) true and fair view of the cash flows, in case of the Cash Flow Statement for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Standalone Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3. We draw attention to Note No. 18.10 (28) of Schedule 18 of the Standalone Financial Statements regarding impact of COVID-19 pandemic. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis with respect to the challenges faced.

Our opinion is not modified in respect of this matter.

Key Audit Matters

4. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Standalone Financial Statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report:

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
i	<p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p>	<p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of the following</p> <ol style="list-style-type: none"> a. The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches allotted to us;

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
	<p>Advances constitute 54.02 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non- performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which also identifies whether the advances are performing or non- performing.</p> <p>Further, NPA classification and calculation of provision is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software .</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances</p>	<p>b. Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</p> <p>c. Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</p> <p>d. We have also relied on the reports of External IT System Audit experts with respect to the business logics / parameters inbuilt in CBS for tracking, identification and stamping of NPAs and provisioning in respect thereof.</p> <p>e. We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</p> <p>f. We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</p> <p>g. In carrying out substantive procedures at the branches allotted to us, we have examined all large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</p> <p>h. We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</p> <p>i. Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</p>
ii	<p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 29.81 per cent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p>	<p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non performing investments (NPIs), provisioning/depreciation related to Investments. In particular ;</p> <p>a. We evaluated and understood the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments;</p> <p>b. We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</p> <p>c. For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</p>

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
	<p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non performing investments and provisioning related to investments</p>	<p>d. We assessed and evaluated the process of identification of NPLs and corresponding reversal of income and creation of provision;</p> <p>e. We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPLs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPLs;</p> <p>f. We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</p>
iii	<p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.9 (j) of Schedule 18 to the financial statements) :</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/interpretation of law involved.</p>	<p>Our audit approach involved:</p> <p>a. Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</p> <p>b. Understanding the current status of the litigations/tax assessments;</p> <p>c. Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</p> <p>d. Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</p> <p>e. Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</p> <p>f. Verification of disclosures related to significant litigations and taxation matters.</p>
iv	<p>Modified Audit Procedures carried out in the light of continuing COVID-19 pandemic:</p> <p>Due to the continuing COVID-19 pandemic, lockdown declared by some of the State Governments and travel restrictions imposed by State Governments / Local Authorities during the period of our audit and the RBI directions to Bank to facilitate carrying out audit remotely wherever physical access was not possible, audit could not be conducted by visiting the premises of certain Branches / LHOs/ Business Units in the Corporate Office of the bank.</p>	<p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments/local administration during the period of our audit, we could not travel to the Branches/ Circle /Administrative /Corporate Offices and carry out the audit processes physically at the respective offices.</p> <p>Wherever physical access was not possible, necessary records/ reports/ documents/ certificates were made available to us by the Bank through digital medium, emails and remote access to CBS, CCDP and other relevant application software. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to us which were relied upon as audit evidence for conducting the audit and reporting for the current period.</p>

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
	<p>As we could not gather audit evidence in person/ physically/ through discussions and personal interactions with the officials at the Branches/Circle / Administrative /Corporate Offices, either fully or partially, we have identified such modified audit procedures as a Key Audit Matter.</p> <p>Accordingly, our audit procedures were modified to carry out the audit remotely.</p>	<p>Accordingly, we modified our audit procedures for control testing and substantive testing which included the following:</p> <ol style="list-style-type: none"> Conducted verification of necessary records/ documents/ CBS/ CCDP and other Application software electronically through remote access/emails in respect of some of the Branches / LHOs / Administrative Offices and other offices of the Bank wherever physical access was not possible. Carried out verification of scanned copies of the documents, deeds, certificates and the related records made available to us through emails and remote access over secure network of the Bank. Making enquiries and gathering necessary audit evidence through Video Conferencing, dialogues and discussions over phone calls/conference calls, emails and similar communication channels. Resolution of our audit observations telephonically/ through email instead of a face-to-face interaction with the designated officials.

Information Other than the Standalone Financial Statements and Auditors' Report thereon

5. The Bank's Board of Directors is responsible for the Other Information. The Other Information comprises the Corporate Governance Report which we obtained at the time of issue of this report. The Other Information also includes Directors' Report including annexures in Annual Report, but does not include the Standalone Financial Statements and our Auditors' Report thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Standalone Financial Statements does not cover the Other Information and Pillar 3 disclosures under the Basel III Disclosure and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

When we read the Directors' Report, including annexures in Annual Report, if any, thereon, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged with Governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Bank's Board of Directors is responsible with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India including the Accounting Standards issued by ICAI to the extent applicable, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the above mentioned Acts for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider

quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

8. We did not audit the financial statements / information of 10842 branches included in the Standalone Financial Statements of the Bank whose financial statements/ financial information reflects total assets of ₹ 34,44,485 crore at March 31, 2021 and total revenue of ₹ 2,83,673 crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements/ information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

9. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraphs 6 and 7 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein and as required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were

necessary for the purposes of our audit and have found them to be satisfactory;

- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

10. We further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- b) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;
- c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and
- d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

11. As required by letter No. DOS.ARG.No.6270/08.91.001/2019-20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:

- a) In our opinion, the aforesaid Standalone Financial Statements comply with the applicable Accounting Standards issued by ICAI, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
- b) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- c) On the basis of the written representations received from the directors as on March 31, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of sub-section (2) of Section 164 of the Companies Act, 2013.
- d) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.

Our report on the adequacy and operating effectiveness of the Bank's Internal Financial Controls over Financial Reporting is given in Annexure – A to this report expressing an unmodified opinion on the Bank's Internal Financial Control over Financial Reporting with reference to the Standalone Financial Statements as at 31st March, 2021.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

**(Referred to in paragraph 11(e) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)
Report on the Internal Financial Controls Over Financial Reporting as required by the Reserve Bank of India (the “RBI”) Letter
DOS.ARG.No.6270/08.91.001/2019-20 dated March 17, 2020 (as amended) (the “RBI communication”)**

We have audited the internal financial controls over financial reporting of State Bank of India (“the Bank”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting of the Bank’s branches.

Management’s Responsibility for Internal Financial Controls

The Bank’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949 and the circulars and guidelines issued by the Reserve Bank of India.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Bank’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”) and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank’s internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Bank’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorizations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred to in the Other Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI”.

Other Matters

Our aforesaid report in so far as it relates to the operating effectiveness of internal financial controls over financial reporting of 576 branches is based on the corresponding reports of the respective branch auditors of those branches.

Our opinion is not modified in respect of this matter.

SCHEDULE 17-

SIGNIFICANT ACCOUNTING POLICIES

A. Background:

State Bank of India (SBI or the Bank) established under the State Bank of India Act, 1955, is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

State Bank of India Group (SBI Group) consists of SBI and 27 Subsidiaries, 8 Joint Ventures and 17 Associates.

Following are the Significant Accounting Policies of SBI Group i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of consolidated financial statements of SBI.

B. Basis of Preparation:

The consolidated financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

The accounting and reporting policies of the SBI Group conform to Generally accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, the Banking Regulations Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in India.

In case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

The Bank's consolidated financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency and accrual, unless otherwise stated.

C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

D. Basis of Consolidation:

1. Consolidated financial statements of the SBI Group have been prepared on the basis of:
 - a. Audited financial statements of State Bank of India (Parent).
 - b. Line by line aggregation of each item of asset/liability/ income/expense of the subsidiaries with the respective item of the Parent, and after eliminating all material intra-group balances/transactions, unrealised profit/ loss, and making necessary adjustments wherever required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
 - c. Consolidation of Joint Ventures – 'Proportionate Consolidation' as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
 - d. Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.
2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognised in the financial statements as goodwill / capital reserve.
3. Minority interest in the net assets of the consolidated subsidiaries consists of:
 - a. The amount of equity attributable to the minority at the date on which investment in a subsidiary is made, and
 - b. The minority share of movements in revenue reserves/ loss (equity) since the date the parent-subsidiary relationship came into existence.

E. Significant Accounting Policies

1. Revenue recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/Discount income is recognised in the Profit and Loss Account on realisation basis for following:
 - a. Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices/entities (hereafter collectively referred to as Regulatory Authorities),
 - b. Income on Rupee Derivatives designated as "Trading"
- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments in the "Held to Maturity" category and on sale of Fixed

d. Expenses of schemes in excess of the stipulated rates and expenses relating to new fund offer are charged to the Profit and Loss Account in the year in which they are incurred in accordance with the requirements of SEBI (Mutual Funds) Regulations, 1996.

e. Brokerage and/or incentive paid on investments in open-ended Equity Linked Tax Saving Schemes and Systematic Investment Plans (SIPs) are amortised over a period of 36 months and in case of other schemes, over the claw back period. In case of close-ended schemes, brokerage is amortised over the tenure of schemes.

Credit Card Operations:

a. First annual fee and subsequent renewal fee are recognised over a period of one year as this more closely reflects the period to which the fee relates to.

b. Interchange income is recognised on accrual basis.

c. The total unidentified receipts which could not be credited or adjusted in the customers' accounts

for lack of complete & correct information is considered as liability in Balance Sheet. The estimated unidentified receipts aged more than 6 months and up to 3 years towards the written off customers is written back as income on Balance Sheet date. Further, the unresolved unidentified receipts aged more than 3 years are also written back as income on Balance Sheet date. The liability for stale cheques aged for more than three years is written back as income.

- d. All other service income/fees are recorded at the time of occurrence of the respective events.

Factoring:

Factoring charges are accrued on factoring of debts at the applicable rates as decided by the company. Processing fees are recognised as income only when there is reasonable certainty of its receipt after execution of documents. Facility Continuation fees (FCF) are calculated and charged in the month of May for the entire next financial year on all live standard accounts. 1st of May is deemed as date for accrual of the FCF.

Life Insurance:

- a. Premium of non-linked business is recognised as income (net of service tax/ goods and service tax) when due from policyholders. In respect of linked business, premium income is recognised when the associated units are allotted. In case of Variable Insurance Products (VIPs), premium income is recognised on the date when the Policy Account Value is credited. Uncollected premium from lapsed policies is not recognised as income until such policies are revived.
- b. Top-up premiums are considered as single premium.
- c. Income from linked funds which includes fund management charges, policy administration charges, mortality charges, etc. are recovered from linked fund in accordance with terms and conditions of policy and recognised when recovered.
- d. Realised gains and losses in respect of equity securities and units of mutual funds are calculated as the difference between the net sales proceeds and their cost. In respect of debt securities, the realised gains and losses are calculated as difference between net sale proceeds or redemption proceeds and weighted average amortised cost. Cost in respect of equity shares and units of mutual fund are computed using the weighted average method.

- e. Fees received on lending of equity shares under Securities lending and borrowing scheme (SLB) is recognised as income over the period of the lending on straight-line basis.
- f. Premium ceded on reinsurance is accounted in accordance with the terms of the re-insurance treaty or in-principle arrangement with the re-insurer.
- g. Benefits paid:
 - Claims cost consist of the policy benefit amounts and claims settlement costs, where applicable.
 - Claims by death and rider are accounted when intimated. Intimations up to the end of the period are considered for accounting of such claims.
 - Claims by maturity are accounted on the policy maturity date.
 - Survival and Annuity benefits claims are accounted when due.
 - Surrenders and withdrawals are accounted as and when intimated. Benefits paid also includes amount payable on lapsed policies which are accounted for as and when due. Surrenders, withdrawals and lapsation are disclosed at net of charges recoverable.
 - Repudiated claims disputed before judicial authorities are provided for based on management prudence considering the facts and evidences available in respect of such claims.
 - Amounts recoverable from re-insurers are accounted for in the same period as the related claims and are reduced from claims.
- h. Acquisition costs such as commission, medical fees, etc. are costs that are primarily related to the acquisition of new and renewal insurance contracts. The same are expensed in the period in which they are incurred.
- i. **Liability for life policies:** The actuarial liability of all the life insurance policies has been calculated by the Appointed Actuary in accordance with the Insurance Act 1938, and as per the rules and regulations and circulars issued by IRDAI and the relevant Guidance Notes and/or Actuarial Practice Standards (APS) issued by the Institute of Actuaries of India.

Non-linked business is reserved using a prospective gross premium valuation method. Mathematical reserves are calculated based on future assumptions having regard to current and future experience. The unit liability in respect of linked business has been considered as the value of the units standing to the credit of the policy holders, using the Net Asset Value (NAV) as on the valuation date. Variable insurance policies (VIPs) have also been valued in a manner similar to the ULIP business by considering liability as the policy account standing to the credit of the policy holders plus additional provisions for adequacy of charges to meet expenses.

General Insurance:

- a. Premium including reinsurance accepted (net of goods & service tax) is recorded in the books at the commencement of risk. In case the premium is recovered in instalments, amount to the extent of instalment due is recorded on the due date of the instalment. Premium (net of goods & service tax), including reinstatement premium, on direct business and reinsurance accepted, is recognized as income over the contract period or the period of risk, whichever is appropriate, on a gross basis under 1/365 method. Any subsequent revision to premium is recognized over the remaining period of risk or contract period. Adjustments to premium income arising on cancellation of policies are recognised in the period in which they are cancelled.
- b. Commission received on reinsurance ceded is recognised as income in the period in which reinsurance risk is ceded. Profit commission under re-insurance treaties, wherever applicable, is recognized as income in the year of final determination of the profits as intimated by Reinsurer.
- c. In respect of proportional reinsurance ceded, the cost of reinsurance ceded is accrued at the commencement of risk. Non-proportional reinsurance cost is recognized when due. Non-proportional reinsurance cost is accounted as per the terms of the reinsurance arrangements. Any subsequent revision to, refunds or cancellations of premiums is recognized in the period in which they occur.
- d. Reinsurance inward acceptances are accounted for on the basis of returns, to the extent received, from the insurers.
- e. Acquisition costs are expensed in the period in which they are incurred. Acquisition costs are defined as costs that vary with, and are primarily related to the acquisition of new and renewal

insurance contracts viz. commission. The primary test for determination as acquisition cost is the obligatory relationship between the costs and the execution of the insurance contracts (i.e. commencement of risk).

- f. Claim is recognised as and when a loss occurrence is reported. Claim is recognised by creation of provision for the amount of claim payable as estimated by the management based on available information and past experience, on receipt of claim notification. Such provision is reviewed / modified as appropriate on the basis of additional information as and when available. Amounts received/receivable from the re-insurers/ co-insurers, under the terms of the reinsurance and coinsurance arrangements respectively, is recognised together with the recognition of claim. Provision for claims outstanding payable as on the date of Balance Sheet is net of reinsurance, salvage value and other recoveries as estimated by the management.
- g. Provision in respect of claim liabilities that may have been incurred before the end of the accounting year but are
 - not yet reported or claimed (IBNR) or
 - not enough reported i.e. reported with information insufficient for making a reasonable estimate of likely claim amount (IBNER),

The provision is made according to the amount determined by the Appointed Actuary based on actuarial principles in accordance with the Actuarial Practice Standards and Guidance Notes issued by the Institute of Actuaries of India and IRDAI regulations and guidelines.

Custody & Fund accounting services:

The revenue (net of goods & service tax) is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Pension Fund Operation:

Management fee is recognized at specific rates agreed with the relevant schemes, applied on daily net assets of each scheme, and is in conformity with the regulatory guidelines issued by Pension Fund Regulatory and Development Authority (PFRDA). The Company presents revenues net of Service Tax/ goods and service tax

- a. Mutual Fund Trusteeship fee is recognised at specific rates agreed with relevant schemes,

applied on the average daily Net Assets of each scheme (excluding inter-scheme investment, investment in fixed deposits, investments made by the Asset Management Company and deferred revenue expenses, where applicable), and is in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.

- b. Corporate Trusteeship Acceptance fees are recognised on the acceptance or execution of trusteeship assignment whichever is earlier. Corporate Trusteeship service charges are recognised/accrued on the basis of terms of trusteeship contracts/agreements entered into with clients.
- c. Income from online “will” services is recognised when the right to receive the fee is established, as all certainty for revenue recognition is present at the time of establishment of such right.

Infrastructure and Facility Management:

Revenue from management and consultancy fees is recognised as and when the said contractual work is awarded to the vendor and the agreed scope of work is completed by the vendor.

Merchant Acquiring Business:

- a. The revenue is measured on basis of consideration received or receivable for the services provided, excluding discounts, GST and other applicable taxes and are recognised upon performance of services.
- b. The revenue from deployment of POS is recognised either over the period during which the service is rendered or on basis of the number of transactions processed during the period in accordance with the rates and conditions specified in the agreements
- c. Income received but not accrued on account of maintenance deployment contract are recognised as deferred revenue and included in liabilities until the revenue recognition criteria are met. Income accrued but not billed represents revenue recognised on work performed but billed in subsequent period based on terms of contract.
- d. Revenue of providing services of Merchant Acquiring are recognised on fully loaded cost plus mark up on such costs
- e. Revenue is recognised to the extent it is probable that the economic benefits will flow and the revenue can be reliably measured

2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories. Under each category, the investments are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Debentures and Bonds, (v) Subsidiaries and Associates and (vi) Others.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

‘Investments outside India’ are classified under three categories – (i) Government Securities, (ii) Subsidiaries and/or joint Ventures abroad and (iii) Other Investments.

2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as “Held to Maturity (HTM)”.
- ii. Investments that are held principally for resale within 90 days from the date of purchase are classified as “Held for Trading (HFT)”.
- iii. Investments, which are not classified in the above two categories, are classified as “Available for Sale (AFS)”.
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in associates are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

2.3 Valuation:

A. Banking Business:

- i. The transactions in all securities are recorded on a Settlement Date. Cost of investment under AFS and HFT category is determined at the weighted average cost method by the group entities and cost of investments under HTM category is determined on FIFO basis (first in first out) by SBI and weighted average cost method by other group entities.
 - a. Brokerage/commission received on subscriptions is reduced from the cost. Brokerage, commission, securities transaction tax, etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
 - b. Broken period interest paid / received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.

ii. Valuation of investments classified as Held to Maturity:

- a. Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition, if any, is amortised over the term to maturity on constant yield basis. Such amortisation of premium is accounted as income on investments.
- b. A provision is made for diminution, other than temporary, for each investment individually.
- c. Investments in Regional Rural Banks (RRBs) are valued at equity cost determined in accordance with AS 23 of the ICAI.

iii. Valuation of investments classified as Available for Sale and Held for Trading:

Investments held under Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation, if any, of each group for each category (viz., (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Debentures & Bonds (v) Subsidiaries and Associates; and (vi) others) is provided for and net appreciation is ignored.

iv. Valuation policy in event of inter category transfer of investments:

- a. Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b. Transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. After transfer, these securities are immediately revalued and resultant depreciation, if any, in the Profit and Loss Account.

v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:

- a. The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
- b. SRs issued by an SC/ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ARC, is reckoned for valuation of such investments.

- c. In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR. SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

2.4 Investments (NPI)

- i. In respect of domestic offices/ entities, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows:
 - a. Interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
 - b. In the case of equity shares, in the event the investment in the shares of any company is valued at ₹1 per company on account of the non-availability of the latest Balance Sheet, those equity shares would be reckoned as NPI.
 - c. The Bank also classifies an Investment as a non-performing investment, in case any credit facility availed by the same borrower/entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.
 - d. The investments in debentures/bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices/entities, provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

2.5 Accounting for Repo/ Reverse Repo transactions

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and also with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralized Lending and Borrowing transactions.

- b. In Market Repo and Reverse Repo transaction, securities sold(purchased) and repurchased(resell) are accounted as normal outright sale(purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at call & short notice).
- c. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

B. Insurance Business:

In case of life and general insurance subsidiaries, investments are accounted in accordance with the Insurance Act, 1938, the IRDAI (Investment) Regulations, 2016 and IRDA (Presentation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, investment policy of the company and various other circulars / notifications as issued by IRDAI from time to time.

(i) Valuation of investment pertaining to non-linked life insurance business and general insurance business: -

- All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, the closing price of the secondary exchange i.e. BSE Limited ('BSE') is considered.
- Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from Credit Rating Information Services of India Limited (CRISIL).

- Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of Balance Sheet date in general insurance.
- Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.

Unrealized gains or losses arising due to change in the fair value of listed equity shares, mutual fund units and AIFs pertaining to shareholders' investments and non-linked policyholders investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

(ii) Valuation of investment pertaining to linked business: -

- Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from CRISIL. Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short term. If security is purchased during its short term tenor, it is valued at amortised cost using yield to maturity method. In case of securities with options, earliest Call Option/Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortization of premium or accretion of discount on yield to maturity basis.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available, closing price of the BSE is considered.
- Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.

- Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).
- Unrealized gains or losses arising due to changes in the fair value are recognized in the Profit & Loss Account.

3. Loans /Advances and Provisions thereon:

3.1 Based on the guidelines/directives issued by the RBI, Loans and Advances are classified as performing and non-performing as follows:

- i. The term loan is classified a non-performing asset, if interest and/or instalment of principal remains overdue for a period of more than 90 days;
- ii. An Overdraft or Cash Credit is classified a non-performing asset, if the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequate to cover the interest debited during the same period;

- iii. The bills purchased/discounted are classified as non-performing assets, if the bill remains overdue for a period of more than 90 days;
- iv. The agricultural advances are classified as non-performing assets, if (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:	<ol style="list-style-type: none"> i. A general provision of 15% on the total outstanding; ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio); iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available – 20%.
Doubtful Assets:	
-Secured portion:	<ol style="list-style-type: none"> i. Upto one year – 25% ii. One to three years – 40% iii. More than three years – 100%
-Unsecured portion	100%
Loss Assets:	100%

3.4 In respect of foreign offices/entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.

3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.

3.6 For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loan/ advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.

3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.

3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.

3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.

3.10 Appropriation of recoveries in NPAs are made in order of priority as under :

- a. Charges, Costs, Commission etc.
- b. Unrealized Interest / Interest
- c. Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for Floating Provisions separately for advances, investments and general purposes. The quantum of Countercyclical Provisioning Buffer and Floating Provisions to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

5. Provision for Country Exposure for Banking Entities:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the "Other Liabilities & Provisions – Others".

6. Derivatives:

6.1 The Bank enters into derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements in order to hedge on-Balance Sheet/off-Balance Sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-Balance Sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-Balance Sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.

6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets / liabilities are also marked to market.

6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.

6.5 Exchange Traded Derivatives entered into for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

7. Fixed Assets Depreciation and Amortisation:

7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.

7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices/ entities are depreciated at straight line method based on useful life of the assets states as under:

Sr. No.	Description of Fixed Assets	Useful Life
1	Computers	3 Years
2	Computer Software forming an integral part of the Computer hardware	3 Years
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	3 Years
4	Automated Teller Machine/ Cash Deposit Machine/Coin Dispenser / Coin Vending Machine	5 Years
5	Servers	4 Years
6	Network Equipment	5 Years
7	Other major fixed assets	
	Premises	60 Years
	Vehicles	5 Years
	Safe Deposit Lockers	20 Years
	Furniture & Fixtures	10 Years

7.3 In respect of assets acquired during the year for domestic operations, depreciation is charged on proportionate basis for the number of days assets have been put to use during the year.

7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.

7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.

7.6 In respect of fixed assets held at foreign offices/entities, depreciation is provided as per the regulations /norms of the respective countries.

7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

10. Effect of changes in the foreign exchange rate:

10.1 Foreign Currency Transactions

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.

iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.

v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.

vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the Balance Sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.

vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.

viii. Gains / Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the Profit and Loss Account.

10.2 Foreign Operations:

Foreign Branches/Subsidiaries / Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/subsidiaries/joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

b. Integral Operations:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.

- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

11. Employee Benefits:

11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

11.2 Long Term Employee Benefits:

i. Defined Benefit Plans :

- a. SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Provident Fund scheme. SBI contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognizes such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for on the basis of actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognise the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b. The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon

completion of five years of service. SBI makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

- c. SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Pension Fund Rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- d. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains/losses are immediately recognised in the Profit and Loss and are not deferred.

ii. Defined Contribution Plans:

SBI operates a New Pension Scheme (NPS) for all officers/ employees joining SBI on or after 1st August, 2010, which is a defined contribution plan, such new joiners not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with a matching contribution from SBI. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the same rate as that of the current account of Provident Fund balance. SBI recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

iii. Other Long Term Employee benefits:

- a. All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long term employee benefits are internally funded by the group entities.

The cost of providing other long term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is immediately recognised in the Profit and Loss and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices/ entities are valued and accounted for as per the respective local laws/regulations.

12. Segment Reporting

The Group recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

13. Taxes on income

Income tax expense is the aggregate amount of current tax, deferred tax and fringe benefit tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after taking into account taxes paid at the foreign offices/entities, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management’s judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

14. Earnings per Share:

14.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

15. Provisions, Contingent Liabilities and Contingent Assets:

15.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Group recognises provisions only when it has a present obligation as a result of a past event and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

15.2 No provision is recognised for

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
- ii. any present obligation that arises from past events but is not recognised because
 - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities.

These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the debit card holders of SBI is being provided for on actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

16. Bullion Transactions:

SBI imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. SBI earns a fee on such bullion transactions. The fee is classified under commission income. SBI also accepts deposits and lends gold, which is treated as deposits/advances as the case may be with the interest paid/received classified as interest

expense / income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet

17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

19. Cash and cash equivalents

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

Investments under Plan Assets of Gratuity Fund & Pension Fund as on March 31, 2021 are as follows:

Category of Assets	Pension Fund	Gratuity Fund
	% of Plan Assets	% of Plan Assets
Central Govt. Securities	21.21%	18.02%
State Govt. Securities	38.68%	39.38%
Debt Securities, Money Market Securities and Bank Deposits	30.01%	29.31%

Insurer Managed Funds	1.85%	4.84%
Others	1.82%	1.71%
Total	100.00%	100.00%

Principal actuarial assumptions:

Particulars	Pension Plans	
	Current year	Previous year
Discount Rate	6.90%	6.83%
Expected Rate of return on Plan Asset	6.90%	6.83%
Salary Escalation Rate	5.60%	5.40%
Pension Escalation Rate	1.20%	0.80%
Attrition Rate	2.00%	2.00%

	Gratuity Plans	
	Current year	Previous year
Discount Rate	6.82%	6.84%
Expected Rate of return on Plan Asset	6.82%	6.84%
Salary Escalation Rate	5.60%	5.40%
Attrition Rate	2.00%	2.00%

The expected contribution to the Pension and Gratuity fund for the next year is ₹ 3,190.72 crore and ₹ 1,645.28 crore respectively.

In case of SBI, as the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience/ immediate future. Empirical evidence also suggests that in the very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

With a view to further strengthen the Pension Fund, it was decided to upwardly revise some of the assumptions.

2.3 Accounting Standard- 17 "Segment Reporting":

2.3.1 Segment identification

A) Primary (Business Segment)

The following are the Primary Segments of the Group:

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- a) **Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.
- b) **Corporate / Wholesale Banking:** The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices/entities.
- c) **Retail Banking:** The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs
- d) **Insurance Business –** The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.
- e) **Other Banking business–** Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

B) Secondary (Geographical Segment):

- a) **Domestic Operations -** Branches, Subsidiaries and Joint Ventures having operations in India.

- b) **Foreign Operations** - Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

C) Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

D) Allocation of Revenue, Expenses, Assets and Liabilities

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Group has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

➤ **Description of contingent liabilities (AS-29):**

Sr. No	Particulars	Brief Description
1	Claims against the Group not acknowledged as debts	The parent and its constituents are parties to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, SBI generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Group is contingently liable	The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The contingent liabilities mentioned above are dependent upon the outcome of court/arbitration/out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

➤ **Movement of provisions against contingent liabilities:**

The movement of provisions against contingent liabilities given in the table below:

₹ in crore

Sr. No.	Particulars	Current Year	Previous Year

*As defined in Section 3(7) of the Insolvency and Bankruptcy Code, 2016

10. The spread of COVID-19 pandemic across the globe has resulted in decline in economic activities and increase in movement in financial markets. In this situation, Bank is gearing up itself on all fronts to meet the challenges. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis. Major challenges for the Bank could be from extended working capital cycles, fluctuating cash flow trends and probable inability of the borrowers to meet their obligations against the loans timely. The bank is proactively providing against the challenges of likely stress on the bank's assets. A definitive assessment of the impact of COVID-19 is dependent upon circumstances as they evolve in the subsequent period.

RBI vide Notification No. RBI/2019-20/186 DOR.No.BP.BC.47/21.04.048/2019-20 dated March 27, 2020, subsequent notifications dated April 17, 2020 and May 23, 2020 has announced measures to mitigate the burden of debt servicing brought about by disruptions on account of COVID-19 pandemic and to ensure the continuity of viable businesses. The measures, inter alia, includes Rescheduling of Payments –Term Loans and Working capital Facilities, Easing of Working Capital Financing, Classification as Special Mention Account (SMA) and Non-performing Asset (NPA) etc.

The bank has proactively made an additional provision towards the possible impact of COVID-19 pandemic, on the basis of the evaluation and assessment done with reference to the information now available and analysis made thereon. The said provision is in addition to the provisions held as per RBI guidelines as regards loan loss provisions. On the basis of above-mentioned assessment, Bank's management is not expecting any significant impact on Bank's liquidity or profitability.

11. To ease the financial stress caused by COVID-19 disruptions on borrowers and relax the repayment pressures, Hon'ble Supreme Court, vide order dated March 23, 2021, directed that there shall not be any charge of interest on interest / compound interest / penal interest for the period during the moratorium from March 1, 2020 to August 31, 2020 and such interest shall be refunded to the concerned borrowers to be given credit / adjusted in the next instalment of the loan amount. Accordingly, SBI has reversed interest income by ₹ 830 crore during the year ended March 31, 2021.
12. In terms of RBI Circular RBI/2015-16/376 DBR. No. BP/BC.92/21.04.048/2015-16 dated April 18, 2016 during quarter ended March 31, 2020, in respect of advance account declared as fraud, SBI had chosen to provide for the fraud over four quarters as permitted by RBI. However, SBI has provided the entire balance amount of ₹ 5,230.37 crore as on March 31, 2020 in the first quarter of year ended March 31, 2021.
13. SBI has revalued immovable properties on June 30, 2019 based on reports obtained from the external independent valuers and the closing balance of Revaluation Reserve as on March 31, 2021, (net of amount transferred to General Reserve) is ₹ 23,577.35 crore (Previous year ₹ 23,762.67 crore).
14. During the year, SBI accounted for ₹ 5,353.50 crore arising out of 11th Bi-Partite Wage Settlement effective from November 1, 2017.
15. In respect of SBI Life Insurance Company Ltd., IRDAI has issued directions under Section 34(1) of the Insurance Act, 1938 to distribute the administrative charges paid to Master policy holders vide order no. IRDA/Life/ORD/Misc/228/10/2012 dated October 5, 2012 amounting to ₹ 84.32 crore (Previous Year ₹ 84.32 crore). The company had filed an appeal against the said order with Ministry of Finance, Government of India, who remanded the case

back to IRDAI on November 04, 2015. IRDAI issued further directions dated January 11, 2017 reiterating the directions issued on October 5, 2012. The company has filed an appeal against the said directions /orders with Securities Appellate Tribunal (SAT), which was dismissed by SAT vide order dated April 7, 2021. The company is in the process of filing an appeal before the Hon'ble Supreme Court challenging the said SAT order in consultation with the legal counsel.

In the above-mentioned matter, SBI Life Insurance Company Ltd. has shown a requisite amount as contingent liability in the financials of the company.

16. The investments of life and general insurance subsidiaries have been accounted for in accordance with the IRDAI guidelines instead of restating the same in accordance with the accounting policy followed by SBI. The investments of insurance subsidiaries constitute approximately 14.13% (Previous Year 13.34%) of the total investments as on March 31, 2021.
17. The Central Board of SBI has declared a dividend of ₹ 4 per share @ 400% for the year ended March 31, 2021.
18. In accordance with RBI circular DBOD NO.BP. BC.42/21.01.02/2007-08, redeemable preference shares (if any) are treated as liabilities and the coupon payable thereon is treated as interest.
19. In accordance with current RBI guidelines, the general clarification issued by ICAI has been considered in the preparation of the consolidated financial statements. Accordingly, additional statutory information disclosed in separate financial statements of the parent and its subsidiaries having no bearing on the true and fair view of the consolidated financial statements and also the information pertaining to the items which are not material have not been disclosed in the consolidated financial statements in view of the Accounting Standard Interpretation issued by ICAI.
20. Previous year figures have been regrouped/reclassified, wherever necessary, to confirm to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines/Accounting Standards, previous year's figures have not been mentioned.

INDEPENDENT AUDITORS' REPORT

To,
The Board of Directors,
State Bank of India,
 State Bank Bhavan,

Report on Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated Financial Statements of State Bank of India ("the Bank") which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Profit and Loss Account and Consolidated Cash Flow Statement for the year then ended, and Notes to Consolidated Financial Statements including a summary of Significant Accounting Policies and other explanatory information which includes:

- a) Audited Standalone Financial Statements of the Bank which have been Audited by all the fourteen Statutory Central Auditors including us;
- b) Audited Financial Statements of 26 Subsidiaries, 8 Jointly Controlled Entities and 16 Associates (including 14 Regional Rural Banks) audited by other Auditors; and (listed in Annexure A)
- c) Un-audited Financial Statements of 1 Subsidiary and 1 Associate (listed in Annexure A).

The above entities together with the Bank are referred to as the 'Group'.

In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of subsidiaries, jointly controlled entities and associates, the unaudited financial statements and the other financial information of subsidiaries as furnished by the management, the aforesaid Consolidated Financial Statements are in conformity with accounting principles generally accepted in India and give:

- a) true and fair view in case of the Consolidated Balance Sheet, of the State of Affairs of the Group as at March 31, 2021;
- b) true balance of profit in case of Consolidated Profit & Loss Account for the year ended on that date; and
- c) true and fair view in case of Consolidated Cash Flow Statement for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Consolidated Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3. We draw attention to Note No. 10 of Schedule 18 of the Consolidated Financial Statements regarding impact of COVID-19 pandemic. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis with respect to the challenges faced.

Our opinion is not modified in respect of this matter.

Key Audit Matters

4. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Consolidated Financial Statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters of the Bank to be communicated in our report:

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
Key Audit matters reported in standalone financial statements of the Bank:		
I	<p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 51.61 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per Note 3 of Schedule 17.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which also identifies whether the advances are performing or non-performing. Further, NPA classification and calculation of provision is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/judgement involved in valuation of securities, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances</p>	<p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of the following</p> <ol style="list-style-type: none"> The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches allotted to us; Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank; Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements; We have also relied on the reports of External IT System Audit experts with respect to the business logics / parameters inbuilt in CBS for tracking, identification and stamping of NPAs and provisioning in respect thereof. We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions. We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection. In carrying out substantive procedures at the branches allotted to us, we have examined all large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management. We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision; Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
ii	<p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities. Investments constitute 32.90 percent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non performing investments and provisioning related to investments</p>	<p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non performing investments (NPIs), provisioning/depreciation related to Investments. In particular ;</p> <ol style="list-style-type: none"> We evaluated and understood the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments; We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments; For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample; We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision; We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs; We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.
iii	<p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 2.9 of Schedule 18 to the financial statements) :</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>	<p>Our audit approach involved:</p> <ol style="list-style-type: none"> Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances; Understanding the current status of the litigations/tax assessments; Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon; Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts; Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and Verification of disclosures related to significant litigations and taxation matters.

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
iv	<p>Modified Audit Procedures carried out in the light of continuing COVID-19 pandemic:</p> <p>Due to the continuing COVID-19 pandemic, lockdown declared by some of the State Governments and travel restrictions imposed by State Governments / Local Authorities during the period of our audit and the RBI directions to Bank to facilitate carrying out audit remotely wherever physical access was not possible, audit could not be conducted by visiting the premises of certain Branches / LHOs/ Business Units in the Corporate Office of the bank.</p> <p>As we could not gather audit evidence in person/ physically/ through discussions and personal interactions with the officials at the Branches/Circle / Administrative /Corporate Offices, either fully or partially, we have identified such modified audit procedures as a Key Audit Matter.</p> <p>Accordingly, our audit procedures were modified to carry out the audit remotely.</p>	<p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments/local administration during the period of our audit, we could not travel to the Branches/ Circle /Administrative /Corporate Offices and carry out the audit processes physically at the respective offices.</p> <p>Wherever physical access was not possible, necessary records/ reports/ documents/ certificates were made available to us by the Bank through digital medium, emails and remote access to CBS, CCDP and other relevant application software. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to us which were relied upon as audit evidence for conducting the audit and reporting for the current period.</p> <p>Accordingly, we modified our audit procedures as follows:</p> <ol style="list-style-type: none"> Conducted verification of necessary records/ documents/ CBS/ CCDP and other Application software electronically through remote access/emails in respect of some of the Branches / LHOs / Administrative Offices and other offices of the Bank wherever physical access was not possible. Carried out verification of scanned copies of the documents, deeds, certificates and the related records made available to us through emails and remote access over secure network of the Bank. Making enquiries and gathering necessary audit evidence through Video Conferencing, dialogues and discussions over phone calls/conference calls, emails and similar communication channels. Resolution of our audit observations telephonically/ through email instead of a face-to-face interaction with the designated officials.
Key Audit Matters as reported by auditors of SBI Life Insurance Company Limited:		
v	<p>All insurance companies are highly dependent on technology due to significant number of transactions that are processed daily. A significant part of the company's financial processes is heavily reliant on IT systems with automated processes and controls over the capturing, valuing and recording of transactions. Thus, there exists a risk that gaps in the IT Control Environment could result in the financial accounting and reporting records being materially misstated.</p> <p>The company uses several systems for its overall financial reporting. We have identified "IT systems and controls" as key audit matters because of significant use of IT system and the scale and complexity of the IT architecture.</p>	<p>Principal audit procedures:</p> <ul style="list-style-type: none"> Sample testing of key control over IT systems having impact on financial accounting and reporting. Assessed the IT system processes for effectiveness of some of the key controls with respect to financial accounting and reporting records by sample testing; and Our audit approach relies on automated controls and therefore procedures are designed to test control over IT systems, segregation of duties, interface and system application controls over key financial accounting and reporting systems. Reviewed the report of independent information system auditors which has confirmed the various system control measures adopted by the company.

Information Other than the Consolidated Financial Statements and Auditors' Report thereon

- The Bank's Board of Directors is responsible for the other information. The other information comprises the Corporate Governance report (but does not include the Consolidated Financial Statements and our auditors' report thereon), which will be obtained at the time of issue of this auditors' report, and the Directors' Report of the Bank including annexures in annual report, if any, thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Consolidated Financial Statements does not cover the other information and Pillar 3 disclosures under Basel III Disclosure and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's Report of the Bank, including annexures in annual report, if any, thereon, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

- The Bank's Board of Directors is responsible with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standard 21- "Consolidated Financial Statements", Accounting Standards 23- "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standards 27 - Financial Reporting of Interest in Joint Venture" issued by the Institute of Chartered Accountants of India, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Banking Regulations Act, 1949 and applicable laws for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, respective Board of Directors of the Group Entities is responsible for assessing the respective Group Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group Entities or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors of the Group Entities are also responsible for overseeing the respective Group Entity's financial reporting process.

Auditors' Responsibility for the Audit of Consolidated Financial Statements

- Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may

cause the Group Entity to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its Associates and Jointly Controlled Entities of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

8. Incorporated in these consolidated financial statements are the:
 - a) We did not audit the financial statements/ information of 10842 branches included in the Standalone Financial Statements of the Bank whose financial statements / financial information reflect total assets of ₹ 34,44,485 crore at March 31, 2021 and total revenue of ₹ 2,83,673 crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements / information of these branches have been audited by the branch auditors whose reports have been furnished to us, and in our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors;
 - b) We did not audit the financial statements of 26 Subsidiaries, 8 Jointly Controlled Entities whose financial statements reflect total assets of ₹ 328,891.56 crore as at March 31, 2021, total revenues of ₹ 81,067.73 crore for the year ended on that date, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net loss of ₹ 664.98 crore for the year ended March 31, 2021, as considered in the Consolidated Financial Statements, in respect of 16 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors
 - c) We did not audit the financial statements of 1 subsidiary whose financial statements reflect total assets of ₹ 7,604.08 crore as at March 31, 2021, total revenues of ₹ 236.33 crore, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net loss of ₹ 2.02 crore for the year ended March 31, 2021, as considered in the Consolidated Financial Statements, in respect of 1 associate, whose financial statements / financial information have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and associate, and our report relates to the aforesaid subsidiaries, jointly controlled entities and associates, in so far as is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

9. The auditors of SBI Life Insurance Company Limited and SBI General Insurance Company Limited, subsidiaries of the Group, have reported that the actuarial valuation of liabilities for life policies in force and the actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR) and Claims Not Incurred But Not Enough Reported (IBNER) is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2021 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority of India ("IRDAI" / "Authority") and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in financial statements of the Company.

Report on Other Legal and Regulatory Requirements

10. The Consolidated Balance Sheet and the Consolidated Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraph 5 to 8 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
 - b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
 - c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.
11. We further report that:
 - a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and the reports of the other auditors and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
 - b) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;

- c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and
- d) in our opinion, the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

12. As required by letter No. DOS.ARG.No.6270/08.91.001/2019-20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:

- a) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- b) On the basis of the written representations received from the directors of the Bank as on March 31, 2021 taken on record by the Board of Directors of the Bank and the reports of the statutory auditors of its subsidiary, associate companies and jointly controlled entities incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.
- c) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
- d) As per para 1.14 of the Technical Guide on Audit of Internal Financial Controls in Case of Public Sector Banks issued by ICAI, the reporting requirement as introduced by RBI regarding Internal Financial Control over Financial Reporting will apply only to standalone financial statements of Public Sector Banks (PSBs) and not to consolidated financial statements of PSBs. Accordingly, reporting is not done on the Group's Internal Financial Control over Financial Reporting with reference to the Consolidated Financial Statements as at March 31, 2021.

DF-2 – CAPITAL ADEQUACY

As on 31.03.2021

Qualitative Disclosures

- (a) A summary discussion of the Bank's approach to assessing the adequacy of its capital to support current and future activities
- The Bank and its Banking Subsidiaries undertake the Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis in line with the New Capital Adequacy Framework (NCAF) Guidelines of RBI. The ICAAP details the capital planning process and carries out an assessment covering measurement, monitoring, internal controls, reporting, capital requirement and stress testing of the following Risks:
 - Credit Risk
 - Operational Risk
 - Liquidity Risk
 - Compliance Risk
 - Pension Fund Obligation Risk
 - Reputation Risk
 - Residual Risk from Credit Risk Mitigants
 - Talent Risk
 - Other than above Risks
 - Market Risk
 - Credit Concentration Risk
 - Interest Rate Risk in the Banking Book
 - Country Risk
 - Strategic Risk
 - Model Risk
 - Contagion Risk
 - Cyber Risk
 - Underwriting Risk
 - Sensitivity Analysis is conducted annually or more frequently as required, on the movement of Capital Adequacy Ratio (CAR) in the medium horizon of 3 to 5 years, considering the projected investment in Subsidiaries / Joint Ventures by SBI and growth in Advances by SBI and its Subsidiaries (Domestic / Foreign). This analysis is done for the SBI and SBI Group separately.
 - CRAR of the Bank and for the Group as a whole is estimated to be well above the Regulatory CAR in the medium horizon of 3 to 5 years. However, to maintain adequate capital, the Bank has options to augment its capital resources by raising Subordinated Debt, Perpetual Cumulative Preference Shares (PCPS), Redeemable Non-Cumulative Preference Shares (RNCPS), Redeemable Cumulative Preference Shares (RCPS), Perpetual Debt Instruments (PDIs) and Perpetual Non-Cumulative Preference Shares (PNCPs) besides Equity as and when required.

- Strategic Capital Plan for the Foreign Subsidiaries covers an assessment of capital requirement for growth of assets and the capital required complying with various local regulatory requirements and prudential norms. The growth plan is approved by the parent bank after satisfying itself about the capacity of the individual subsidiaries to raise CET 1 / AT 1 / Tier 2 Capital to support the increased level of assets and at the same time maintaining the Capital Adequacy Ratio (CAR).

DF-3: CREDIT RISK: GENERAL DISCLOSURES

As on 31.03.2021

General Disclosures

a. Qualitative Disclosures

- **Definitions of past due and impaired assets (for accounting purposes)**

Non-performing assets

An asset becomes non-performing when it ceases to generate income for the Bank. As from 31st March 2006, a non-performing Asset (NPA) is an advance where

- (i) Interest and/or instalment of principal remain 'overdue' for a period of more than 90 days in respect of a Term Loan
- (ii) The account remains 'out of order' for a period of more than 90 days, in respect of an Overdraft/Cash Credit (OD/CC)
- (iii) The bill remains 'overdue' for a period of more than 90 days in the case of bills purchased and discounted
- (iv) Any amount to be received remains 'overdue' for a period of more than 90 days in respect of other accounts
- (v) A loan granted for short duration crops is treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and a loan granted for long duration crops is treated as NPA, if instalment of principal or interest thereon remains overdue for one crop season
- (vi) An account would be classified as NPA only if the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter.
- (vii) The amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitization transactions undertaken in accordance with the RBI guidelines on securitization dated February 1, 2006.
- (viii) In respect of derivative transactions, the overdue receivables representing the positive mark to market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

'Out of Order' status

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power. In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Bank's Balance Sheet, or where credits are not enough to cover the interest debited during the same period, such accounts are treated as 'out of order'.

'Overdue'

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

• Resolution of Stressed Assets

Early identification and reporting of stress:

Identification of incipient stress in loan accounts, immediately on default*, by classifying stressed assets as special mention accounts (SMA) as per the following categories:

SMA Sub-categories	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue between
SMA-0	1-30 days
SMA-1	31-60 days
SMA-2	61-90 days

* Default' means non-payment of debt when whole or any part or instalment of the amount of debt has become due and payable and is not repaid by the debtor or the corporate debtor. For revolving facilities like cash credit, default would also mean, without prejudice to the above, the outstanding balance remaining continuously in excess of the sanctioned limit or drawing power, whichever is lower, for more than 30 days.

• Discussion of the Bank's Credit Risk Management Policy

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Over the years, the policy & procedures in this regard have been refined as a result of evolving concepts and actual experience. The policy and procedures have been aligned to the approach laid down in Basel-II and RBI guidelines. Credit Risk Management encompasses identification, assessment, measurement, monitoring and control of the credit risk in exposures.

In the processes of identification and assessment of Credit Risk, the following functions are undertaken:

- (i) Developing and refining the Credit Risk Assessment (CRA) Models/Scoring Models to assess the Counterparty Risk, by taking into account the various risks categorized broadly into Financial, Business, Industrial and Management Risks, each of which is scored separately.
- (ii) Conducting industry research to give specific policy prescriptions and setting quantitative exposure parameters for handling portfolio in large / important industries, by issuing advisories on the general outlook for the Industries / Sectors, from time to time.

The measurement of Credit Risk involves computation of Credit Risk Components viz Probability of Default (PD), Loss Given Default (LGD) and Exposure At Default (EAD).

The monitoring and control of Credit Risk includes setting up exposure limits to achieve a well-diversified portfolio across dimensions such as single borrower, group borrower and industries. For better risk management and avoidance of concentration of Credit Risks, internal guidelines on prudential exposure norms in respect of individual companies, group companies, Banks, individual borrowers, non-corporate entities, sensitive sectors such as capital market, real estate, sensitive commodities, etc., are in place. Credit Risk Stress Tests are conducted at half yearly interval to identify vulnerable areas for initiating corrective action, where necessary.

The Bank has also a Loan Policy which aims at continued improvement of the overall quality of assets at the portfolio level, by establishing a commonality of approach regarding credit basics, appraisal skills, documentation standards and awareness of institutional concerns and strategies, while leaving enough room for flexibility and innovation

The Bank has processes and controls in place in regard to various aspects of Credit Risk Management such as appraisal, pricing, credit approval authority, documentation, reporting and monitoring, review and renewal of credit facilities, management of problem loans, credit monitoring, etc. The Bank also has a system of Credit Audit with the aims of achieving continuous improvement in the quality of the credit portfolio with exposure of ₹20 cr. and above. Credit Audit covers audit of credit sanction decisions at various levels. Both the pre-sanction process and post-sanction position are examined as a part of the Credit Audit System. Credit Audit also examines identified Risks and suggests Risk Mitigation Measures.

DF-4: CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

As on 31.03.2021

Disclosures for Portfolios subject to Standardised Approach

Qualitative Disclosures

- Definitions of past due and impaired assets (for accounting purposes)**

(a) As per RBI Guidelines, the Bank has identified CARE, CRISIL, ICRA, India Rating, Brickwork, ACUITE Ratings and Research and INFOMERICS (Domestic Credit Rating Agencies) and FITCH, Moody's and S&P (International Rating Agencies) as approved Rating Agencies, for the purpose of rating Domestic and Overseas Exposures, respectively, whose ratings are used for the purpose of computing Risk-weighted Assets and Capital Charge.

- Types of exposures for which each Agency is used**

- For Exposures with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits), Short-term Ratings given by approved Rating Agencies are used.
- For Cash Credit, Overdraft and other Revolving Credits (irrespective of the period) and for Term Loan exposures of over 1 year, Long Term Ratings are used.

- Description of the process used to transfer Public Issue Ratings onto comparable assets in the Banking Book**

The key aspects of the Bank's external ratings application framework are as follows:

- All long term and short term ratings assigned by the credit rating agencies specifically to the Bank's long term and short term exposures respectively are considered by the Bank as issue specific ratings.
- Foreign sovereign and foreign bank exposures are risk-weighted based on issuer ratings assigned to them.
- The Bank ensures that the external rating of the facility/borrower has been reviewed at least once by the ECAI during the previous 15 months and is in force on the date of its application.
- Where multiple issuer ratings are assigned to an entity by various credit rating agencies, In this context, the lower rating, where there are two ratings and the second-lowest rating where there are three or more ratings are used for a given facility.

Long-term Issue Specific Ratings (For the Bank's own exposures or other issuance of debt by the same borrower-constituent/counter-party) or Issuer (borrower-constituents/counter-party) Ratings are applied to other unrated exposures of the same borrower-constituent/counter-party in the following cases :

- If the Issue Specific Rating or Issuer Rating maps to Risk Weight equal to or higher than the unrated exposures, any other unrated exposure on the same counter-party is assigned the same Risk Weight, if the exposure ranks pari passu or junior to the rated exposure in all respects.
- In cases where the borrower-constituent/counter-party has issued a debt (which is not a borrowing from the Bank), the rating given to that debt is applied to the Bank's unrated exposures, if the Bank's exposure ranks pari passu or senior to the specific rated debt in all respects and the maturity of unrated Bank's exposure is not later than the maturity of the rated debt.

DF-5: CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES

As on 31.03.2021

Credit Risk Mitigation: Disclosures for Standardised Approach

(a) Qualitative Disclosures

- **Policies and processes for, and an indication of the extent to which the bank makes use of, on- and off-balance sheet netting**

On-balance sheet netting is confined to loans/advances and deposits, where the Bank have legally enforceable netting arrangements, involving specific lien with proof of documentation. The Bank calculates capital requirements on the basis of net credit exposures subject to the following conditions:

Where bank,

- has a well-founded legal basis for concluding that the netting or offsetting agreement is enforceable in each relevant jurisdiction regardless of whether the counterparty is insolvent or bankrupt;
- is able at any time to determine the loans/advances and deposits with the same counterparty that are subject to the netting agreement; and
- monitors and controls the relevant exposures on a net basis, it may use the net exposure of loans/advances and deposits as the basis for its capital adequacy calculation. Loans/advances are treated as exposure and deposits as collateral.

- **Policies and Processes for Collateral Valuation and Management**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Part B of this policy deals with Credit Risk Mitigation and Collateral Management, addressing the Bank's approach towards the credit risk mitigants used for capital calculation.

The objective of this Policy is to enable classification and valuation of credit risk mitigants in a manner that allows regulatory capital adjustment to reflect them.

- Classification of credit risk-mitigants
- Acceptable credit risk-mitigants
- Documentation and legal process requirements for credit risk-mitigants
- Valuation of collateral
- Margin and Haircut requirements
- External ratings
- Custody of collateral
- Insurance
- Monitoring of credit risk mitigants
- General guidelines.

- **Description of the main types of collateral taken by the Bank**

The following collaterals are usually recognised as Credit Risk Mitigants under the Standardised Approach:

Cash or Cash equivalent (Bank Deposits/NSCs/KVP/LIC Policy, etc.)

Gold

Securities issued by Central / State Governments

Debt Securities rated BBB- or better/ PR3/P3/F3/A3 for Short-Term Debt Instrument

- **Main types of Guarantor Counterparty and their creditworthiness**

The Bank accepts the following entities as eligible guarantors, in line with RBI guidelines:

- Sovereign, Sovereign entities [including Bank for International Settlements (BIS), International Monetary Fund (IMF), European Central Bank and European Community as well as Multilateral Development Banks, Export Credit & Guarantee Corporation (ECGC) and Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)], Public Sector Enterprises (PSEs), Banks and Primary Dealers with a lower risk weight than the counterparty.
- Other guarantors having an external rating of AA or better. In case the guarantor is a parent company, affiliate or subsidiary, they should enjoy a risk weight lower than the obligor for the guarantee to be recognised by the Bank. The rating of the guarantor should be an entity rating which has factored in all the liabilities and commitments (including guarantees) of the entity.

Information about (Market or Credit) risk concentrations within the mitigation taken:

The Bank has a well-dispersed portfolio of assets which are secured by various types of collaterals, such as: -

- Eligible financial collaterals listed above
- Guarantees by sovereigns and well-rated corporates,
- Fixed assets and current assets of the counterparty.

DF-7: MARKET RISK IN TRADING BOOK

As on 31.03.2021

(a) QUALITATIVE DISCLOSURES:

- (1) The Bank follows Standardised Measurement Method (SMM) for computing capital requirement for Market Risk.
- (2) Market Risk Management Department (MRMD) is functioning as a part of Risk Management Department of the Bank, in terms of Governance structure approved by the Board of the Bank.
- (3) MRMD is responsible for identification, assessment, monitoring and reporting of market risk associated with Treasury Operations.
- (4) The following Board approved policies with defined Market Risk Management parameters for each asset class are in place:
 - (a) Market Risk Management Policy
 - (b) Market Risk Limits
 - (c) Investment Policy
 - (d) Trading Policy
 - (e) Stress Test Policy for Market Risk
- (5) Risk monitoring is an ongoing process and risk positions are analysed and reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (6) Risk management and reporting is based on parameters such as Modified Duration, PV01, Option Greeks, Maximum permissible exposures, Value at Risk Limits, Concentration Risk Limits, Lower and upper management Action Triggers, in line with global best practices.
- (7) Forex Open position limit (Daylight/Overnight), Stop Loss Limit, Aggregate Gap Limit (AGL), Individual Gap Limit (IGL) as approved by the Board is monitored and exceptions, if any, is reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (8) Value at Risk (VaR) is computed on a daily basis. Back-Testing of VaR number is carried out on daily basis. Stress Testing is carried out at quarterly intervals as a complement to Value at Risk. Results are reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (9) Respective Foreign offices monitor risk of their investment portfolio, as per the local regulatory and RBI stipulations. Stop Loss limit for individual investments and exposure limits for certain portfolios have been prescribed.
- (10) Bank has submitted Letter of Intent (LOI) to RBI to migrate to advanced approach i.e. Internal Models Approach for calculating capital charge for market risk and.

(b) QUANTITATIVE DISCLOSURES:**CAPITAL CHARGE ON MARKET RISK**

Bank maintains Capital Charge for Market Risk under the Standardised measurement method as under.

DF-8: OPERATIONAL RISK

As on 31.03.2021

Qualitative Disclosures**A. The structure and organization of Operational Risk Management function**

- The Operational Risk Management Department functions in SBI as part of the Integrated Risk Governance Structure under the control of respective Chief Risk Officer. In SBI, Chief Risk Officer reports to Risk Management Committee of the Board (RMCB)
- The operational risk related issues in other Group entities are being dealt with as per the requirements of the business model and their regulators under the overall control of Chief Risk Officers of respective entities.

B. Policies for control and mitigation of Operational Risk in SBI**Domestic Banking Entities (SBI)**

The following Policies, Framework Documents and Manuals are in place in SBI:

Policies and Framework Documents

- Operational Risk Management policy encompasses Operational Risk Management Framework for systematic and proactive identification, assessment, measurement, monitoring, mitigation and reporting of the Operational Risks.
- Loss Data Management Policy;
- External Loss Data Management Policy;
- IS Policy;
- IT Policy;
- Cyber Security Policy
- Group Cyber Security Policy
- Business Continuity Planning (BCP) Policy;
- Business Continuity Management System (BCMS) Policy;
- Policy on Know Your Customer (KYC) Standards and Anti Money Laundering (AML)/ Combating of Financing of Terrorism Measures;
- Policy on Fraud Risk Management;
- Bank's Outsourcing Policy;
- Policy on Insurance;

Manuals

- Operational Risk Management Manual
- Loss Data Management Manual
- Business Continuity Planning (BCP) Manual
- Business Continuity Management System (BCMS) Manual
- External Loss Data Manual

Domestic Non-Banking and Overseas Banking entities

Policies and Manuals, as relevant to the business model of Non-Banking entities and as per the requirements of the overseas regulators in respect of Overseas Banking subsidiaries are in place. A few of the policies in place are – Disaster Recovery Plan/ Business Continuity Plan, Incident Reporting Mechanism, Near Miss Events Reporting Mechanism, Outsourcing Policy, etc.

C. Strategies and Processes

Domestic Banking entities (SBI)

Advanced Measurement Approach

- To successfully embed the risk culture and operational risk management, Risk Management Committees at various levels at Circles like RMCAOs, RMCCs, and RMCs at the Business and Support Groups (RMC-R & DB, RMC-IBG, RMC-GMU, RMC-CAG, RMC-CCG, RMC-SARG & RMC-IT) are in place in addition to the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB).
- The process of building a comprehensive database of internal and external losses due to Operational Risks as per Basel defined 8 Business Lines and 7 Loss Event Types is in place. In addition, Near Miss Events and external losses are also captured to improve risk management practices.
- Risk and Control Self-Assessment (RCSA) is a proactive exercise conducted in workshop-based manner to identify gaps, if any, in the existing controls and suggestions are invited for improvement of System & Controls to mitigate the Risks. RCSA also helps in generating risk awareness among staff members. RCSA exercise is carried out across Bank Branches, CPCs & Offices on a yearly basis. Bank also conducts theme based RCSA for Products /Processes. During FY 21, year, Bank has conducted 24 theme based RCSA exercises based on the RCSA exercise, Mitigation plans are prepared and implemented for activities rated as High & Critical Risks. Feasibility study is carried out by Business owners for suggestions received during RCSA exercise for further improvement of System & Controls in the Bank.
- Key Indicators (KIs) have been identified across the Business and Support Groups with threshold and monitoring mechanism. KIs are being monitored at quarterly intervals by the RMCs, the ORMC and the RMCB. Top 10 KIs have been identified during current financial year for close follow up.
- Development of internal systems for quantifying and monitoring operational risk as required under Basel II guidelines is in place.
- The Bank had earlier received approval for the parallel run for AMA. However, due to recent revision in Basel III framework by the Basel Committee on Banking Supervision (BCBS), RBI has advised to discontinue submission of AMA Capital Computation.

Others

The following measures are being used to control and mitigate Operational Risks in the Domestic Banking entities:

- “Book of Instructions” (Manual on General Instructions, Manual on Loans & Advances) which contains detailed procedural guidelines for processing various banking transactions. Amendments and modifications to update these guidelines are being carried out regularly through e-circulars/Master circulars. Guidelines and instructions are also propagated through e-Circulars, E-Learning Lessons, Training Programs, etc.
- Updated Manuals and operating instructions relating to Business Process Re-engineering (BPR) units.
- Delegation of Financial powers, which details sanctioning powers of various levels of officials for different types of financial and non-financial transactions.
- Training of staff-Inputs on Operational Risk is included as a part of Risk Management modules in the trainings conducted for various categories of staff at Bank’s Apex Training Institutes and State Bank Institute of Learning and Development.
- Insurance cover is obtained for most of the potential operational risks excluding frauds as per Bank’s policy on insurance.
- Internal Auditors are responsible for the examination and evaluation of the adequacy and effectiveness of the control systems and the functioning of specific control procedures. They also conduct review of the existing systems to ensure compliance with legal and regulatory requirements, codes of conduct and the implementation of policies and procedures.
- In order to ensure business continuity, resumption and recovery of critical business process after a disaster, the Bank has robust Business Continuity Management Policy and Manuals in place.
- Stringent Implementation of vacation policy.
- Conduct of RCSA-Abridged at remaining Branches where RCSA is not proposed.

Domestic Non-Banking and Overseas Banking entities

Adequate measures by way of systems and procedures and reporting have been put in place in the Domestic Non-Banking and Overseas Banking entities.

D. The scope and nature of Risk Reporting and Measurement Systems

- A system of prompt submission of reports on Frauds is in place in all the Group entities.
- A comprehensive system of Preventive Vigilance & Whistle Blowing has been established in all the Group entities.
- Significant risks thrown up in RCSA/RCSA-Abridged exercise at all Branches, Scenario Analysis and loss data/NMEs analysis are reported to Top Management at regular intervals and corrective actions are initiated on an ongoing basis.
- Basic Indicator Approach with capital charge of 15% of average gross income for previous 3 years is applied for Operational Risk, except Insurance Companies, for the year ended 31st March 2021.

DF-9: INTEREST RATE RISK IN BANKING BOOK (IRRBB)

As on 31.03.2021

1. Qualitative disclosures

INTEREST RATE RISK IN BANKING BOOK (IRRBB)

Interest rate risk refers to impact on Bank's Net Interest Income and the value of its assets and liabilities arising from fluctuations in interest rate due to internal and external factors. Internal factors include the composition of the Bank's assets and liabilities, quality, maturity, existing rates and re-pricing period of deposits, borrowings, loans and investments. External factors cover general economic conditions. Rising or falling interest rates impact the Bank depending on whether the Balance Sheet is asset sensitive or liability sensitive. The Bank identifies the inherent risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures in the banking book from both a short-term and long-term perspective.

1.1 Structure and organization

The Asset-Liability Management Committee (ALCO) is responsible for evolving appropriate systems and procedures for ongoing identification and analysis of Balance Sheet risks and laying down parameters for efficient management of these risks through ALM Policy of the Bank. ALCO, therefore, periodically monitors and controls the risks and returns, funding and deployment, setting Bank's lending and deposit rates, and directing the investment activities of the Bank. The Risk Management Committee of the Board of Directors (RMCB) oversees the implementation of the system for ALM and reviews its functioning periodically and provides direction. It reviews various decisions taken by ALCO for managing interest rate risk.

1.2 Scope and nature of risk reporting and measurement systems

RBI has stipulated monitoring of Interest Rate Risk at monthly intervals through a Statement of Interest Rate Sensitivity under Traditional Gap Analysis (IRS-TGA). Accordingly, ALCO reviews IRS-TGA on monthly basis and monitors the Earnings at Risk (EaR) which measures the change in Net Interest Income of the Bank due to parallel change in interest rate on both the assets & liabilities.

RBI has also stipulated to estimate the impact of change in interest rates on economic value of Bank's assets and liabilities through Interest Rate Sensitivity under Duration Gap Analysis (IRS-DGA), which Bank carries out on monthly basis. The impact of interest rate changes on the Market Value of Equity is monitored through

IRS-DGA by recognizing the changes in the value of assets and liabilities by a given change in the market interest rate. The change in value of equity (including reserves) with 2% parallel shift in interest rates for both assets and liabilities is estimated.

EaR: The immediate impact of changes in interest rates is on Bank's earnings through changes in its Net Interest Income (NII). EaR is useful in calculating the impact of the change in interest rate on the NII for a shorter period of time (impact over a one-year period). The EaR computations include the banking book as well as the trading book.

MVE: A long-term impact of changes in interest rates is on Bank's Market Value of Equity (MVE) or Net Worth through changes in the economic value of its liabilities and off-balance sheet positions. Although these changes in value do not pass through earnings, they have a bearing on Bank's capital position.

The Bank uses MVE approach as part of a framework to manage IRRBB for its domestic and foreign operations. Impact on MVE is assessed for the overall Bank and Banking Book separately. In order to effectively monitor and manage IRRBB, the ALM Policy stipulates separate MVE limits for overall Bank and Banking Book.

1.3 Policies for hedging and mitigating risk

The Bank has a policy for undertaking hedge transactions. Depending on the underlying and prevailing market conditions, the Bank enters into hedge transactions for identified assets or liabilities. Derivative instruments like Interest Rate Swaps, OIS, Forward Rate Agreements and Cross Currency Swaps are used as a hedging technique by the Bank.

2. Quantitative Disclosures

2.1 The following table sets forth, estimated impact on NII due to changes in interest rates on interest sensitive positions as on 31st March 2021, assuming a parallel shift in the yield curve.

Earnings at Risk (EaR)

	(₹ in Crs.)
	Impact on NII
Impact of 100 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII)	5,996.29
Impact of 200 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII)	11,992.58

2.2 The following table sets forth, estimated impact on MVE due to changes in interest rates on interest sensitive positions as on 31st March 2021, assuming a parallel shift in the yield curve.

Market Value of Equity (MVE)

	(₹ in Crs.)
	Impact on MVE
Impact of 100 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book	16,003.19
Impact of 200 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book	32,006.38

DF-10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

As on 31.03.2021

Qualitative Disclosure:

Credit Risk Management Department of the Bank uses scoring models for setting limits for amounts of counterparty exposure for Domestic Banks, Foreign Banks, Development Financial Institution, Primary Dealers, Small Finance Banks & Payment Banks.

Credit Risk Management Department allocates the exposure limits to all business units, viz., CAG, CCG, R&DB, Global Markets & IBG, who in turn allocate the limits among various operating units under their respective control.

Classification and recognition of collaterals

The Bank will accept, recognize and attribute value to collateral, both for internal sanctioning and/or regulatory capital relief purposes, only when the following conditions are fulfilled:

- There is a legal certainty of enforceability and effectiveness of collateral in all relevant jurisdictions
- All contractual and statutory requirements with respect to the loan and collateral documentation are fulfilled.
- The Bank has obtained a legal charge to the said collateral (including second/subordinate or paripassu charges, in addition to first legal charge).
- The legal mechanism by which the collateral is pledged or transferred ensures that the Bank has the right to liquidate or take possession of it in a timely manner, in the event of a default, insolvency or bankruptcy on the part of the counterparty or any third party.
- The Bank has clear and robust procedures for the timely liquidation of collateral to ensure that any legal conditions required for declaring the default of the counterparty and liquidating the collateral are fulfilled and collateral can be liquidated promptly.

For the purposes of eligibility for IRB capital computation, collaterals are required to satisfy all operational criteria outlined in RBI IRB guidelines.

Counterparty Credit Risk is the risk that the counterparty to a derivative transaction can default before the final settlement of the transaction's cash flow. To mitigate this risk, derivative transactions are undertaken only with those counterparties where approved counterparty limits are in place. Counterparty limits for banks are assessed using internal models considering a number of financial parameters like networth, capital adequacy ratio, rating etc. For corporates, the Derivatives limits are assessed and sanctioned in conjunction with regular credit limit as part of regular appraisal.

SCHEDULE 17

SIGNIFICANT ACCOUNTING POLICIES

A. Background:

State Bank of India (SBI or the Bank) is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949, and the State Bank of India Act, 1955.

Following are the Significant Accounting Policies i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of financial statements of the Bank

B. Basis of Preparation

The accounting and reporting policies of the Bank conform to Generally accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act 1955, and the Banking Regulations Act, 1949, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI), and the accounting practices prevalent in the banking industry in India.

In case of foreign offices, the statutory provisions and practices of the local laws of the respective foreign country are followed if they are more prudent.

Bank's financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency and accrual, unless otherwise stated.

The financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

C. Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

D. Significant Accounting Policies

1. Revenue recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/ Discount income is recognised in the Profit and Loss Account on realisation basis for following:

- (i) Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by RBI/ respective country regulators in the case of foreign offices (hereafter collectively referred to as Regulatory Authorities),
- (ii) Income on Rupee Derivatives designated as "Trading"

- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments in the Held to Maturity (HTM) category and on sale of Fixed Assets is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.

The discount if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as follows:

- a. on interest bearing securities, it is accounted for at the time of sale/ redemption.
- b. on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.

- 1.4 Dividend income is recognised when the right to receive the dividend is established.

- 1.5 Commission on Letters of Credit (LC)/ Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognised on accrual basis proportionately over the period. All other commission and fee income are accounted on a realisation basis.

- 1.6 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over the average loan period of 15 years.

- 1.7 Brokerage, Commission etc. paid/ incurred in connection with the issue of Bonds/ Deposits are amortized over the tenure of related Bonds/ Deposits and the expenses incurred in connection with the issue are charged upfront.

- 1.8 The Bank derecognises its financial assets when it sells to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for as under:

- i. If the sale is at a price below the Net Book Value (NBV) (i.e. book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
- ii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received.

2. Investments

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

- Under each category, the investments in India are further classified as (a) Government Securities, (b) Other Approved Securities, (c) Shares, (d) Bonds and Debentures, (e) Subsidiaries and Joint Ventures and (f) Others. The investments outside India are further classified under 3 categories (i) Government Securities (ii) Subsidiaries and Joint Ventures (iii) Other Investments

2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as "Held to Maturity (HTM)".
- ii. Investments that are held principally for resale within 90 days from the date of purchase are categorised as "Held for Trading (HFT)".
- iii. Investments, which are not classified in above two categories, are classified as "Available for Sale (AFS)".
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in subsidiaries and joint ventures are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

2.3 Valuation:

- i. The transactions in all securities are recorded on a Settlement Date and cost is determined on the weighted average cost method except for investments under HTM category which are accounted on FIFO basis (First In First Out).
 - a) Brokerage/ commission received on subscriptions is reduced from the cost. Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
 - b) Broken period interest paid/ received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.
- ii. Valuation of investments classified as Held to Maturity:
 - a) Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition if any, is amortised over the term to maturity on a constant yield basis. Such

amortisation of premium is accounted as income on investments.

- b) Investments (in India and abroad) in subsidiaries, joint ventures and associates are valued at historical cost. A provision is made for diminution, other than temporary, for each investment individually.
 - c) Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).
- iii. Valuation of investments classified as Available for Sale and Held for Trading :

Investments classified as Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation if any, of each group for each category (viz. (i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored.

- iv. Valuation policy in event of inter category transfer of investments:
 - a) Transfer of securities from HFT/ AFS category to HTM category is carried out at the lower of acquisition cost/ book value/ market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
 - b) Transfer of securities from HTM category to AFS category is carried out on acquisition price/ book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, is provided, in the Profit and Loss Account.
- v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:
 - a) The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
 - b) SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
 - c) In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of: (i) Net Book Value

(NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR. SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

2.4 Investments (NPI)

- i. In respect of domestic offices, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows :
 - a) Interest/ instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
 - b) In the case of equity shares, in the event the investment in shares of any company is valued at \$ 0.0137 per company on account of non-availability of the latest balance sheet, those equity shares would be reckoned as NPI.
 - c) The Bank also classifies an Investment as a non-performing investment, in case any credit facility availed by the same borrower/entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.
 - d) The investments in debentures/ bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

2.5 Accounting for Repo/ Reverse Repo transactions

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and also with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a) Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralized Lending and Borrowing transactions.
- b) In Market Repo and Reverse Repo transaction, securities sold (purchased) and repurchased (resell) are accounted as normal

outright sale (purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at call & short notice).

- c) Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

3. Loans/ Advances and Provisions thereon:

- 3.1 Based on the guidelines/ directives issued by the RBI, Loans and Advances are classified as performing and non-performing, as follows:
 - i. The term loans, is classified as a non-performing asset, if interest and/ or instalment of principal remains overdue for a period of more than 90 days;
 - ii. An Overdraft or Cash Credit, is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance sheet, or if the credits are not adequate to cover the interest debited during the same period;
 - iii. The bills purchased/ discounted are classified as Non-performing Asset, if the bill remains overdue for a period of more than 90 days;
 - iv. The agricultural advances are classified as a non-performing if, (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.
- 3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:
 - i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
 - ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
 - iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.
- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:	i.	A general provision of 15% on the total outstanding;
	ii.	Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio);
	iii.	Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.
Doubtful Assets:		
-Secured portion:	i.	Upto one year – 25%
	ii.	One to three years – 40%
	iii.	More than three years – 100%
-Unsecured portion		100%
Loss Assets:		100%.

- 3.4 In respect of foreign offices, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more prudent.
- 3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.10 The Bank also makes additional provisions on specific non-performing assets.
- 3.11 Appropriation of recoveries in NPAs are made in order of priority as under :
 - a. Charges, Costs, Commission etc.
 - b. Unrealized Interest / Interest
 - c. Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for floating provisions separately for advances, investments, and general purposes. The quantum of floating provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

5. Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

6. Derivatives:

- 6.1 The Bank enters into derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements in order to hedge on-balance sheet/ off-balance sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-balance sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-balance sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/ liabilities are also marked to market.
- 6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the

industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

- 6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark-to-Market value for forex Over-the-Counter (OTC) options.

- 6.5 Exchange Traded Derivatives entered into for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

7. Fixed Assets, Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.

- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices are depreciated at straight line method based on useful life of the assets states as under:

Sl. No.	Description of Fixed Assets	Useful life for Depreciation
1	Computers	3 years
2	Computer Software forming an integral part of the Computer hardware	3 years
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	3 years
4	Automated Teller Machine/ Cash Deposit Machine/ Coin Dispenser/ Coin Vending Machine	5 years
5	Server	4 years
6	Network Equipment	5 years

Sl. No.	Description of Fixed Assets	Useful life for Depreciation
7	<u>Other major fixed assets:</u>	
	Premises	60 Years
	Vehicles	5 Years
	Safe Deposit Lockers	20 Years
	Furniture & Fixtures	10 Years

- 7.3 In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put to use during the year.

- 7.4 Assets costing less than \$ 13.68 each are charged off in the year of purchase.

- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.

- 7.6 In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations / norms of the respective countries.

- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

10. Effect of changes in the foreign exchange rate:**10.1 Foreign Currency Transactions:**

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/ forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the balance sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/ losses are recognised in the Profit and Loss Account.

10.2 Foreign Operations:

Foreign Branches of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

- a. Non-integral Operations:
 - i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
 - ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
 - iii. Exchange differences arising on investment in non-integral foreign operations are accumulated

in Foreign Currency Translation Reserve until the disposal of the investment.

- iv. The Assets and Liabilities of foreign offices in foreign currency (other than local currency of the foreign offices) are translated into local currency using spot rates applicable to that country on the balance sheet date.
- b. Integral Operations:
 - i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
 - ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/ Forward) exchange rates notified by FEDAI at the balance sheet date and the resulting Profit/ Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
 - iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

11. Employee Benefits:**11.1 Short Term Employee Benefits:**

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

11.2 Long Term Employee Benefits:

- i. Defined Benefit Plans:
 - a. The Bank operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. The Bank contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognizes such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for on the basis of actuarial valuation.
 - b. The Bank operates Gratuity and Pension schemes which are defined benefit plans.
 - i) The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of

service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

- ii) The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The Bank makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Pension Fund Rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- c. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/losses are immediately recognised in the Profit and Loss Account and are not deferred.
- ii. Defined Contribution Plan:
The Bank operates a New Pension Scheme (NPS) for all officers/ employees joining the Bank on or after 1st August, 2010, which is a defined contribution plan, such new joiners not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with a matching contribution from the Bank. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in the Bank and earn interest at the same rate as that of the current account of Provident Fund balance. The Bank recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.
- iii. Other Long Term Employee Benefits:
 - a. All eligible employees of the Bank are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long term employee benefits are internally funded by the Bank.

- b. The cost of providing other long term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is immediately recognised in the Profit and Loss Account and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices are valued and accounted for as per the respective local laws/ regulations.

12. Segment Reporting

The Bank recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

13. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after taking into account taxes paid at the foreign offices, which are based on the tax laws of respective jurisdictions. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year, and carry forward losses. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management’s judgment as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

14. Earnings per Share:

14.1. The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

15. Provisions, Contingent Liabilities and Contingent Assets:

15.1 In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation as a result of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

15.2 No provision is recognised for:

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- ii. any present obligation that arises from past events but is not recognised because:
 - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the debit card holders of the Bank is being provided for on actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

16. Bullion Transactions:

The Bank imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. The Bank earns a fee on such bullion transactions. The fee is classified under commission income. The Bank also accepts deposits and lends gold, which is treated as deposits/ advances as the case may be with the interest paid/ received classified as interest expense/ income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

19. Cash and cash equivalents

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

C. Risk Exposure in Derivatives

(A) Qualitative Risk Exposure

- i. The Bank currently deals in over the counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives. Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps and forward rate agreements, cap, floor and collars. Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options. The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank

both for trading as well as hedging balance sheet items. The Bank also runs option position in USD/ INR, which is managed through various types of loss limits and Greek limits.

- ii. Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of

relationship, limits and customer appropriateness and suitability of policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering into derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honour obligations and the Bank enters into ISDA agreement with each counterparty.

- iii. The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- iv. The accounting policy for derivatives has been drawn-up in accordance with RBI guidelines, the

details of which are presented under Schedule 17: Significant Accounting Policies (SAP) for the financial year 2020-21.

- v. Interest Rate Swaps are mainly used for hedging of the assets and liabilities.
- vi. Majority of the swaps were done with First class counterparty banks.
- vii. Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorised as trading or hedging.
- viii. Derivative deals are entered with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanctions terms on a case by case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

The expected contribution to the Pension and Gratuity Fund for the next year is US\$ 436.43 million and US\$ 220.30 million respectively.

As the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

With a view to further strengthen the Pension Fund, it was decided to upwardly revise some of the assumptions.

c) **Accounting Standard – 17 “Segment Reporting”**

1. Segment Identification

I. Primary (Business Segment)

The following are the primary segments of the Bank:-

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Other Banking Business.

The present accounting and information system of the Bank does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the primary segments have been computed as under:

i. Treasury –

The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

ii. Corporate / Wholesale Banking –

The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices.

iii. Retail Banking –

The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate

customers having banking relations with these branches. This segment also includes agency business and ATMs.

iv. Other Banking business –

Segments not classified under (i) to (iii) above are classified under this primary segment.

II. Secondary (Geographical Segment)

- i) Domestic Operations - Branches/Offices having operations in India
- ii) Foreign Operations - Branches/Offices having operations outside India and offshore Banking units having operations in India

III. Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

IV. Allocation of Expenses, Assets and Liabilities

Expenses incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Bank has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

i) Accounting Standards – 28 “Impairment of Assets”

In the opinion of the Bank's Management, there is no indication of impairment to the assets during the year to which Accounting Standard 28 – “Impairment of Assets” applies.

j) **Accounting Standard – 29 “Provisions, Contingent Liabilities and Contingent Assets”**
Description of Contingent liabilities:

Sr. No.	Particulars	Brief Description
1	Claims against the Bank not acknowledged as debts	The Bank is a party to various proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows. The Bank is also a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Bank enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as Contingent Liabilities. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial Banking activities, the Bank issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.

Sr. No.	Particulars	Brief Description
5	Other items for which the Bank is contingently liable	The Bank enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by the Bank on behalf of Associates & Subsidiaries, Bank's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The Contingent Liabilities mentioned above are dependent upon the outcome of Court/ arbitration/out of Court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

19. Liquidity Coverage Ratio (LCR):**a) Standalone LCR**

Liquidity Coverage Ratio (LCR) standard has been introduced with the objective that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario.

LCR has been defined as :
$$\frac{\text{Stock of high quality liquid assets (HQLAs)}}{\text{Total net cash outflow over the next 30 calendar days}}$$

Liquid assets comprise of high quality assets that can be readily encashed or used as collateral to obtain cash in a range of stress scenarios. There are two categories of assets included in the stock of HQLAs, viz. Level 1 and Level 2 assets. While Level 1 assets are with 0% haircut, Level 2A and Level 2 B assets are with 15% and 50% haircuts respectively. The total net cash outflow is the total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days. Total expected cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by the rates at which they are expected to run off or be drawn down. Total expected cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in up to an aggregate cap of 75% of total expected cash outflows.

Note 1 : In accordance with RBI Circular No. RBI/2014-15/529 DBR. No. BP/BC.80/21.06.201/2014-15 dated 31st March 31, 2015 guidelines, average weighted and unweighted amounts have been calculated considering simple daily average from 1st January 2017 and taking 69 days data points for the quarter January-March 2021.

Bank's LCR comes to 158.60% based on daily average of three months (Q4 FY20-21) and is above the minimum regulatory requirement of 90% (RBI reduced the minimum benchmark temporarily from 100% to 90% to contain effect of covid threat in Banking). Average HQLA held during the quarter was US\$ 159,365.61 million, of which, Level 1 assets constituted 95.29% of total HQLA. Government securities constituted 96.63% of Total Level 1 Assets. Level 2A Assets constitutes 4.24% of total HQLA and Level 2B assets constitutes 0.47% of total HQLA. During the quarter, the HQLA level has remained flat from previous quarter. The weighted net cash outflow position has gone up by US\$ 7,060.18 million on account of increase in deposits from customers classified under retail as well as wholesale segment. Derivative exposures are considered insignificant due to almost matching inflows and outflows position. During the quarter, LCR for USD (significant Foreign Currency constituting more than 5% of the Balance Sheet of the Bank) was 326.52% on average.

Liquidity Management in the Bank is driven by the ALM Policy of the Bank and regulatory prescriptions. The Domestic and International Treasuries are reporting to the Asset Liability Management Committee (ALCO). The ALCO has been empowered by the Bank's Board to formulate the Bank's funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All the major decisions of ALCO are being reported to the Bank's Board periodically. In addition to daily/monthly

LCR reporting, Bank prepares daily Structural Liquidity statements to assess the liquidity needs of the Bank on an ongoing basis.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future short term requirements.

b. Consolidated LCR

The RBI through a supplementary guideline issued on 31st March 2015 had stipulated the implementation of LCR at a consolidated level from 1st January 2016. Accordingly, SBI Group has been computing the Consolidated LCR.

28. The spread of COVID-19 pandemic across the globe has resulted in decline in economic activities and increase in movement in financial markets. In this situation, Bank is gearing up itself on all fronts to meet the challenges. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis. Major challenges for the Bank could be from extended working capital cycles, fluctuating cash flow trends and probable inability of the borrowers to meet their obligations against the loans timely. The bank is proactively providing against the challenges of likely stress on the bank's assets. A definitive assessment of the impact of COVID-19 is dependent upon circumstances as they evolve in the subsequent period.

RBI vide Notification No. RBI/2019-20/186 DOR.No.BP.BC.47/21.04.048/2019-20 dated March 27, 2020, subsequent notifications dated April 17, 2020 and May 23, 2020 has announced measures to mitigate the burden of debt servicing brought about by disruptions on account of COVID-19 pandemic and to ensure the continuity of viable businesses. The measures, inter alia, includes Rescheduling of Payments –Term Loans and Working capital Facilities, Easing of Working Capital Financing, Classification as Special Mention Account (SMA) and Non-performing Asset (NPA) etc.

The bank has proactively made an additional provision towards the possible impact of COVID-19 pandemic, on the basis of the evaluation and assessment done with reference to the information now available and analysis made thereon. The said provision is in addition to the provisions held as per RBI guidelines as regards loan loss provisions. On the basis of above-mentioned assessment, Bank's management is not expecting any significant impact on Bank's liquidity or profitability.

29. To ease the financial stress caused by COVID-19 disruptions on borrowers and relax the repayment pressures, Hon'ble Supreme Court, vide order dated Mar 23, 2021, directed that there shall not be any charge of interest on interest / compound interest / penal interest for the period during the moratorium from March 1, 2020 to August 31, 2020 and such interest

shall be refunded to the concerned borrowers to be given credit / adjusted in the next instalment of the loan amount. Accordingly, Bank has reversed interest income by US\$ 113.53 million during the year ended March 31, 2021.

30. In terms of RBI Circular RBI/2015-16/376 DBR. No. BP.BC.92/21.04.048/2015-16 dated April 18, 2016 during quarter ended March 31, 2020, in respect of advance account declared as fraud, the Bank had chosen to provide for the fraud over four quarters as permitted by RBI. However, the Bank has provided the entire balance amount of US\$ 715.41 Million as on March 31, 2020 in the first quarter of year ended March 31, 2021.
31. The Bank has revalued immovable properties on June 30, 2019 based on reports obtained from the external independent valuers and the closing balance of Revaluation Reserve as on March 31, 2021, (net of amount transferred to General Reserve) is US\$ 3,224.91 million (Previous year US\$ 3,140.51 million).
32. During the year, the Bank has accounted for US\$ 732.25 million arising out of 11th Bi-Partite Wage Settlement effective from November 1, 2017.
33. The Central Board has declared a dividend of US\$ 0.0547 per share @ 400% for the year ended March 31, 2021.
34. Previous year figures have been regrouped/reclassified, wherever necessary, to confirm to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines / Accounting Standards, previous year's figures have not been mentioned.

SCHEDULE 17-

SIGNIFICANT ACCOUNTING POLICIES

A. Background:

State Bank of India (SBI or the Bank) established under the State Bank of India Act, 1955, is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

State Bank of India Group (SBI Group) consists of SBI and 27 Subsidiaries, 8 Joint Ventures and 17 Associates.

Following are the Significant Accounting Policies of SBI Group i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of consolidated financial statements of SBI.

B. Basis of Preparation:

The consolidated financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

The accounting and reporting policies of the SBI Group conform to Generally accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, the Banking Regulations Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in India.

In case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

The Bank's consolidated financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency and accrual, unless otherwise stated.

C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

D. Basis of Consolidation:

1. Consolidated financial statements of the SBI Group have been prepared on the basis of:

- a. Audited financial statements of State Bank of India (Parent).
- b. Line by line aggregation of each item of asset/liability/income/expense of the subsidiaries with the respective item of the Parent, and after eliminating all material intra-group balances/transactions, unrealised profit/loss, and making necessary adjustments wherever required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
- c. Consolidation of Joint Ventures – 'Proportionate Consolidation' as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
- d. Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.
2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognised in the financial statements as goodwill / capital reserve.
3. Minority interest in the net assets of the consolidated subsidiaries consists of:
 - a. The amount of equity attributable to the minority at the date on which investment in a subsidiary is made, and
 - b. The minority share of movements in revenue reserves/loss (equity) since the date the parent-subsidiary relationship came into existence.

E. Significant Accounting Policies

1. Revenue recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/Discount income is recognised in the Profit and Loss Account on realisation basis for following:
 - a. Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices/entities (hereafter collectively referred to as Regulatory Authorities),
 - b. Income on Rupee Derivatives designated as "Trading"
- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments in the "Held to Maturity" category and on sale of Fixed Assets is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.

The discount, if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as

follows:

- a. on Interest bearing securities, it is accounted for at the time of sale/ redemption.
 - b. on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.4 Dividend income is recognised when the right to receive the dividend is established.
 - 1.5 Commission on Letter of Credit (LC)/ Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognised on accrual basis proportionately over the period. All other commission and fee income are accounted on their realisation.

2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories. Under each category, the investments are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Debentures and Bonds, (v) Subsidiaries and Associates and (vi) Others.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

‘Investments outside India’ are classified under three categories – (i) Government Securities, (ii) Subsidiaries and/or joint Ventures abroad and (iii) Other Investments.

2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as “Held to Maturity (HTM)”.
- ii. Investments that are held principally for resale within 90 days from the date of purchase are classified as “Held for Trading (HFT)”.
- iii. Investments, which are not classified in the above two categories, are classified as “Available for Sale (AFS)”.
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in associates are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

2.3 Valuation:

A. Banking Business:

- i. The transactions in all securities are recorded on a Settlement Date. Cost of investment under AFS and HFT category is determined at the weighted average cost method by the group entities and cost of investments under HTM category is determined on FIFO basis (first in first out) by SBI and weighted average cost method by other group entities.
 - a. Brokerage/commission received on subscriptions is reduced from the cost. Brokerage, commission, securities transaction tax, etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
 - b. Broken period interest paid / received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.
- ii. **Valuation of investments classified as Held to Maturity:**
 - a. Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition, if any, is amortised over the term to maturity on constant yield basis. Such amortisation of premium is accounted as income on investments.
 - b. A provision is made for diminution, other than temporary, for each investment individually.
 - c. Investments in Regional Rural Banks (RRBs) are valued at equity cost determined in accordance with AS 23 of the ICAI.

iii. Valuation of investments classified as Available for Sale and Held for Trading:

Investments held under Available for Sale and Held for Trading are individually revalued at market price or

fair value determined as per the regulatory guidelines and the net depreciation, if any, of each group for each category (viz., (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Debentures & Bonds (v) Subsidiaries and Associates; and (vi) others) is provided for and net appreciation is ignored.

iv. Valuation policy in event of inter category transfer of investments:

- a. Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b. Transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. After transfer, these securities are immediately revalued and resultant depreciation, if any, in the Profit and Loss Account.

v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:

- a. The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
- b. SRs issued by an SC/ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ARC, is reckoned for valuation of such investments.
- c. In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR. SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

2.4 Investments (NPI)

- i. In respect of domestic offices/ entities, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows:
 - a. Interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
 - b. In the case of equity shares, in the event the investment in the shares of any company is valued at US\$ 0.0137 per company on account of the non-availability of the latest Balance Sheet, those equity shares would be reckoned as NPI.
 - c. The Bank also classifies an Investment as a non-performing investment, in case any credit facility availed by the same borrower/entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.
 - d. The investments in debentures/bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices/entities, provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

2.5 Accounting for Repo/ Reverse Repo transactions

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and also with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralized Lending and Borrowing transactions.
- b. In Market Repo and Reverse Repo transaction, securities sold(purchased) and repurchased(resell) are accounted as normal outright sale(purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at call & short notice).
- c. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

B. Insurance Business:

In case of life and general insurance subsidiaries, investments are accounted in accordance with the Insurance Act, 1938, the IRDAI (Investment) Regulations, 2016 and IRDA (Presentation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, investment policy of the company and various other circulars / notifications as issued by IRDAI from time to time.

(i) Valuation of investment pertaining to non-linked life insurance business and general insurance business: -

- All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, the closing price of the secondary exchange i.e. BSE Limited ('BSE') is considered.
- Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from Credit Rating Information Services of India Limited (CRISIL).
- Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of Balance Sheet date in general insurance.
- Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.

Unrealized gains or losses arising due to change in the fair value of listed equity shares, mutual fund units and AIFs pertaining to shareholders' investments and non-linked policyholders' investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

(ii) Valuation of investment pertaining to linked business: -

- Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from CRISIL. Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short term. If security is purchased during its short term tenor, it is valued at amortised cost using yield to maturity method. In case of securities with options, earliest Call Option/Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortization of premium or accretion of discount on yield to maturity basis.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available, closing price of the BSE is considered.
- Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
- Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).
- Unrealized gains or losses arising due to changes in the fair value are recognized in the Profit & Loss Account.

3. Loans /Advances and Provisions thereon:

3.1 Based on the guidelines/directives issued by the RBI, Loans and Advances are classified as performing and non-performing as follows:

- i. The term loan is classified a non-performing asset, if interest and/or instalment of principal remains overdue for a period of more than 90 days;

- ii. An Overdraft or Cash Credit is classified a non-performing asset, if the account remains “out of order”, i.e. if the outstanding balance exceeds the sanctioned limit/drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequate to cover the interest debited during the same period;
- iii. The bills purchased/discounted are classified as non-performing assets, if the bill remains overdue for a period of more than 90 days;
- iv. The agricultural advances are classified as non-performing assets, if (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:	<ul style="list-style-type: none"> i. A general provision of 15% on the total outstanding; ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio); iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available – 20%.
Doubtful Assets:	
-Secured portion:	<ul style="list-style-type: none"> i. Upto one year – 25% ii. One to three years – 40% iii. More than three years – 100%
-Unsecured portion	100%
Loss Assets:	100%

3.4 In respect of foreign offices/entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.

3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.

3.6 For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loan/advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.

3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.

3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.

3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head “Other Liabilities &

Provisions – Others” and are not considered for arriving at the Net NPAs.

3.10 Appropriation of recoveries in NPAs are made in order of priority as under :

- a. Charges, Costs, Commission etc.
- b. Unrealized Interest / Interest
- c. Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for Floating Provisions separately for advances, investments and general purposes. The quantum of Countercyclical Provisioning Buffer and Floating Provisions to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extra ordinary

circumstances specified in the policy with prior permission of Reserve Bank of India.

5. Provision for Country Exposure for Banking Entities:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the "Other Liabilities & Provisions – Others".

6. Derivatives:

- 6.1** The Bank enters into derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements in order to hedge on-Balance Sheet/off-Balance Sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-Balance Sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-Balance Sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2** Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets / liabilities are also marked to market.
- 6.3** Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".
- 6.4** Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.
- 6.5** Exchange Traded Derivatives entered into for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

7. Fixed Assets Depreciation and Amortisation:

- 7.1** Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.
- 7.2** Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices/ entities are depreciated at straight line method based on useful life of the assets states as under:

Sr. No.	Description of Fixed Assets	Useful Life
1	Computers	3 Years
2	Computer Software forming an integral part of the Computer hardware	3 Years
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	3 Years
4	Automated Teller Machine/ Cash Deposit Machine/Coin Dispenser / Coin Vending Machine	5 Years
5	Servers	4 Years
6	Network Equipment	5 Years
7	Other major fixed assets	
	Premises	60 Years
	Vehicles	5 Years

- 7.4** Assets costing less than US\$ 13.68 each are charged off in the year of purchase.
- 7.5** In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6** In respect of fixed assets held at foreign offices/entities, depreciation is provided as per the regulations /norms of the respective countries.
- 7.7** The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the

Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

10. Effect of changes in the foreign exchange rate:

10.1 Foreign Currency Transactions

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the Balance Sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains / Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the Profit and

Loss Account.

10.2 Foreign Operations:

Foreign Branches/Subsidiaries / Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/subsidiaries/joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

b. Integral Operations:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

11. Employee Benefits:

11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

11.2 Long Term Employee Benefits:

i. Defined Benefit Plans :

- a. SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Provident Fund scheme. SBI contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognizes such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for on the basis of actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognise the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b. The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. SBI makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.
- c. SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Pension Fund Rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- d. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains/

losses are immediately recognised in the Profit and Loss and are not deferred.

ii. Defined Contribution Plans:

SBI operates a New Pension Scheme (NPS) for all officers/ employees joining SBI on or after 1st August, 2010, which is a defined contribution plan, such new joiners not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with a matching contribution from SBI. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the same rate as that of the current account of Provident Fund balance. SBI recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

iii. Other Long Term Employee benefits:

- a. All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long term employee benefits are internally funded by the group entities.

The cost of providing other long term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is immediately recognised in the Profit and Loss and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices/ entities are valued and accounted for as per the respective local laws/regulations.

12. Segment Reporting

The Group recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

13. Taxes on income

Income tax expense is the aggregate amount of current tax, deferred tax and fringe benefit tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income" respectively after taking into account taxes paid at the foreign offices/entities, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and

liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

14. Earnings per Share:

14.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 –“Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

15. Provisions, Contingent Liabilities and Contingent Assets:

15.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Group recognises provisions only when it has a present obligation as a result of a past event and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

15.2 No provision is recognised for

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
- ii. any present obligation that arises from past events but is not recognised because
 - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

- b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities.

These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the debit card holders of SBI is being provided for on actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

16. Bullion Transactions:

SBI imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. SBI earns a fee on such bullion transactions. The fee is classified under commission income. SBI also accepts deposits and lends gold, which is treated as deposits/advances as the case may be with the interest paid/received classified as interest expense / income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet

17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

19. Cash and cash equivalents

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

Others	1.82%	1.71%
Total	100.00%	100.00%

Principal actuarial assumptions:

Particulars	Pension Plans	
	Current year	Previous year
Discount Rate	6.90%	6.83%
Expected Rate of return on Plan Asset	6.90%	6.83%
Salary Escalation Rate	5.60%	5.40%
Pension Escalation Rate	1.20%	0.80%
Attrition Rate	2.00%	2.00%

Particulars	Gratuity Plans	
	Current year	Previous year
Discount Rate	6.82%	6.84%
Expected Rate of return on Plan Asset	6.82%	6.84%
Salary Escalation Rate	5.60%	5.40%
Attrition Rate	2.00%	2.00%

The expected contribution to the Pension and Gratuity fund for the next year is US\$ 436.43 million and US\$ 214.61 million respectively.

In case of SBI, as the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience/ immediate future. Empirical evidence also suggests that in the very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

With a view to further strengthen the Pension Fund, it was decided to upwardly revise some of the assumptions.

2.3 Accounting Standard- 17 "Segment Reporting":

2.3.1 Segment identification

A) Primary (Business Segment)

The following are the Primary Segments of the Group:

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- a) **Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.
- b) **Corporate / Wholesale Banking:** The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices/entities.
- c) **Retail Banking:** The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs

d) **Insurance Business:** The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.

e) **Other Banking business:** Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

B) Secondary (Geographical Segment):

a) **Domestic Operations:** Branches, Subsidiaries and Joint Ventures having operations in India.

b) **Foreign Operations:** Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

C) Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource

mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

D) Allocation of Revenue, Expenses, Assets and Liabilities

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Group has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

- iii) While recognizing provision for income tax for the year ended March 31, 2020 SBI and certain group entities had exercised the option of lower tax rate permitted under Section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019. Accordingly, SBI and certain group entities had re-measured their Deferred Tax Assets based on the tax rate prescribed in the said section and have reversed the MAT credit no longer available to them. The impact of these changes was a one-time charge of US\$ 418.47 million (net of minority interest) during the year ended March 31, 2020.

2.8 Accounting Standard-28 “Impairment of assets”:

In the opinion of the Management, there is no impairment to the assets during the year to which Accounting Standard 28 – “Impairment of Assets” applies.

2.9 Accounting Standard – 29 “Provisions, Contingent Liabilities and Contingent Assets”

➤ Provisions and contingencies recognised in Profit and Loss Account:

➤ **Description of contingent liabilities (AS-29):**

Sr. No	Particulars	Brief Description
1	Claims against the Group not acknowledged as debts	The parent and its constituents are parties to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, SBI generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Group is contingently liable	The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The contingent liabilities mentioned above are dependent upon the outcome of court/arbitration/out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

➤ **Movement of provisions against contingent liabilities:**

The movement of provisions against contingent liabilities given in the table below:

(US\$ million)

Sr No.	Particulars	Current Year	Previous Year
a)	Opening Balance	86.68	70.67
b)	Additions during the year	407.77	18.15
c)	Amount utilised during the year	9.37	0.94

6. Counter Cyclical Provisioning Buffer (CCPB)

RBI vide Circular No. DOR.STR.REC.10/21.04.048/2021-22 dated May 5, 2021 on 'Utilisation of Floating Provisions/ Counter Cyclical Provisioning Buffer' has allowed the banks, to utilise up to 100 percent of CCPB held by them as on December 31, 2020, for making specific provisions for Non-Performing Assets (NPAs) as per the policy approved by the Bank's Board of Directors.

During the year, SBI has not utilized the CCPB for making specific provision for NPAs.

7. As per RBI letter no. DBR.No.BP.15199/21.04.048/2016-17 and DBR. No. BP. 1906/21.04.048/ 2017-18 dated June 23, 2017 and August 28, 2017 respectively, for the accounts covered under the provisions of Insolvency and Bankruptcy Code (IBC), SBI is holding total provision of US\$ 612.64 million (100% of total outstanding) as on March 31,2021 (Previous Year US\$ 761.44 million {93.53% of total outstanding}).

8. Profit / (loss) on sale of investment (net) under schedule 14 "Other Income" includes US\$ 187.02 million on sale of certain portion of investment in SBI Life Insurance Company Limited. (Previous year US\$ 421.72 million on sale of certain portion of investment in SBI Life Insurance Company Ltd. And US\$ 337.91 million on sale of certain portion of investment in SBI Cards & Payment Services Limited).

9. Resolution of Stressed Assets

In terms of RBI circular DOR. No. BP/BC/3/21.04.048/2020-21 dated August 6, 2020, the detailed requirement as per Resolution Framework for COVID-19 related Stress during the year is :

Type of borrower	(A) Number of accounts where resolution plan has been implemented under this window	(B) Exposure to accounts mentioned at (A) before implementation of the plan (US\$ million)	(C) of (B), aggregate amount of debt that was converted into other securities (US\$ million)	(D) Additional funding sanctioned, if any, including between invocation of the plan and implementation (US\$ million)	(E) Increase in provisions on account of the implementation of the resolution plan (US\$ million)

Corporate persons*	42,561	349.41	-	8.82	153.27
of which, MSMEs	42,555	243.38	-	-	4.64
Others	-	-	-	-	-
Total	55,617	727.16	-	8.82	153.27

*As defined in Section 3(7) of the Insolvency and Bankruptcy Code, 2016

10. The spread of COVID-19 pandemic across the globe has resulted in decline in economic activities and increase in movement in financial markets. In this situation, Bank is gearing up itself on all fronts to meet the challenges. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis. Major challenges for the Bank could be from extended working capital cycles, fluctuating cash flow trends and probable inability of the borrowers to meet their obligations against the loans timely. The bank is proactively providing against the challenges of likely stress on the bank's assets. A definitive assessment of the impact of COVID-19 is dependent upon circumstances as they evolve in the subsequent period.

RBI vide Notification No. RBI/2019-20/186 DOR.No.BP. BC.47/21.04.048/2019-20 dated March 27, 2020, subsequent notifications dated April 17, 2020 and May 23, 2020 has announced measures to mitigate the burden of debt servicing brought about by disruptions on account of COVID-19 pandemic and to ensure the continuity of viable businesses. The measures, inter alia, includes Rescheduling of Payments –Term Loans and Working capital Facilities, Easing of Working Capital Financing, Classification as Special Mention Account (SMA) and Non-performing Asset (NPA) etc.

The bank has proactively made an additional provision towards the possible impact of COVID-19 pandemic, on the basis of the evaluation and assessment done with reference to the information now available and analysis made thereon. The said provision is in addition to the provisions held as per RBI guidelines as regards loan loss provisions. On the basis of above-mentioned assessment, Bank's management is not expecting any significant impact on Bank's liquidity or profitability.

- To ease the financial stress caused by COVID-19 disruptions on borrowers and relax the repayment pressures, Hon'ble Supreme Court, vide order dated March 23, 2021, directed that there shall not be any charge of interest on interest / compound interest / penal interest for the period during the moratorium from March 1, 2020 to August 31, 2020 and such interest shall be refunded to the concerned borrowers to be given credit / adjusted in the next instalment of the loan amount. Accordingly, SBI has reversed interest income by US\$ 113.53 million during the year ended March 31, 2021.
- In terms of RBI Circular RBI/2015-16/376 DBR. No. BP/BC.92/21.04.048/2015-16 dated April 18, 2016 during quarter ended March 31, 2020, in respect of advance account declared as fraud, SBI had chosen to provide for the fraud over four quarters as permitted by RBI. However, SBI has provided the entire balance amount of US\$ 691.25 million as on March 31, 2020 in the first quarter of year ended March 31, 2021.
- SBI has revalued immovable properties on June 30, 2019 based on reports obtained from the external independent valuers and the closing balance of Revaluation Reserve as on March 31, 2021, (net of amount transferred to General Reserve) is US\$ 3,224.91 million (Previous year US\$ 3,140.51 million).
- During the year, SBI accounted for US\$ 732.25 million arising out of 11th Bi-Partite Wage Settlement effective from November 1, 2017.
- In respect of SBI Life Insurance Company Ltd., IRDAI has issued directions under Section 34(1) of the Insurance Act, 1938 to distribute the administrative charges paid to Master policy holders vide order no. IRDA/Life/ORD/ Misc/228/10/2012 dated October 5, 2012 amounting to US\$ 11.53 million (Previous Year US\$ 11.14 million). The company

had filed an appeal against the said order with Ministry of Finance, Government of India, who remanded the case back to IRDAI on November 04, 2015. IRDAI issued further directions dated January 11, 2017 reiterating the directions issued on October 5, 2012. The company has filed an appeal against the said directions /orders with Securities Appellate Tribunal (SAT), which was dismissed by SAT vide order dated April 7, 2021. The company is in the process of filing an appeal before the Hon'ble Supreme Court challenging the said SAT order in consultation with the legal counsel.

In the above-mentioned matter, SBI Life Insurance Company Ltd. has shown a requisite amount as contingent liability in the financials of the company.

16. The investments of life and general insurance subsidiaries have been accounted for in accordance with the IRDAI guidelines instead of restating the same in accordance with the accounting policy followed by SBI. The investments of insurance subsidiaries constitute approximately 14.13% (Previous Year 13.34%) of the total investments as on March 31, 2021.
17. The Central Board of SBI has declared a dividend of US\$ 0.05 per share @ 400% for the year ended March 31, 2021.
18. In accordance with RBI circular DBOD NO.BP. BC.42/21.01.02/2007-08, redeemable preference shares (if any) are treated as liabilities and the coupon payable thereon is treated as interest.
19. In accordance with current RBI guidelines, the general clarification issued by ICAI has been considered in the preparation of the consolidated financial statements. Accordingly, additional statutory information disclosed in separate financial statements of the parent and its subsidiaries having no bearing on the true and fair view of the consolidated financial statements and also the information pertaining to the items which are not material have not been disclosed in the consolidated financial statements in view of the Accounting Standard Interpretation issued by ICAI.
20. Previous year figures have been regrouped/reclassified, wherever necessary, to confirm to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines/Accounting Standards, previous year's figures have not been mentioned.

INDEPENDENT AUDITORS' REPORT

To,
The Board of Directors,
State Bank of India,
 State Bank Bhavan,
 Madam Cama Road,
 Mumbai.

Report on Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated Financial Statements of State Bank of India ("the Bank") which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Profit and Loss Account and Consolidated Cash Flow Statement for the year then ended, and Notes to Consolidated Financial Statements including a summary of Significant Accounting Policies and other explanatory information which includes:

- a) Audited Standalone Financial Statements of the Bank which have been Audited by all the fourteen Statutory Central Auditors including us;
- b) Audited Financial Statements of 26 Subsidiaries, 8 Jointly Controlled Entities and 16 Associates (including 14 Regional Rural Banks) audited by other Auditors; and (listed in Annexure A)
- c) Un-audited Financial Statements of 1 Subsidiary and 1 Associate (listed in Annexure A).

The above entities together with the Bank are referred to as the 'Group'.

In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of subsidiaries, jointly controlled entities and associates, the unaudited financial statements and the other financial information of subsidiaries as furnished by the management, the aforesaid Consolidated Financial Statements are in conformity with accounting principles generally accepted in India and give:

- a) true and fair view in case of the Consolidated Balance Sheet, of the State of Affairs of the Group as at March 31, 2021;
- b) true balance of profit in case of Consolidated Profit & Loss Account for the year ended on that date; and
- c) true and fair view in case of Consolidated Cash Flow Statement for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Consolidated Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3. We draw attention to Note No. 10 of Schedule 18 of the Consolidated Financial Statements regarding impact of COVID-19 pandemic. The situation continues to be uncertain and the Bank is evaluating the situation on an ongoing basis with respect to the challenges faced.

Our opinion is not modified in respect of this matter.

Key Audit Matters

4. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Consolidated Financial Statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters of the Bank to be communicated in our report:

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
Key Audit matters reported in standalone financial statements of the Bank:		
I	<p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 51.61 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per Note 3 of Schedule 17.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which also identifies whether the advances are performing or non-performing. Further, NPA classification and calculation of provision is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/judgement involved in valuation of securities, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances</p>	<p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of the following</p> <ol style="list-style-type: none"> The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches allotted to us; Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank; Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements; We have also relied on the reports of External IT System Audit experts with respect to the business logics / parameters inbuilt in CBS for tracking, identification and stamping of NPAs and provisioning in respect thereof. We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions. We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection. In carrying out substantive procedures at the branches allotted to us, we have examined all large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management. We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision; Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
ii	<p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities. Investments constitute 32.90 percent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non performing investments and provisioning related to investments</p>	<p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non performing investments (NPIs), provisioning/depreciation related to Investments. In particular ;</p> <ol style="list-style-type: none"> We evaluated and understood the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments; We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments; For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample; We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision; We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs; We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.
iii	<p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 2.9 of Schedule 18 to the financial statements) :</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>	<p>Our audit approach involved:</p> <ol style="list-style-type: none"> Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances; Understanding the current status of the litigations/tax assessments; Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon; Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts; Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and Verification of disclosures related to significant litigations and taxation matters.

iv	<p>Modified Audit Procedures carried out in the light of continuing COVID-19 pandemic:</p> <p>Due to the continuing COVID-19 pandemic, lockdown declared by some of the State Governments and travel restrictions imposed by State Governments / Local Authorities during the period of our audit and the RBI directions to Bank to facilitate carrying out audit remotely wherever physical access was not possible, audit could not be conducted by visiting the premises of certain Branches / LHOs/ Business Units in the Corporate Office of the bank.</p> <p>As we could not gather audit evidence in person/ physically/ through discussions and personal interactions with the officials at the Branches/Circle / Administrative /Corporate Offices, either fully or partially, we have identified such modified audit procedures as a Key Audit Matter.</p> <p>Accordingly, our audit procedures were modified to carry out the audit remotely.</p>	<p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments/local administration during the period of our audit, we could not travel to the Branches/ Circle /Administrative /Corporate Offices and carry out the audit processes physically at the respective offices.</p> <p>Wherever physical access was not possible, necessary records/ reports/ documents/ certificates were made available to us by the Bank through digital medium, emails and remote access to CBS, CCDP and other relevant application software. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to us which were relied upon as audit evidence for conducting the audit and reporting for the current period.</p> <p>Accordingly, we modified our audit procedures as follows:</p> <ol style="list-style-type: none"> Conducted verification of necessary records/ documents/ CBS/ CCDP and other Application software electronically through remote access/emails in respect of some of the Branches / LHOs / Administrative Offices and other offices of the Bank wherever physical access was not possible. Carried out verification of scanned copies of the documents, deeds, certificates and the related records made available to us through emails and remote access over secure network of the Bank. Making enquiries and gathering necessary audit evidence through Video Conferencing, dialogues and discussions over phone calls/conference calls, emails and similar communication channels. Resolution of our audit observations telephonically/ through email instead of a face-to-face interaction with the designated officials.
Key Audit Matters as reported by auditors of SBI Life Insurance Company Limited:		
v	<p>All insurance companies are highly dependent on technology due to significant number of transactions that are processed daily. A significant part of the company's financial processes is heavily reliant on IT systems with automated processes and controls over the capturing, valuing and recording of transactions. Thus, there exists a risk that gaps in the IT Control Environment could result in the financial accounting and reporting records being materially misstated.</p> <p>The company uses several systems for its overall financial reporting. We have identified "IT systems and controls" as key audit matters because of significant use of IT system and the scale and complexity of the IT architecture.</p>	<p>Principal audit procedures:</p> <ul style="list-style-type: none"> Sample testing of key control over IT systems having impact on financial accounting and reporting. Assessed the IT system processes for effectiveness of some of the key controls with respect to financial accounting and reporting records by sample testing; and Our audit approach relies on automated controls and therefore procedures are designed to test control over IT systems, segregation of duties, interface and system application controls over key financial accounting and reporting systems. Reviewed the report of independent information system auditors which has confirmed the various system control measures adopted by the company.

Information Other than the Consolidated Financial Statements and Auditors' Report thereon

5. The Bank's Board of Directors is responsible for the other information. The other information comprises the Corporate Governance report (but does not include the Consolidated Financial Statements and our auditors' report thereon), which will be obtained at the time of issue of this auditors' report, and the Directors' Report of the Bank including annexures in annual report, if any, thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Consolidated Financial Statements does not cover the other information and Pillar 3 disclosures under Basel III Disclosure and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's Report of the Bank, including annexures in annual report, if any, thereon, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Bank's Board of Directors is responsible with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standard 21- "Consolidated Financial Statements", Accounting Standards 23- "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standards 27 - Financial Reporting of Interest in Joint Venture" issued by the Institute of Chartered Accountants of India, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Banking Regulations Act, 1949 and applicable laws for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, respective Board of Directors of the Group Entities is responsible for assessing the respective Group Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group Entities or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors of the Group Entities are also responsible for overseeing the respective Group Entity's financial reporting process.

Auditors' Responsibility for the Audit of Consolidated Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group Entity to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its Associates and Jointly Controlled Entities of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- Incorporated in these consolidated financial statements are the:
 - We did not audit the financial statements/ information of 10842 branches included in the Standalone

Financial Statements of the Bank whose financial statements / financial information reflect total assets of Rs. 34,44,485 crore at March 31, 2021 and total revenue of Rs. 2,83,673 crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements / information of these branches have been audited by the branch auditors whose reports have been furnished to us, and in our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors;

- We did not audit the financial statements of 26 Subsidiaries, 8 Jointly Controlled Entities whose financial statements reflect total assets of Rs. 328,891.56 crore as at March 31, 2021, total revenues of Rs. 81,067.73 crore for the year ended on that date, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net loss of Rs. 664.98 crore for the year ended March 31, 2021, as considered in the Consolidated Financial Statements, in respect of 16 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors
- We did not audit the financial statements of 1 subsidiary whose financial statements reflect total assets of Rs. 7,604.08 crore as at March 31, 2021, total revenues of Rs. 236.33 crore, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net loss of Rs. 2.02 crore for the year ended March 31, 2021, as considered in the Consolidated Financial Statements, in respect of 1 associate, whose financial statements / financial information have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and associate, and our report relates to the aforesaid subsidiaries, jointly controlled entities and associates, in so far as is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

9. The auditors of SBI Life Insurance Company Limited and SBI General Insurance Company Limited, subsidiaries of the Group, have reported that the actuarial valuation of liabilities for life policies in force and the actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR) and Claims Not Incurred But Not Enough Reported (IBNER) is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2021 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority of India ("IRDAI" / "Authority") and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in financial statements of the Company.

Report on Other Legal and Regulatory Requirements

10. The Consolidated Balance Sheet and the Consolidated Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraph 5 to 8 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
 - b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
 - c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.
11. We further report that:
- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and the reports of the other auditors and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
 - b) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;
 - c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the section 29 of the Banking Regulation

Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and

- d) in our opinion, the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
12. As required by letter No. DOS.ARG.No.6270/08.91.001/2019-20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:
- a) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
 - b) On the basis of the written representations received from the directors of the Bank as on March 31, 2021 taken on record by the Board of Directors of the Bank and the reports of the statutory auditors of its subsidiary, associate companies and jointly controlled entities incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.
 - c) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
 - d) As per para 1.14 of the Technical Guide on Audit of Internal Financial Controls in Case of Public Sector Banks issued by ICAI, the reporting requirement as introduced by RBI regarding Internal Financial Control over Financial Reporting will apply only to standalone financial statements of Public Sector Banks (PSBs) and not to consolidated financial statements of PSBs. Accordingly, reporting is not done on the Group's Internal Financial Control over Financial Reporting with reference to the Consolidated Financial Statements as at March 31, 2021.
