BY-LAWS

(October 24, 2023)

ARTICLE I

Meetings of Shareholders

Section 1.1 Annual Meeting. The regular annual meeting of the shareholders for the election of directors and the transaction of whatever other business may properly come before the meeting shall be held at the main office of the Association in Sioux Falls, South Dakota, or such other place as the Board of Directors or shareholders may designate, at 1:00 p.m. Central time, on the first Thursday of May in each year. If for any cause the annual meeting of shareholders for the election of directors is not held on the date fixed in this by-law, such meeting may be held at some other time designated by the Board of Directors or shareholders, notice thereof having been given in accordance with the requirements of 12 U.S.C. §75, and the meeting conducted according to the provisions of these by-laws.

Section 1.2 Special Meetings. Except as otherwise specifically provided by statute, special meetings of shareholders may be called for any purpose at any time by the Board of Directors, the Chair of the Board, if any, the President, or any one or more shareholders owning in the aggregate not less than twenty-five percent of the then outstanding shares, as provided in Article IV of the Articles of Association.

Section 1.3 Notice of Meetings. A notice of each annual or special shareholders' meeting, setting forth the time, place, and purpose of the meeting, shall be given, by first-class mail, postage prepaid, to each shareholder of record at least ten days prior to the date on which such meeting is to be held. Notwithstanding anything in these by-laws to the contrary, a valid shareholders' meeting may be held without notice whenever notice thereof shall be waived in writing by all shareholders, or whenever all shareholders shall be present or represented at the meeting.

Section 1.4 Quorum. The holders of a majority of the stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the shareholders for the transaction of business, and may transact any business except such as may, under the provisions of law, the Articles of Association, or these by-laws, require the vote of holders of a greater number of shares. If, however, such majority shall not be present or represented at any meeting of the shareholders, the shareholders entitled to vote thereat, present in person or by proxy, shall have power to adjourn the meeting, without notice other than announcement at the meeting, until the requisite amount of voting stock shall be present. At any such reconvened meeting at which the requisite amount of voting stock shall be represented, any business may be transacted which might have been transacted at the meeting as originally called.

Section 1.5 Proxies and Voting Rights. At each meeting of the shareholders, each shareholder having the right to vote shall be entitled to vote in person or by proxy appointed by an instrument in writing subscribed by such shareholder, which proxy shall be valid for that meeting or any adjournments thereof, shall be dated, and shall be filed with the records of the meeting. No officer or employee of the Association may act as proxy. Each shareholder shall have one vote for

each share of stock having voting power which is registered in such shareholder's name on the books of the Association. A majority of votes cast shall decide each matter submitted to the shareholders, except where by law a larger vote is required. In elections of directors, each shareholder entitled to vote may have the right to multiply the number of votes he or she is entitled to cast by the number of vacancies being filled and cast the product for a single candidate or distribute the product among two or more candidates. Voting for the election of directors and voting upon any other matter which may be brought before any shareholders' meeting may, but need not, be by ballot, unless voting by ballot be requested by a shareholder present at the meeting.

Section 1.6 Proceedings and Record. The Chair of the Board, if any, shall preside at all meetings of the shareholders or, in case of his absence or inability to act, the President or, in case of the absence or inability to act of both of them, any Vice President may preside at any such meeting. The presiding officer shall appoint a person to act as secretary of each shareholders' meeting; provided, however, that the shareholders may appoint some other person to preside at their meetings or to act as secretary thereof. A record of all business transacted shall be made of each shareholders' meeting showing, among other things, the names of the shareholders present and the number of shares of stock held by each, the names of the shareholders represented by proxy and the number of shares held by each, the names of the proxies, the number of shares voted on each motion or resolution and the number of shares voted for each candidate for director. This record shall be entered in the minute book of the Association and shall be subscribed by the secretary of the meeting.

Section 1.7 Action Without a Meeting. Any action required or permitted to be taken at a meeting of the shareholders of the Association may be taken without a meeting by written action signed by all of the shareholders entitled to vote on that action.

Section 1.8 Record Date. The record date for determining shareholders entitled to notice and to vote at any meeting will be thirty days before the date of such meeting, unless otherwise determined by the Board.

Section 1.9 Remote Meetings. The Board shall have the right to determine that a shareholder meeting not be held at a place, but instead be held solely by means of remote communication in the manner and to the extent permitted by the General Corporation Law of the State of Delaware ("DGCL").

Section 1.10 Inspector of Election. For each meeting of the Stockholders, the Board or the Chair, or such other individual entitled to preside at the meeting, may appoint an individual to act as the Inspector of Election. The Inspector of Election so appointed shall, before entering upon the discharge of the duties of inspector, take and sign an oath faithfully to execute the duties of the Inspector of Election at such meeting with strict impartiality and according to the best of such Inspector's ability. The Inspector of Election shall have the duties as set forth in the DGCL and such other duties as may be prescribed by the Board (or a duly authorized committee of the Board) or the Chair, or such other individual entitled to preside at such meeting.

ARTICLE II

Directors

Section 2.1 Board of Directors. The Board of Directors (hereinafter referred to as the "Board") shall have power to manage and administer the business and affairs of the Association. Except as expressly limited by law, all corporate powers of the Association shall be vested in and may be exercised by the Board.

Section 2.2 Number and Qualifications. The Board shall consist of not less than five nor more than twenty-five persons, the exact number within such minimum and maximum limits to be fixed and determined from time to time by resolution of a majority of the full Board or by resolution of the shareholders at any meeting thereof; provided, however, that a majority of the full Board may not increase the number of directors to a number which (i) exceeds by more than two the number of directors last elected by shareholders where such number was fifteen or less; and (ii) exceeds by more than four the number of directors last elected by shareholders where such number was sixteen or more, but in no event shall the number of directors exceed twenty- five.

Each director shall, during the full term of his directorship, be a citizen of the United States. Each director, during the full term of his directorship, shall own a minimum of \$1,000 par value of stock of this Association or an equivalent interest, as determined by the Comptroller of the Currency, in any company which has control over this Association within the meaning of Section 2 of the Bank Holding Company Act of 1956, as amended.

Section 2.3 Organization Meeting. A meeting of the newly elected Board shall be held, without notice, immediately following the adjournment of the annual meeting of the shareholders, or at such other time and at such place to which said meeting may be adjourned. No business shall be transacted at any such meeting until a majority of the directors elected shall have taken an oath of office as prescribed by law, and no director elected shall participate in the business transacted at any such meeting of the Board until he shall have taken said oath. If at any such meeting there is not a quorum of the directors present who shall have taken the oath of office, the members present may adjourn the meeting until a quorum is secured. At such meeting of the newly elected Board, if a quorum is present, the directors may elect officers for the ensuing year and transact any and all business which may be brought before them.

Section 2.4 Regular Meetings. The regular meetings of the Board may be held at such time and place as shall be determined by the Board. When any regular meeting of the Board falls upon a holiday, the meeting shall be held on the next banking business day.

Section 2.5 Special Meetings. Special meetings of the Board may be called by the Chair of the Board, the President or the Secretary, or at the request of one-third or more of the directors.

Section 2.6 Notice of Meetings. Each member of the Board shall be given not less than one day's notice by telephone, facsimile, letter, electronic mail or in person, stating the time and place of any regular or special meeting; such notice may, but need not, state the purpose of said meeting. Notwithstanding anything in these by-laws to the contrary, a valid directors' meeting may be held without notice whenever notice thereof shall be waived in writing by all of the directors, or

whenever all of the directors are present at the meeting.

Section 2.7 Quorum and Voting. A majority of the directors shall constitute a quorum at all directors' meetings, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. Except where the vote of a greater number of directors is required by the Articles of Association, these by-laws or under provisions of law, the vote of a majority of the directors at a meeting at which a quorum is present shall be sufficient to transact business.

Section 2.8 Proceedings and Record. The Chair of the Board, if such officer shall have been designated by the Board, shall preside at all meetings thereof, and in his or her absence or inability to act (or if there shall be no Chair of the Board) the President, and in his or her absence or inability to act any other director appointed chair of the meeting *pro tempore*, shall preside at meetings of the directors. The Secretary, or any other person appointed by the Board, shall act as secretary of the Board and shall keep accurate minutes of all meetings.

Section 2.9 Electronic Communications. A conference among directors by any means of communication through which the directors may simultaneously hear each other during the conference constitutes a Board meeting, if the same notice is given of the conference as would be required for a meeting, and if the number of directors participating in the conference would be sufficient to constitute a quorum at a meeting. A director may participate in a regular or special Board meeting by any means of communication through which the director, other directors so participating and all directors physically present at the meeting may simultaneously hear each other during the meeting. Participation in a meeting by any means referred to in this Section 2.9 constitutes presence in person at the meeting.

Section 2.10 Action Without a Meeting. Any action required or permitted to be taken at a meeting of the Board of the Association may be taken without a meeting by written action signed by all of the directors.

Section 2.11 Vacancies. Any vacancy in the Board may be filled by appointment at any regular or special meeting of the Board by the remaining directors in accordance with the laws of the United States or by action of the shareholders in accordance with Article I of these by-laws. Any director so appointed shall hold his place until the next election.

ARTICLE III

Committees of the Board

Section 3.1 Executive Committee. The Board may appoint annually or more often an Executive Committee consisting of two or more directors. In the event an Executive Committee is appointed, the Executive Committee shall have the power to approve, review, and delegate authority to make loans and otherwise extend credit and to purchase and sell bills, notes, bonds, debentures and other legal investments and to establish and review general loan and investment policies. In addition, when the Board is not in session, the Executive Committee shall have the power to exercise all powers of the Board, except those that cannot legally be delegated by the Board. The Executive Committee shall keep minutes of its meetings, and such minutes shall be

submitted at the next regular meeting of the Board at which a quorum is present.

Section 3.2 Trust Committees. The Board shall appoint a Trust Audit Committee which shall, at least once during each calendar year, make suitable audits of the Trust Department or cause suitable audits to be made by auditors responsible only to the Board and at such time shall ascertain and report to the Board whether said Department has been administered in accordance with applicable laws and regulations and sound fiduciary principles. In lieu of annual audits, the Association may adopt a continuous audit system in accordance with 12 C.F.R. § 9.9(b). The Trust Audit Committee must not include any officers of the Association or an affiliate who participate significantly in the administration of the Association's fiduciary activities and must consist of a majority of members who are not also members of any committee to which the Board has delegated power to manage and control the fiduciary activities of the Association. Every report to the Board under this section, together with the action taken thereon, shall be noted in the minutes of the Board. The Board shall from time to time appoint such other committees of such membership and with such powers and duties as it is required to appoint under the provisions of Regulation 9 issued by the Comptroller of the Currency relating to the trust powers of national banks, or any amendments thereto, and may appoint such other committees of such membership and with such powers and duties as the Board may provide and as are permitted by said Regulation 9, or any amendments thereto.

Section 3.3 Other Committees. The Board, by a majority vote of the whole Board, may create from its own members or (to the extent permitted by applicable law) a combination of its own members and/or officers or employees of the Association or such other persons as the Board may designate or solely from persons who are not members of the Board such other committees as the Board may from time to time deem necessary or appropriate, and the Board may designate the name and term of existence of any such committee and prescribe the duties thereof. The standing committees of the financial holding company that is the parent of the Association may act as committees of the Association to the extent permissible and carry out any duties on behalf of the Association for which delegation is lawfully permissible.

Section 3.4 Proceedings and Record. Each committee appointed by the Board may hold regular meetings at such time or times as may be fixed by the Board or by the committee itself. Special meetings of any committee may be called by the chair or vice chair or any two members thereof. The Board may, at the time of the appointment of any committee, designate alternate or advisory members, designate its chair, vice chair, and secretary, or any one or more thereof, and the committee itself may appoint such of said officers as have not been so designated by the Board if they deem such appointment necessary or advisable. The secretary may but need not be a member of the committee. The Board may at any time prescribe or change the number of members whose presence is required to constitute a quorum at any or all meetings of a committee. The quorum so prescribed need not be a majority of the members of the committee. If no quorum is prescribed by the Board, the presence of a majority of the members of the committee shall be required to constitute a quorum. Each committee shall keep such records of its meetings and proceedings as may be required by law or applicable regulations and may keep such additional records of its meetings and proceedings as it deems necessary or advisable, and each committee may make such rules of procedure for the conduct of its own meetings and the method of discharge of its duties as it deems advisable. In the absence of such rules, each committee shall conduct its business in the same manner as the Board conducts its business pursuant to these by-laws. Each

committee appointed by the Board may appoint subcommittees composed of its own members or other persons and may rely on information furnished to it by such subcommittees or by statistical or other fact-finding departments or employees of the Association, provided that final action shall be taken in each case by the committee. Any action required or permitted to be taken at a meeting of any such committee or subcommittee may be taken without a meeting by written action signed by all of the members of such committee or subcommittee.

ARTICLE IV

Officers and Employees

Section 4.1 Appointment of Officers. The Board shall appoint a President, one or more Vice Presidents and a Secretary and may appoint a Chair of the Board and such other officers as from time to time may appear to the Board to be required or desirable to transact the business of the Association. Only directors shall be eligible for appointment as President or Chair of the Board. If a director other than the President is appointed Chair of the Board, the Board shall designate either of these two officers as the Chief Executive Officer of the Association. The Board may from time to time designate certain elected officers that shall have the authority to appoint and terminate the appointment of such other officers and agents of the Association with such titles and duties as may be necessary for the prompt and orderly transaction of the business of the Association. The Board reserves the sole right to appoint and terminate the Chief Executive Officer, the President, and the Secretary.

Section 4.2 Tenure of Office. Officers shall hold their respective offices for the current year for which they are appointed unless they resign, become disqualified or are removed. Any officer appointed by the Board may be removed at any time by the affirmative vote of a majority of the full Board or in accordance with authority granted by the Board. Any officer appointed by another officer may be removed at any time by the filing of a written notice by the appointing officer with the Secretary. During the year between its organization meetings, the Board may appoint additional officers and shall promptly fill any vacancy occurring in any office required to be filled.

Section 4.3 Chief Executive Officer. The Chief Executive Officer, who may also be the Chair or President, shall supervise the carrying out of policies adopted or approved by the Board, shall have general executive powers as well as the specific powers conferred by these by-laws, and shall also have and may exercise such further powers and duties as from time to time may be conferred upon or assigned to him or her by the Board.

Section 4.4 President. The President shall have general executive powers, and shall have and may exercise any and all other powers and duties pertaining by law, regulation or practice, to the office of president, or imposed by these by-laws, and shall also have and may exercise such further powers and duties as from time to time may be conferred upon or assigned to him or her by the Board. In addition, if designated by the Board, the President shall be the Chief Executive Officer and shall have all the powers and duties of the Chief Executive Officer.

Section 4.5 Secretary. The Secretary shall attend to the giving of all notices required by these by-laws to be given; shall be custodian of the corporate seal, records, documents and papers

of the Association; shall provide for the keeping of proper records of all transactions of the Association; shall have and may exercise any and all other powers and duties pertaining by law, regulation or practice, to the office of Secretary, or imposed by these by-laws; and shall also perform such other duties as may be assigned from time to time by the Board.

Section 4.6 General Authority and Duties. Officers shall have the general powers and duties customarily vested in the office of such officers of a corporation and shall also exercise such powers and perform such duties as may be prescribed by the Articles of Association, by these by-laws, or by the laws or regulations governing the conduct of the business of national banking associations, and shall exercise such other powers and perform such other duties not inconsistent with the Articles of Association, these by-laws or laws or regulations as may be conferred upon or assigned to them by the Board or the Chief Executive Officer.

Section 4.7 Employees and Agents. Subject to the authority of the Board, the Chief Executive Officer, or any other officer of the Association authorized by him or by the Board, may appoint or dismiss all or any employees and agents and prescribe their duties and the conditions of their employment, and from time to time fix their compensation.

Section 4.8 Bonds of Officers and Employees. The officers and employees of the Association shall give bond with security to be approved by the Board in such penal sum as the Board shall require, as a condition for the faithful and honest discharge of their respective duties and for the faithful application and accounting of all monies, funds and other property which may come into their possession or may be entrusted to their care or placed in their hands. In the discretion of the Board in lieu of having individual bonds for each officer and employee, there may be substituted for the bonds provided for herein a blanket bond covering all officers and employees providing coverage in such amounts and containing such conditions and stipulations as shall be approved by the Chief Executive Officer of the Association or his delegate but subject to the supervision and control of the Board.

ARTICLE V

Stock and Stock Certificates

Section 5.1 Transfers. Shares of stock shall be transferable only on the books of the Association upon surrender of the certificate for cancellation, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall, in proportion to his or her shares, succeed to all rights of the prior holder of such shares. The Board may impose conditions upon the transfer of the stock reasonably calculated to simplify the work of the Association for stock transfers, voting at shareholder meetings, and related matters, and to protect it against fraudulent transfers.

Section 5.2 Stock Certificates. Certificates of stock shall be signed by the Chair of the Board, if any, the President or a Vice President and the Secretary, any Assistant Secretary or any other officer appointed by the Board for that purpose, and shall be sealed with the corporate seal. Each certificate shall recite on its face that the stock represented thereby is transferable only upon the books of the Association properly endorsed, and shall meet the requirements of 12 U.S.C. §52, as amended.

Section 5.3 Dividends. Transfers of stock shall not be suspended preparatory to the declaration of dividends and, unless an agreement to the contrary shall be expressed in the assignments, dividends shall be paid to the shareholders in whose name the stock shall stand at the time of the declaration of the dividends or on such record date as may be fixed by the Board.

Section 5.4 Lost Certificates. In the event of loss or destruction of a certificate of stock, a new certificate may be issued in its place upon proof of such loss or destruction and upon receipt of an acceptable bond or agreement of indemnity as may be required by the Board.

ARTICLE VI

Corporate Seal

Section 6.1 Form. The corporate seal of the Association shall have inscribed thereon the name of the Association.

Section 6.2 Authority to Impress. The Chair of the Board, if any, the President, the Secretary, any Assistant Secretary or other officer designated by the Board shall have authority to impress or affix the corporate seal to any document requiring such seal, and to attest the same.

ARTICLE VII

Miscellaneous Provisions

Section 7.1 Banking Hours. The days and hours during which the Association shall be open for business shall be fixed from time to time by the Board, the Chair of the Board, if any, or the President, consistent with national and state laws governing banking and business transactions.

Section 7.2 Execution of Written Instruments. The execution, acknowledgement, verification, delivery or acceptance on behalf of the Association of agreements, instruments, and other documents relating to or affecting the property or business and affairs of the Association, or of the Association when acting in any representative or fiduciary capacity, shall be binding upon the Association if signed on its behalf by any of the following officers: the Chair of the Board, if any, the President, any Senior Executive Vice President, any Executive Vice President or any Senior Managing Director. Whenever any other officer or person shall be authorized to execute any agreement, instrument or other document by resolution of the Board of Directors, or by the Chief Executive Officer, or by any officer designated by the Chief Executive Officer or any of the officers identified in the immediately preceding sentence, such execution by such other officer or person shall be equally binding upon the Association.

Section 7.3 Records. The Articles of Association, these by-laws, and any amendments thereto, and the proceedings of all regular and special meetings of the directors and of the shareholders shall be recorded in appropriate minute books provided for the purpose. The minutes of each meeting shall be signed by the person appointed to act as secretary of the meeting.

Section 7.4 Fiscal Year. The fiscal year of the Association shall be the calendar year.

Section 7.5 Corporate Governance Procedures. In accordance with 12 C.F.R. Section 7.6 Indemnification. The Association may make or agree to make indemnification payments to an institution-affiliated party, as defined at 12 U.S.C. Section 1813(u), for an administrative proceeding or civil action initiated by any federal banking agency, that are reasonable and consistent with the requirements of 12 U.S.C. Section 1828(k) and its implementing regulations.

The Association may indemnify an institution-affiliated party for damages and expenses, including the advancement of expenses and legal fees, in cases involving an administrative proceeding or civil action not initiated by a federal banking agency, in accordance with the provisions set forth in the Association's Articles of Association, which provisions are in accordance with the DGCL, provided such payments are consistent with safe and sound banking practices.

Section 7.7. Ownership Interests in Other Entities. With respect to any corporation, limited liability company, partnership or any other legal entity in which the Association has or may acquire an ownership interest, the Chair of the Board, if any, the President, the Chief Financial Officer or the Treasurer, acting alone, or any other officer or officers appointed from time to time by the Board of Directors or the Executive Committee thereof, may (a) personally authorize, sign and deliver on behalf of the Association or authorize another person to sign and deliver on behalf of the Association (i) any proxy, written consent, ballot or other similar instrument solicited by the entity from its owners, (ii) any stock power, assignment, bill of sale or other instrument transferring all or any part of the Association's ownership of the entity or any agreement, instrument or other document relating thereto, (iii) any purchase of stock or other ownership interest in or contribution to the capital of such entity or any agreement, instrument or other document authorizing or evidencing the same and (iv) any agreement, consent, waiver or other document or instrument sought by the entity or an owner from the owners of the entity and (b) without limiting the generality of the foregoing, personally take, or authorize another person to take, any other action on behalf of the Association as an owner of such entity.
